**NEW MEXICO ENVIRONMENT DEPARTMENT'S
NOTICE OF INTENT TO PRESENT TECHNICAL TESTIMONY**

The New Mexico Environment Department (“Department”), pursuant to 20.1.6.202 NMAC and the Scheduling Order in this matter, hereby submits its Notice of Intent to Present Technical Testimony at the public hearing that was scheduled to commence on July 14, 2020, before the New Mexico Water Quality Control Commission (“WQCC”).

1. Entity Represented by Technical Witnesses

The technical witnesses will testify on behalf of the Department.

2. Name and Qualifications of the Technical Witnesses

The Department will call Ms. Rhonda Holderman and Ms. Judi Kahl at the hearing.

Rhonda Holderman: Ms. Holderman has been the Financial Manager for Loans and Grants with the Department’s Construction Programs Bureau (“Bureau”) for nearly four years. In this position, Ms. Holderman directly manages the Clean Water State Revolving Loan Fund (“CWSRF”) Program. Prior to working as the Financial Manager, Ms. Holderman was employed as a Loan Manager in the CWSRF Program. Ms. Holderman will present direct testimony as to the merits of the proposed amendments to 20.7.5 NMAC.

Judi Kahl: Ms. Kahl is the Chief of the Bureau, and in this position, she directly oversees Ms. Holderman and the CWSRF Program. Ms. Kahl has worked with the Bureau for over 10 years as both a Technical Section Manager and Bureau Chief. She is a New Mexico registered professional engineer. Ms. Kahl will not present direct testimony, but she will be available for background or policy related testimony if necessary.
