Ok, thanks. I will let our IT folks know to contact you about an account. Do I need to do anything else today in order to get the notice published?

Thanks,  
Chris

Sure. You can do that. I am the one that sets up accounts.  
Let me know.

If that means we still need to have the posting, then I would like to go ahead and get it posted today. However, I will still defer to our IT folks on setting up an account so I don't step on any toes there.

Thanks!

Hi David,

Yes, thank you. I forwarded your email to our head of IT and our HR department. They worked with Jason Johnson, but moving forward, they may want to work with you on creating an account like you suggested. I'll leave that to them, but hopefully they can figure it out soon.

Thank for your help,  
Chris

Good morning, Mr. Emery.

I asked around our department, and I haven't found any one who handles posting of public rulemaking notices to the Sunshine portal. In the past, we have sent our public notices for posting to the Sunshine Portal at the address I emailed previously. Is there another procedure we should be following?

Thanks,  
Chris
