Re: Notice of Violation – Failure to submit 2022 Calendar Year Consumer Confidence Report

Dear Louise Burton,

This letter serves as a Notice of Violation that the North Cleveland MDWCA failed to submit the 2022 Calendar Year Consumer Confidence Report (CCR) to the consumers and/or the New Mexico Environment Department Drinking Water Bureau. Pursuant to Section 20.7.10.100 NMAC [incorporating 40 Code of Federal Regulations (CFR) § 141.152(b)], all community water systems must provide a Consumer Confidence Report (CCR) to the consumers and to the State by July 1st of each year.

The North Cleveland MDWCA must deliver a copy of the 2022 Calendar Year CCR to both the Drinking Water Bureau and the consumers to prevent additional violations.

Additionally, North Cleveland MDWCA must send certification to the State certifying that the system has:

- 1) distributed the CCR to its customers; and
- 2) the reported information is correct and consistent with the compliance monitoring data previously submitted to the NMED DWB.

Certifications must be sent to the State no later than October 1st each year (20.7.10.100 NMAC, incorporating 40 CFR § 41.155(c)). Failure to do so also constitutes a violation. A copy of the CCR Certification form is enclosed with this letter for your convenience.

NMED-DWB reserves the right to take additional enforcement action regarding the violations identified in this NOV, to include the issuance of an Administrative Compliance Order compelling compliance and issuing civil penalties.

Pursuant to the NMED Delegation Order dated March 24, 2023, the Cabinet Secretary has delegated the authority to issue Notice of Violations to DWB Bureau Chief Joe R. Martinez.

Please note that your facility will appear on the Department's Enforcement Watch as a result of this NOV (see: <https://www.env.nm.gov/enforcement-watch/>). Further, the Department will issue a press release to local media highlighting your public water system as appearing on this webpage. Your public water system will remain on the Enforcement Watch website as an active matter until this matter is fully resolved."

If you have any questions or need assistance, please contact Maria J. Medina at 505-629-7223 or by e-mail at maria.medina@env.nm.gov.

Respectfully,

A handwritten signature in blue ink that reads "Joe R. Martinez". The signature is stylized with a large "J" and "M" and a horizontal line at the end.

Joe R. Martinez, Bureau Chief  
Drinking Water Bureau  
Water Protection Division
