Re: Notice of Violation – Failure to submit 2018, 2019, 2020, 2021, and 2022 Calendar Year Consumer Confidence Report Certifications

Dear Rebekah Bryant,

This letter serves as a Notice of Violation that the Tularosa Water System failed to submit the 2018, 2019, 2020, 2021, and 2022 Calendar Year Consumer Confidence Report (CCR) certifications to the New Mexico Environment Department Drinking Water Bureau. Pursuant to Section 20.7.10.100 NMAC [incorporating 40 Code of Federal Regulations (CFR) § 141.155(c), all community water systems must provide a Consumer Confidence Report (CCR) certification to the New Mexico Environment Department Drinking Water Bureau no later than three months from the date the CCR is to be distributed (October 1st) of each year.

Tularosa Water System must still provide a 2018, 2019, 2020, 2021, and 2022 Calendar Year CCR certification to the Drinking Water Bureau to prevent additional violations.

NMED-DWB reserves the right to take additional enforcement action regarding the violations identified in this NOV, to include the issuance of an Administrative Compliance Order compelling compliance and issuing civil penalties.

Pursuant to the NMED Delegation Order dated February 19, 2024, the Cabinet Secretary has delegated the authority to issue Notice of Violations to DWB Compliance Supervisor Brandi Littleton.

Please note that your facility will appear on the Department's Enforcement Watch as a result of this NOV (see: <https://www.env.nm.gov/enforcement-watch/>). Further, the Department will issue a press release to local media highlighting your public water system as appearing on this webpage. Your public water system will remain on the Enforcement Watch website as an active matter until this matter is fully resolved.

If you have any questions or need assistance, please contact Maria J. Medina at 505-629-7223 or by e-mail at [maria.medina@env.nm.gov](mailto:maria.medina@env.nm.gov)

Respectfully,
