

NOTICE OF SUBMISSION OF FINAL REMEDIATION PLAN

Dates of Notice: May 27, 2022; June 3, 2022

Notice is hereby given by Daniel B. Stephens and Associates, Inc. on behalf of the Petroleum Storage Tank Bureau (PSTB) of the New Mexico Environment Department (NMED) of the submission of a Final Remediation Plan, as follows:

1. The Remediation Plan proposes actions to remediate a release of petroleum products into the environment.
2. The release occurred at: Leonard's Conoco State Lead Site (the Site), 1633 Route 66, Santa Rosa, New Mexico. The remediation, consisting of amendment injections, will be performed at the Leonard's Conoco State Lead Site.
3. The Remediation Plan proposes corrective action consisting of injection of amendments (Petrofix – a micron-scale, liquid activated carbon with alternative electron acceptors and nutrients) below the groundwater table to remediate the remaining petroleum contaminated “hot spots” at Leonard's Conoco State Lead Site (the Site), 1633 Route 66, Santa Rosa, New Mexico.
4. A copy of the Remediation Plan, including all data and modeling related to the Remediation Plan, can be viewed by interested parties at the NMED PSTB Santa Fe office at the address below and at NMED's Tucumcari field office, 113 W Center, Tucumcari, NM 88401. Due to policies in place in response to the COVID-19 pandemic, arrangements must be made 48 hours in advance for an in-person review of the Remediation Plan. Please contact the NMED PSTB project manager, Corey Dimond, by telephone at 505-470-4896 or by email at corey.dimond@state.nm.us to schedule a time during normal business hours. In addition, the Remediation Plan and all applicable data may be viewed at the following website:
<https://cloud.env.nm.gov/waste/pages/search.php?search=%21collection3144&k=7c6ca14639>
5. Services may be arranged for translation of documents, for interpreters, and for obtaining services for persons with disabilities by contacting the NMED PSTB Project Manager. TDD or TTY users, please access phone numbers using the New Mexico Relay Network, 1 (800) 659-1779 (voice) and 1 (800) 659-8331 (TTY users).
6. Comments on the plan may be sent to the PSTB Project Manager: Corey Dimond by email to corey.dimond@state.nm.us by telephone at 505-470-4896, or at the following address: New Mexico Environment Department, Petroleum Storage Tank Bureau, 2905 Rodeo Park Drive East, Bldg. 1, Santa Fe, NM 87505. Comments sent to the project manager must also be mailed to the New Mexico Environment Department Secretary, Attn: Secretary Kenney, P.O. Box 5469, Santa Fe, New Mexico 87502-5469. Please include the name of the

site “Leonard’s Conoco State Lead Site” to ensure comments are correctly assigned to the site.

7. Comments must be received on or before June 24, 2022.
