

NOTICE OF PROPOSED NEGLECTED CONTAMINATION SITE REMEDIATION

Notice is hereby given pursuant to the New Mexico Water Quality Act that a **remediation work plan for a Neglected Contamination Site** has been proposed by the New Mexico Environment Department (NMED) for a property located at 3700 West Tukumcari Blvd. in Tukumcari, New Mexico. The work plan proposes actions to remove soil contaminated with petroleum hydrocarbons resulting from previous releases on the property. To request more information, call NMED Ground Water Quality Bureau (GWQB) in Santa Fe at 505-827-2900.

Prior to implementation of the work plan, NMED will allow until March 27, 2026 to receive written comments and during which time a public meeting may be requested by any interested person. Requests for public meeting shall be in writing and shall set forth the reasons why the meeting should be held. A meeting will be held if NMED determines that there is significant public interest.

Comments on the proposed work plan and/or requests for public meeting may be sent to:
