

NOTICE OF SUBMISSION OF FINAL REMEDIATION PLAN

Dates of Notice: March 18, 2022 and March 25, 2022

Notice is hereby given by the Petroleum Storage Tank Bureau (PSTB) of the New Mexico Environment Department (NMED) of the submission of a Final Remediation Plan (Plan) as follows:

1. The Plan proposes actions to remediate a release of petroleum or petroleum products into the environment.
2. The release occurred at the Halsell's Grocery, 112 School Street, Hatch, New Mexico.
3. The Plan proposes to reduce petroleum hydrocarbon contaminant concentrations in groundwater using COGAC™ (chemically oxygenated granular activated carbon) injection technology at the release site located at 112 School Street, Hatch, New Mexico. Groundwater to be treated will occur at depths of approximately 10-16 feet below surface. The injection process is anticipated to be completed in two days, which includes equipment set-up, drilling, injection, monitoring, and project cleanup.
4. A copy of the Plan can be viewed by interested parties at the NMED PSTB office located at 2905 Rodeo Park Drive East, Building 1, Santa Fe, New Mexico, 87505, and at the NMED District III field office, 2301 Entrada del Sol, Las Cruces, New Mexico, 88001. Due to policies in place in response to the COVID-19 pandemic, arrangements must be made 48 hours in advance for an in-person viewing of the Plan. Please contact the NMED PSTB project manager, Michael Boulay, by telephone at (505) 372-8331 or email at michael.boulay@state.nm.us to arrange a viewing. In addition, the Final Remediation Plan and all applicable data may be viewed at the following website:
<https://cloud.env.nm.gov/waste/pages/search.php?search=%21collection3365&k=4f42a801a8>

Services may be arranged for translation of documents, for interpreters, and for obtaining services for persons with disabilities by contacting the PSTB Project Manager. TDD or TTY users, please access phone numbers using the New Mexico Relay Network, 1-800-659-1779 (voice) and 1-800-659-8331 (TTY users).

5. Comments on the plan may be sent to the PSTB Project Manager: by mail at New Mexico Environment Department Petroleum Storage Tank Bureau, Attn: Michael Boulay, 2905 Rodeo Park Drive East, Building 1, Santa Fe, NM 87505; by telephone at (505) 372-8331; or e-mailed to: michael.boulay@state.nm.us. Comments sent to the project manager must also be mailed to the NMED Secretary at New Mexico Environment Department, Attn: Secretary Kenney, PO Box 5469, Santa Fe, NM 87502-5469. Comments must be delivered by April 15, 2022. Please include the name of the site, "Halsell's Grocery, 112 School Street, Hatch, New Mexico," to ensure comments are correctly assigned to the site.
