El Funcionario de Audiencias aceptará comentarios no técnicos o del público en general por escrito antes del inicio de la audiencia, así como por escrito o verbalmente mientras el expediente de la audiencia permanezca abierto. Se recomienda a los miembros del público que deseen presentar comentarios no técnicos o de carácter general que los envíen por escrito mediante el Portal de Comentarios Públicos del NMED, incluyendo las pruebas, datos, opiniones, argumentos o declaraciones escritas pertinentes en lugar de testimonio oral durante la audiencia, o bien como comentario público. Se puede acceder al Portal de Comentarios Públicos mediante el enlace disponible en la página web del Departamento correspondiente a los asuntos incluidos en el expediente www.env.nm.gov/opf/docketed-matters/. Busque en el menú desplegable del Secretario del Gabinete del Departamento de Medio Ambiente ("Environment Department Cabinet Secretary") "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". El enlace directo al Portal de Comentarios Públicos es http://nmed.commentinput.com.

Administrative Record NSR 10833_002848

El testimonio verbal no técnico o los comentarios generales del público serán aceptados durante la audiencia mientras el expediente permanezca abierto. De conformidad con la Orden Enmendada de Programación, las personas que tengan la intención de proporcionar testimonio verbal no técnico o comentarios generales del público serán juramentadas y se les permitirá presentar comentarios durante todo el primer día de la audiencia, el 14 de septiembre de 2026, así como en diversos momentos durante el desarrollo de la audiencia. Los miembros del público tendrán hasta tres (3) minutos para ofrecer testimonio verbal no técnico o comentarios generales por persona, a menos que el Funcionario de Audiencias ordene lo contrario. La audiencia se llevará a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente, 20.1.4 NMAC, los procedimientos aplicables a los Permisos de Construcción de Calidad del Aire, 20.2.72 NMAC, y otros procedimientos de audiencia aplicables.

Comparecencia:
Toda persona que desee ser parte en este procedimiento deberá presentar ante el Secretario de Audiencias, en la dirección indicada a continuación, una Comparecencia a más tardar el 24 de agosto de 2026. Una Declaración o Aviso de Intención de Presentar Testimonio Técnico presentada oportunamente y que esté completa se considerará una Comparecencia si la persona que presenta dicha declaración no ha presentado previamente una Comparecencia por separado.

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

La falta de presentación, en tiempo y forma, de una Declaración de Intención o de una Notificación de Comparecencia que cumpla sustancialmente con estos requisitos impedirá que la persona adquiera la condición de parte, pero no le impedirá presentar testimonios no técnicos —ya sean escritos u orales— ni formular comentarios de interés público general.

Declaración de Intención de Presentar Testimonio Técnico:
Toda persona que tenga la intención de presentar pruebas técnicas o testimonio técnico durante la audiencia pública deberá presentar ante el Secretario de Audiencias una Declaración o Aviso de Intención ("NOI") de Presentar Testimonio Técnico a más tardar el 24 de agosto de 2026, y deberá enviar una copia electrónica de dicho documento a todas las demás partes. El NOI deberá presentarse ante el Secretario de Audiencias en el siguiente correo electrónico:

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
Luis.lopez@env.nm.gov

Administrative Record NSR 10833_002849

La Declaración de Intención de Presentar Testimonio Técnico (NOI) deberá: (i) identificar a la persona que presenta la declaración; (ii) indicar si la persona que presenta la declaración apoya u objeta el Proyecto de Permiso, la Solicitud o la Petición; (iii) identificar a cada testigo, incluyendo su nombre, dirección, afiliación(es), y antecedentes educativos y laborales; (iv) estimar la duración del testimonio directo de cada testigo; (v) identificar todos los anexos que forman parte del Expediente Oficial y, para los anexos que no formen parte del Expediente Oficial, adjuntar una copia; (vi) enumerar o poner a disposición todos los materiales técnicos en los que se basó cada testigo al formular la declaración de hechos u opiniones técnicas contenidas en su testimonio directo; (vii) adjuntar una narrativa completa del testimonio directo de cada testigo, indicando cualquier opinión que dicho testigo ofrecerá y una explicación de la base de dichas opiniones; y (viii) cumplir con las disposiciones de la Sección 20.1.2.200 del Código Administrativo de Nuevo México (NMAC) y con la Orden Enmendada de Programación. Salvo que el Funcionario de Audiencias ordene lo contrario, las Declaraciones de Intención de Presentar Testimonio Técnico de Refutación, si las hubiera, deberán presentarse a más tardar el 3 de septiembre de 2026 y deberán cumplir con los mismos requisitos establecidos anteriormente para las NOI previas.

La falta de presentación oportuna y completa de una NOI impedirá que una persona presente las pruebas técnicas o el testimonio técnico que pretenda ofrecer. Todos los anexos deberán estar debidamente identificados para ser aceptados, incluyendo el nombre de la parte y el número del anexo en la parte superior o inferior del mismo, y deberán incluir páginas numeradas consecutivamente.

Procedimientos de la Audiencia de Permiso:
La audiencia pública, así como todas las actividades previas y posteriores a la audiencia, se llevarán a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente (20.1.4 NMAC), la Ley y las normas y reglamentos aplicables a los permisos de construcción. Los Procedimientos de Permisos pueden consultarse electrónicamente en https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 o comunicándose con el Secretario de Audiencias. Las normas sobre permisos de construcción (20.2.72 NMAC) pueden consultarse electrónicamente en: https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Aviso de No Discriminación:
El NMED no discrimina por motivos de raza, color, origen nacional, discapacidad, edad o sexo en la administración de sus programas o actividades, según lo exigen las leyes y reglamentos aplicables. El NMED es responsable de coordinar los esfuerzos de cumplimiento y de recibir consultas relacionadas con los requisitos de no discriminación implementados conforme al Título 40 del Código de Reglamentos Federales (C.F.R.), Parte 7, incluyendo el Título VI de la Ley de Derechos Civiles de 1964, según enmendada; la Sección 504 de la Ley de Rehabilitación de 1973; la Ley contra la Discriminación por Edad de 1975; el Título IX de las Enmiendas Educativas de 1972; y la Sección 13 de las Enmiendas a la Ley Federal de Control de la Contaminación del Agua de 1972. Si tiene alguna pregunta sobre este aviso o sobre cualquiera de los programas, políticas o procedimientos de no discriminación del NMED, o si considera que ha sido objeto de discriminación en relación con un programa o actividad del NMED, puede comunicarse con: Coordinador de No Discriminación, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. También puede visitar nuestro sitio web en https://www.env.nm.gov/non-employee-discrimination-complaint-page/ para obtener información sobre cómo y dónde presentar una queja por discriminación.

Notice of Hearing – English and Spanish

Administrative Record NSR 10833_002853

STATE OF NEW MEXICO
BEFORE THE SECRETARY OF ENVIRONMENT

IN THE MATTER OF:
THE APPLICATION OF YUCCA GROWTH INFRASTRUCTURE, LLC FOR AN AIR QUALITY PERMIT, NO. NSR 10883

AQB 26-57(P)

AMENDED NOTICE OF PUBLIC HEARING

The New Mexico Environment Department ("Department" or "NMED") announces a hybrid public hearing to take evidence on the application for an air quality construction permit for a facility located in Doña Ana County pursuant to the New Mexico Air Quality Control Act, NMSA 1978 Sections 74-2-1 through 74-2-17 ("Act"), and regulations within Part 20.2.72 NMAC. The permit application to be considered in this hearing pertains to the YGI Microgrid as submitted by Yucca Growth Infrastructure, LLC ("Yucca").

This Amended Notice of Public Hearing is provided pursuant to the Hearing Officer's July 29, 2026, Amended Scheduling Order and the provisions of 20.1.4.200 NMAC. Additionally, this Amended Notice of Public Hearing supersedes and serves to retract the initial the Notice of Public Hearing. The English language version of which was published in the Albuquerque Journal on July 17, 2026, and Las Cruces Sun on July 17, 2026, and the Spanish language version was published in the Las Cruces Sun on July 17, 2026, and in the Albuquerque Journal on July 18, 2026.

A copy of the Amended Scheduling Order, as well as all other filings in this matter may be obtained on the Department's website at the following location: go to https://www.env.nm.gov/opf/docketed-matters/; scroll to and select "Environment Department Cabinet Secretary"; then scroll to and select "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid."

Brief Description of Permit Application:
Yucca has submitted a New Source Review permit application No. NSR 10883 to construct the YGI Microgrid which would consist of Bloom Energy Solid Oxide Fuel Cells ("SOFC") to generate 2,462 MW to power a nearby data center. Yucca's application requests that the YGI Microgrid be permitted to operate as Title V major source under the Act and Part 20.2.72 NMAC, and that it may operate continuously (8,760 hours per year). The YGI Microgrid is a new facility that intends to be located at latitude and longitude decimal degrees: 31.8183, -106.6792 Datum: WGS 84. To aid in locating this facility, the approximate location is 3.6 miles South of Santa Teresa in Doña Ana County, NM.

An electronic version of the permit application, its revisions, the Department's Draft Permit, the Department's Statement of Basis, as well as other previous materials and notices may be reviewed on the Department's website at the following location: go to https://www.env.nm.gov/public-notices/; scroll to and select Doña Ana County; then find and select the header labeled "Yucca Growth Infrastructure, LLC — YGI Microgrid." If an individual is unable to obtain a copy of the draft permit at the above website or is seeking additional information, they may contact:

Julia Kuhn
Permits Section

600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Hearing Date, Time, and Location:
The hearing will begin at 9:00 a.m. on September 14, 2026, and will be conducted on consecutive days as needed or continued upon order of the Hearing Officer. The hearing will be conducted both virtually via Webex (see the link posted online in the Department's Calendar at https://www.env.nm.gov/events-calendar/) and in person at the following physical location in Sunland Park in Doña Ana County, New Mexico: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. The hearing will have Spanish interpreters available on Webex.

Providing Non-Technical or General Public Comment:
The Hearing Officer will accept non-technical or general public comment in writing prior to the beginning of the hearing or in writing or verbally while the hearing record is open. Members of the public who wish to provide non-technical or general comment are encouraged to submit their comments in writing by using NMED's Public Comment Portal, including relevant evidence, data, views, arguments, written statements in lieu of oral testimony at the hearing, or public comment. Access the Public Comment Portal via a link on the Department's docketed matters web page www.env.nm.gov/opf/docketed-matters/. Look under the Environment Department Cabinet Secretary dropdown for "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". The direct link to the Public Comment Portal is http://nmed.commentinput.com.

Verbal non-technical testimony or general comment will be accepted at the hearing while the record is open. Pursuant to the Amended Scheduling Order individuals intending to provide non-

technical verbal testimony or general public comment will be sworn in and allowed to submit comments throughout the first day of the hearing on September 14, 2026, and at various times throughout the hearing. Members of the public will have up to three (3) minutes to offer verbal non-technical testimony or general comment per individual, unless otherwise ordered by the Hearing Officer. The hearing will be conducted in accordance with the Environment Department Permitting Procedures, 20.1.4 NMAC, the procedures in Air Quality Construction Permits, 20.2.72 NMAC, and other applicable hearing procedures.

Entry of Appearance:
Any person who wishes to be a party in this proceeding must file with the Hearing Clerk at the address below an Entry of Appearance on or before August 24, 2026. A timely and complete Statement or Notice of Intent to Present Technical Testimony shall be considered an Entry of Appearance if the person filing such statement has not previously filed a separate Entry of Appearance.

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

A person's failure to file a timely Statement of Intent or Entry of Appearance substantially complying with these requirements shall preclude the person from becoming a party but shall not preclude a person from presenting written or oral non-technical testimony or general public comments.

Statement of Intent to Present Technical Testimony:
Any person who intends to present technical evidence or technical testimony at the public hearing must file a Statement or Notice of Intent ("NOI") to Present Technical Testimony with the Hearing Clerk on or before August 24, 2026, and serve an electronic copy of the foregoing on all other parties. The NOI must be filed with the Hearing Clerk at the following email:

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
Luis.lopez@env.nm.gov

The NOI to Present Technical Testimony shall: (i) identify the person filing the statement; (ii) state whether the person filing the statement supports or opposes the Draft Permit, Application, or Petition; (iii) identify each witness, including name, address, affiliation(s), and educational and

work background; (iv) estimate the length of the direct testimony of each witness; (v) identify all exhibits which are part of the Record Proper and, for exhibits not part of the Record Proper, attach a copy; (vi) list or make available all technical materials relied upon by each witness in making the statement of technical fact or opinion contained in his or her direct testimony; (vii) attach a complete narrative of the direct testimony of each witness, stating any opinion(s) to be offered by such witness, and an explanation of the basis for such opinion(s); and (vii) comport with provisions 20.1.2.200 NMAC and the Amended Scheduling Order. Unless otherwise ordered by the Hearing Officer, NOIs to Present Rebuttal Technical Testimony, if any, shall be filed on or before September 3, 2026, and comport with the same requirements as the preceding NOIs as described above.

Failure to file a timely and complete NOI will preclude a person from presenting technical evidence or testimony sought to be offered. All exhibits must be properly marked to be accepted, including the party name and exhibit number on the top or bottom of the exhibit, and include consecutively numbered pages.

Permit Hearing Procedures:
The public hearing, as well as all pre-hearing and post-hearing activity, will be conducted in accordance with the Permit Procedures of the Environment Department (20.1.4 NMAC), the Act, and applicable construction permit rules and regulations. The Permit Procedures may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 or by contacting the Hearing Clerk. The construction permit rules (20.2.72 NMAC) may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Notice of Non-Discrimination:
NMED does not discriminate on the basis of race, color, national origin, disability, age or sex in the administration of its programs or activities, as required by applicable laws and regulations. NMED is responsible for coordination of compliance efforts and receipt of inquiries concerning non-discrimination requirements implemented by 40 C.F.R. Part 7, including Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, and Section 13 of the Federal Water Pollution Control Act Amendments of 1972. If you have any questions about this notice or any of NMED's non-discrimination programs, policies or procedures, or if you believe that you have been discriminated against with respect to a NMED program or activity, you may contact: Non-Discrimination Coordinator, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. You may also visit our website at https://www.env.nm.gov/non-employee-discrimination-complaint-page/ to learn how and where to file a complaint of discrimination.

ESTADO DE NUEVO MÉXICO
ANTE EL SECRETARIO DE MEDIO AMBIENTE

EN EL ASUNTO DE:
LA SOLICITUD DE YUCCA GROWTH INFRASTRUCTURE, LLC PARA UN PERMISO DE CALIDAD DEL AIRE, NO. NSR 10883

AQB 26-57(P)

AVISO ENMENDADO DE AUDIENCIA PÚBLICA

El Departamento de Medio Ambiente de Nuevo México ("Departamento" o "NMED") anuncia una audiencia pública híbrida para recibir pruebas sobre la solicitud de un permiso de construcción de calidad del aire para una instalación ubicada en el condado de Doña Ana, de conformidad con la Ley de Control de la Calidad del Aire de Nuevo México, NMSA 1978, Secciones 74-2-1 a 74-2-17 (la "Ley"), y los reglamentos contenidos en la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC). La solicitud de permiso que será considerada en esta audiencia corresponde al Microgrid de YGI, presentada por Yucca Growth Infrastructure, LLC ("Yucca").

Este Aviso Enmendado de Audiencia Pública se emite de conformidad con la Orden Enmendada de Programación del Funcionario de Audiencias, de fecha 29 de julio de 2026, y con las disposiciones de la Sección 20.1.4.200 del Código Administrativo de Nuevo México (NMAC). Asimismo, este Aviso Enmendado de Audiencia Pública sustituye y deja sin efecto el Aviso de Audiencia Pública inicial. La versión en inglés de dicho aviso fue publicada en el Albuquerque Journal el 17 de julio de 2026 y en el Las Cruces Sun el 17 de julio de 2026; la versión en español fue publicada en el Las Cruces Sun el 17 de julio de 2026 y en el Albuquerque Journal el 18 de julio de 2026.

Se puede obtener una copia de la Orden Enmendada de Programación, así como de todos los demás documentos presentados en este asunto, en el sitio web del Departamento, en la siguiente dirección https://www.env.nm.gov/opf/docketed-matters/; Desplácese hacia abajo y seleccione "Environment Department Cabinet Secretary"; luego desplácese hacia abajo y seleccione "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid".

Breve Descripción de la Solicitud de Permiso:
Yucca ha presentado la solicitud de permiso de Revisión de Nuevas Fuentes (New Source Review) N.º NSR 10883 para construir el YGI Microgrid, el cual estará compuesto por celdas de combustible de óxido sólido Bloom Energy (Solid Oxide Fuel Cells, "SOFC") para generar 2,462 MW de energía destinada a abastecer un centro de datos cercano. La solicitud de Yucca pide que el YGI Microgrid sea autorizado para operar como una fuente mayor del Título V, de conformidad con la Ley y la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC), y que pueda operar de manera continua (8,760 horas al año). El YGI Microgrid es una instalación nueva que se proyecta ubicar en las siguientes coordenadas geográficas (grados decimales de latitud y longitud): 31.8183, -106.6792, Datum: WGS 84. Para facilitar la ubicación de esta instalación, se

indica que estará aproximadamente a 3.6 millas al sur de Santa Teresa, en el condado de Doña Ana, Nuevo México.

Una versión electrónica de la solicitud de permiso, sus revisiones, el Proyecto de Permiso del Departamento, la Declaración de Fundamentos del Departamento, así como otros materiales y avisos previamente emitidos, puede consultarse en el sitio web del Departamento, en la siguiente dirección: https://www.env.nm.gov/public-notices/; Desplácese hacia abajo y seleccione Doña Ana County; luego busque y seleccione el encabezado titulado "Yucca Growth Infrastructure, LLC — YGI Microgrid". Si alguna persona no puede obtener una copia del proyecto de permiso en el sitio web indicado anteriormente o desea información adicional, puede comunicarse con:

Julia Kuhn

Oficina de Calidad del Aire
Departamento de Ambiente de Nuevo México
525 Camino de los Marquez, Suite 1A
Santa Fe, New Mexico 87505-1816
(505) 476-4300

Información de Contacto del Solicitante:
Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Fecha, Hora y Lugar de la Audiencia:
La audiencia comenzará a las 9:00 a. m. del 14 de septiembre de 2026 y se llevará a cabo en días consecutivos, según sea necesario, o podrá continuarse por orden del Funcionario de Audiencias. La audiencia se celebrará de forma híbrida, tanto de manera virtual a través de Webex (consulte el enlace publicado en el calendario del Departamento en https://www.env.nm.gov/events-calendar/) y de manera presencial en el siguiente lugar físico en Sunland Park, condado de Doña Ana, Nuevo México: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. La audiencia contará con intérpretes de español disponibles a través de Webex.

Presentación de Comentarios No Técnicos o del Público en General:
El Funcionario de Audiencias aceptará comentarios no técnicos o del público en general por escrito antes del inicio de la audiencia, así como por escrito o verbalmente mientras el expediente de la audiencia permanezca abierto. Se recomienda a los miembros del público que deseen presentar comentarios no técnicos o de carácter general que los envíen por escrito mediante el Portal de Comentarios Públicos del NMED, incluyendo las pruebas, datos, opiniones, argumentos o declaraciones escritas pertinentes en lugar de testimonio oral durante la audiencia, o bien como comentario público. Se puede acceder al Portal de Comentarios Públicos mediante el enlace disponible en la página web del Departamento correspondiente a los asuntos incluidos en el expediente www.env.nm.gov/opf/docketed-matters/. Busque en el menú desplegable del Secretario del Gabinete del Departamento de Medio Ambiente ("Environment Department Cabinet Secretary") "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". El enlace directo al Portal de Comentarios Públicos es http://nmed.commentinput.com.

Administrative Record NSR 10833_002859

El testimonio verbal no técnico o los comentarios generales del público serán aceptados durante la audiencia mientras el expediente permanezca abierto. De conformidad con la Orden Enmendada de Programación, las personas que tengan la intención de proporcionar testimonio verbal no técnico o comentarios generales del público serán juramentadas y se les permitirá presentar comentarios durante todo el primer día de la audiencia, el 14 de septiembre de 2026, así como en diversos momentos durante el desarrollo de la audiencia. Los miembros del público tendrán hasta tres (3) minutos para ofrecer testimonio verbal no técnico o comentarios generales por persona, a menos que el Funcionario de Audiencias ordene lo contrario. La audiencia se llevará a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente, 20.1.4 NMAC, los procedimientos aplicables a los Permisos de Construcción de Calidad del Aire, 20.2.72 NMAC, y otros procedimientos de audiencia aplicables.

Comparecencia:
Toda persona que desee ser parte en este procedimiento deberá presentar ante el Secretario de Audiencias, en la dirección indicada a continuación, una Comparecencia a más tardar el 24 de agosto de 2026. Una Declaración o Aviso de Intención de Presentar Testimonio Técnico presentada oportunamente y que esté completa se considerará una Comparecencia si la persona que presenta dicha declaración no ha presentado previamente una Comparecencia por separado.

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

La falta de presentación, en tiempo y forma, de una Declaración de Intención o de una Notificación de Comparecencia que cumpla sustancialmente con estos requisitos impedirá que la persona adquiera la condición de parte, pero no le impedirá presentar testimonios no técnicos —ya sean escritos u orales— ni formular comentarios de interés público general.

Declaración de Intención de Presentar Testimonio Técnico:
Toda persona que tenga la intención de presentar pruebas técnicas o testimonio técnico durante la audiencia pública deberá presentar ante el Secretario de Audiencias una Declaración o Aviso de Intención ("NOI") de Presentar Testimonio Técnico a más tardar el 24 de agosto de 2026, y deberá enviar una copia electrónica de dicho documento a todas las demás partes. El NOI deberá presentarse ante el Secretario de Audiencias en el siguiente correo electrónico:

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
Luis.lopez@env.nm.gov

Administrative Record NSR 10833_002860

La Declaración de Intención de Presentar Testimonio Técnico (NOI) deberá: (i) identificar a la persona que presenta la declaración; (ii) indicar si la persona que presenta la declaración apoya u objeta el Proyecto de Permiso, la Solicitud o la Petición; (iii) identificar a cada testigo, incluyendo su nombre, dirección, afiliación(es), y antecedentes educativos y laborales; (iv) estimar la duración del testimonio directo de cada testigo; (v) identificar todos los anexos que forman parte del Expediente Oficial y, para los anexos que no formen parte del Expediente Oficial, adjuntar una copia; (vi) enumerar o poner a disposición todos los materiales técnicos en los que se basó cada testigo al formular la declaración de hechos u opiniones técnicas contenidas en su testimonio directo; (vii) adjuntar una narrativa completa del testimonio directo de cada testigo, indicando cualquier opinión que dicho testigo ofrecerá y una explicación de la base de dichas opiniones; y (viii) cumplir con las disposiciones de la Sección 20.1.2.200 del Código Administrativo de Nuevo México (NMAC) y con la Orden Enmendada de Programación. Salvo que el Funcionario de Audiencias ordene lo contrario, las Declaraciones de Intención de Presentar Testimonio Técnico de Refutación, si las hubiera, deberán presentarse a más tardar el 3 de septiembre de 2026 y deberán cumplir con los mismos requisitos establecidos anteriormente para las NOI previas.

La falta de presentación oportuna y completa de una NOI impedirá que una persona presente las pruebas técnicas o el testimonio técnico que pretenda ofrecer. Todos los anexos deberán estar debidamente identificados para ser aceptados, incluyendo el nombre de la parte y el número del anexo en la parte superior o inferior del mismo, y deberán incluir páginas numeradas consecutivamente.

Procedimientos de la Audiencia de Permiso:
La audiencia pública, así como todas las actividades previas y posteriores a la audiencia, se llevarán a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente (20.1.4 NMAC), la Ley y las normas y reglamentos aplicables a los permisos de construcción. Los Procedimientos de Permisos pueden consultarse electrónicamente en https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 o comunicándose con el Secretario de Audiencias. Las normas sobre permisos de construcción (20.2.72 NMAC) pueden consultarse electrónicamente en:
https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Aviso de No Discriminación:
El NMED no discrimina por motivos de raza, color, origen nacional, discapacidad, edad o sexo en la administración de sus programas o actividades, según lo exigen las leyes y reglamentos aplicables. El NMED es responsable de coordinar los esfuerzos de cumplimiento y de recibir consultas relacionadas con los requisitos de no discriminación implementados conforme al Título 40 del Código de Reglamentos Federales (C.F.R.), Parte 7, incluyendo el Título VI de la Ley de Derechos Civiles de 1964, según enmendada; la Sección 504 de la Ley de Rehabilitación de 1973; la Ley contra la Discriminación por Edad de 1975; el Título IX de las Enmiendas Educativas de 1972; y la Sección 13 de las Enmiendas a la Ley Federal de Control de la Contaminación del Agua de 1972. Si tiene alguna pregunta sobre este aviso o sobre cualquiera de los programas, políticas o procedimientos de no discriminación del NMED, o si considera que ha sido objeto de discriminación en relación con un programa o actividad del NMED, puede comunicarse con: Coordinador de No Discriminación, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. También puede visitar nuestro sitio web en https://www.env.nm.gov/non-employee-discrimination-complaint-page/ para obtener información sobre cómo y dónde presentar una queja por discriminación.

Notice of Hearing – English and Spanish

Administrative Record NSR 10833_002864

STATE OF NEW MEXICO
BEFORE THE SECRETARY OF ENVIRONMENT

IN THE MATTER OF:
THE APPLICATION OF YUCCA GROWTH INFRASTRUCTURE, LLC FOR AN AIR QUALITY PERMIT, NO. NSR 10883

AQB 26-57(P)

AMENDED NOTICE OF PUBLIC HEARING

The New Mexico Environment Department ("Department" or "NMED") announces a hybrid public hearing to take evidence on the application for an air quality construction permit for a facility located in Doña Ana County pursuant to the New Mexico Air Quality Control Act, NMSA 1978 Sections 74-2-1 through 74-2-17 ("Act"), and regulations within Part 20.2.72 NMAC. The permit application to be considered in this hearing pertains to the YGI Microgrid as submitted by Yucca Growth Infrastructure, LLC ("Yucca").

This Amended Notice of Public Hearing is provided pursuant to the Hearing Officer's July 29, 2026, Amended Scheduling Order and the provisions of 20.1.4.200 NMAC. Additionally, this Amended Notice of Public Hearing supersedes and serves to retract the initial the Notice of Public Hearing. The English language version of which was published in the Albuquerque Journal on July 17, 2026, and Las Cruces Sun on July 17, 2026, and the Spanish language version was published in the Las Cruces Sun on July 17, 2026, and in the Albuquerque Journal on July 18, 2026.

A copy of the Amended Scheduling Order, as well as all other filings in this matter may be obtained on the Department's website at the following location: go to https://www.env.nm.gov/opf/docketed-matters/; scroll to and select "Environment Department Cabinet Secretary"; then scroll to and select "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid."

Brief Description of Permit Application:
Yucca has submitted a New Source Review permit application No. NSR 10883 to construct the YGI Microgrid which would consist of Bloom Energy Solid Oxide Fuel Cells ("SOFC") to generate 2,462 MW to power a nearby data center. Yucca's application requests that the YGI Microgrid be permitted to operate as Title V major source under the Act and Part 20.2.72 NMAC, and that it may operate continuously (8,760 hours per year). The YGI Microgrid is a new facility that intends to be located at latitude and longitude decimal degrees: 31.8183, -106.6792 Datum: WGS 84. To aid in locating this facility, the approximate location is 3.6 miles South of Santa Teresa in Doña Ana County, NM.

An electronic version of the permit application, its revisions, the Department's Draft Permit, the Department's Statement of Basis, as well as other previous materials and notices may be reviewed on the Department's website at the following location: go to https://www.env.nm.gov/public-notices/; scroll to and select Doña Ana County; then find and select the header labeled "Yucca Growth Infrastructure, LLC — YGI Microgrid." If an individual is unable to obtain a copy of the draft permit at the above website or is seeking additional information, they may contact:

600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Hearing Date, Time, and Location:
The hearing will begin at 9:00 a.m. on September 14, 2026, and will be conducted on consecutive days as needed or continued upon order of the Hearing Officer. The hearing will be conducted both virtually via Webex (see the link posted online in the Department's Calendar at https://www.env.nm.gov/events-calendar/) and in person at the following physical location in Sunland Park in Doña Ana County, New Mexico: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. The hearing will have Spanish interpreters available on Webex.

Providing Non-Technical or General Public Comment:
The Hearing Officer will accept non-technical or general public comment in writing prior to the beginning of the hearing or in writing or verbally while the hearing record is open. Members of the public who wish to provide non-technical or general comment are encouraged to submit their comments in writing by using NMED's Public Comment Portal, including relevant evidence, data, views, arguments, written statements in lieu of oral testimony at the hearing, or public comment. Access the Public Comment Portal via a link on the Department's docketed matters web page www.env.nm.gov/opf/docketed-matters/. Look under the Environment Department Cabinet Secretary dropdown for "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". The direct link to the Public Comment Portal is http://nmed.commentinput.com.

Verbal non-technical testimony or general comment will be accepted at the hearing while the record is open. Pursuant to the Amended Scheduling Order individuals intending to provide non-

technical verbal testimony or general public comment will be sworn in and allowed to submit comments throughout the first day of the hearing on September 14, 2026, and at various times throughout the hearing. Members of the public will have up to three (3) minutes to offer verbal non-technical testimony or general comment per individual, unless otherwise ordered by the Hearing Officer. The hearing will be conducted in accordance with the Environment Department Permitting Procedures, 20.1.4 NMAC, the procedures in Air Quality Construction Permits, 20.2.72 NMAC, and other applicable hearing procedures.

Entry of Appearance:
Any person who wishes to be a party in this proceeding must file with the Hearing Clerk at the address below an Entry of Appearance on or before August 24, 2026. A timely and complete Statement or Notice of Intent to Present Technical Testimony shall be considered an Entry of Appearance if the person filing such statement has not previously filed a separate Entry of Appearance.

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

A person's failure to file a timely Statement of Intent or Entry of Appearance substantially complying with these requirements shall preclude the person from becoming a party but shall not preclude a person from presenting written or oral non-technical testimony or general public comments.

Statement of Intent to Present Technical Testimony:
Any person who intends to present technical evidence or technical testimony at the public hearing must file a Statement or Notice of Intent ("NOI") to Present Technical Testimony with the Hearing Clerk on or before August 24, 2026, and serve an electronic copy of the foregoing on all other parties. The NOI must be filed with the Hearing Clerk at the following email:

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
Luis.lopez@env.nm.gov

The NOI to Present Technical Testimony shall: (i) identify the person filing the statement; (ii) state whether the person filing the statement supports or opposes the Draft Permit, Application, or Petition; (iii) identify each witness, including name, address, affiliation(s), and educational and

work background; (iv) estimate the length of the direct testimony of each witness; (v) identify all exhibits which are part of the Record Proper and, for exhibits not part of the Record Proper, attach a copy; (vi) list or make available all technical materials relied upon by each witness in making the statement of technical fact or opinion contained in his or her direct testimony; (vii) attach a complete narrative of the direct testimony of each witness, stating any opinion(s) to be offered by such witness, and an explanation of the basis for such opinion(s); and (vii) comport with provisions 20.1.2.200 NMAC and the Amended Scheduling Order. Unless otherwise ordered by the Hearing Officer, NOIs to Present Rebuttal Technical Testimony, if any, shall be filed on or before September 3, 2026, and comport with the same requirements as the preceding NOIs as described above.

Failure to file a timely and complete NOI will preclude a person from presenting technical evidence or testimony sought to be offered. All exhibits must be properly marked to be accepted, including the party name and exhibit number on the top or bottom of the exhibit, and include consecutively numbered pages.

Permit Hearing Procedures:
The public hearing, as well as all pre-hearing and post-hearing activity, will be conducted in accordance with the Permit Procedures of the Environment Department (20.1.4 NMAC), the Act, and applicable construction permit rules and regulations. The Permit Procedures may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 or by contacting the Hearing Clerk. The construction permit rules (20.2.72 NMAC) may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Notice of Non-Discrimination:
NMED does not discriminate on the basis of race, color, national origin, disability, age or sex in the administration of its programs or activities, as required by applicable laws and regulations. NMED is responsible for coordination of compliance efforts and receipt of inquiries concerning non-discrimination requirements implemented by 40 C.F.R. Part 7, including Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, and Section 13 of the Federal Water Pollution Control Act Amendments of 1972. If you have any questions about this notice or any of NMED's non-discrimination programs, policies or procedures, or if you believe that you have been discriminated against with respect to a NMED program or activity, you may contact: Non-Discrimination Coordinator, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. You may also visit our website at https://www.env.nm.gov/non-employee-discrimination-complaint-page/ to learn how and where to file a complaint of discrimination.

ESTADO DE NUEVO MÉXICO
ANTE EL SECRETARIO DE MEDIO AMBIENTE

EN EL ASUNTO DE:
LA SOLICITUD DE YUCCA GROWTH INFRASTRUCTURE, LLC PARA UN PERMISO DE CALIDAD DEL AIRE, NO. NSR 10883

AQB 26-57(P)

AVISO ENMENDADO DE AUDIENCIA PÚBLICA

El Departamento de Medio Ambiente de Nuevo México ("Departamento" o "NMED") anuncia una audiencia pública híbrida para recibir pruebas sobre la solicitud de un permiso de construcción de calidad del aire para una instalación ubicada en el condado de Doña Ana, de conformidad con la Ley de Control de la Calidad del Aire de Nuevo México, NMSA 1978, Secciones 74-2-1 a 74-2-17 (la "Ley"), y los reglamentos contenidos en la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC). La solicitud de permiso que será considerada en esta audiencia corresponde al Microgrid de YGI, presentada por Yucca Growth Infrastructure, LLC ("Yucca").

Este Aviso Enmendado de Audiencia Pública se emite de conformidad con la Orden Enmendada de Programación del Funcionario de Audiencias, de fecha 29 de julio de 2026, y con las disposiciones de la Sección 20.1.4.200 del Código Administrativo de Nuevo México (NMAC). Asimismo, este Aviso Enmendado de Audiencia Pública sustituye y deja sin efecto el Aviso de Audiencia Pública inicial. La versión en inglés de dicho aviso fue publicada en el Albuquerque Journal el 17 de julio de 2026 y en el Las Cruces Sun el 17 de julio de 2026; la versión en español fue publicada en el Las Cruces Sun el 17 de julio de 2026 y en el Albuquerque Journal el 18 de julio de 2026.

Se puede obtener una copia de la Orden Enmendada de Programación, así como de todos los demás documentos presentados en este asunto, en el sitio web del Departamento, en la siguiente dirección https://www.env.nm.gov/opf/docketed-matters/; Desplácese hacia abajo y seleccione "Environment Department Cabinet Secretary"; luego desplácese hacia abajo y seleccione "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid".

Breve Descripción de la Solicitud de Permiso:
Yucca ha presentado la solicitud de permiso de Revisión de Nuevas Fuentes (New Source Review) N.º NSR 10883 para construir el YGI Microgrid, el cual estará compuesto por celdas de combustible de óxido sólido Bloom Energy (Solid Oxide Fuel Cells, "SOFC") para generar 2,462 MW de energía destinada a abastecer un centro de datos cercano. La solicitud de Yucca pide que el YGI Microgrid sea autorizado para operar como una fuente mayor del Título V, de conformidad con la Ley y la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC), y que pueda operar de manera continua (8,760 horas al año). El YGI Microgrid es una instalación nueva que se proyecta ubicar en las siguientes coordenadas geográficas (grados decimales de latitud y longitud): 31.8183, -106.6792, Datum: WGS 84. Para facilitar la ubicación de esta instalación, se

indica que estará aproximadamente a 3.6 millas al sur de Santa Teresa, en el condado de Doña Ana, Nuevo México.

Una versión electrónica de la solicitud de permiso, sus revisiones, el Proyecto de Permiso del Departamento, la Declaración de Fundamentos del Departamento, así como otros materiales y avisos previamente emitidos, puede consultarse en el sitio web del Departamento, en la siguiente dirección: https://www.env.nm.gov/public-notices/; Desplácese hacia abajo y seleccione Doña Ana County; luego busque y seleccione el encabezado titulado "Yucca Growth Infrastructure, LLC — YGI Microgrid". Si alguna persona no puede obtener una copia del proyecto de permiso en el sitio web indicado anteriormente o desea información adicional, puede comunicarse con:

Julia Kuhn

Oficina de Calidad del Aire
Departamento de Ambiente de Nuevo México
525 Camino de los Marquez, Suite 1A
Santa Fe, New Mexico 87505-1816
(505) 476-4300

Información de Contacto del Solicitante:
Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Fecha, Hora y Lugar de la Audiencia:
La audiencia comenzará a las 9:00 a. m. del 14 de septiembre de 2026 y se llevará a cabo en días consecutivos, según sea necesario, o podrá continuarse por orden del Funcionario de Audiencias. La audiencia se celebrará de forma híbrida, tanto de manera virtual a través de Webex (consulte el enlace publicado en el calendario del Departamento en https://www.env.nm.gov/events-calendar/) y de manera presencial en el siguiente lugar físico en Sunland Park, condado de Doña Ana, Nuevo México: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. La audiencia contará con intérpretes de español disponibles a través de Webex.

Presentación de Comentarios No Técnicos o del Público en General:
El Funcionario de Audiencias aceptará comentarios no técnicos o del público en general por escrito antes del inicio de la audiencia, así como por escrito o verbalmente mientras el expediente de la audiencia permanezca abierto. Se recomienda a los miembros del público que deseen presentar comentarios no técnicos o de carácter general que los envíen por escrito mediante el Portal de Comentarios Públicos del NMED, incluyendo las pruebas, datos, opiniones, argumentos o declaraciones escritas pertinentes en lugar de testimonio oral durante la audiencia, o bien como comentario público. Se puede acceder al Portal de Comentarios Públicos mediante el enlace disponible en la página web del Departamento correspondiente a los asuntos incluidos en el expediente www.env.nm.gov/opf/docketed-matters/. Busque en el menú desplegable del Secretario del Gabinete del Departamento de Medio Ambiente ("Environment Department Cabinet Secretary") "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". El enlace directo al Portal de Comentarios Públicos es http://nmed.commentinput.com.

Administrative Record NSR 10833_002870

El testimonio verbal no técnico o los comentarios generales del público serán aceptados durante la audiencia mientras el expediente permanezca abierto. De conformidad con la Orden Enmendada de Programación, las personas que tengan la intención de proporcionar testimonio verbal no técnico o comentarios generales del público serán juramentadas y se les permitirá presentar comentarios durante todo el primer día de la audiencia, el 14 de septiembre de 2026, así como en diversos momentos durante el desarrollo de la audiencia. Los miembros del público tendrán hasta tres (3) minutos para ofrecer testimonio verbal no técnico o comentarios generales por persona, a menos que el Funcionario de Audiencias ordene lo contrario. La audiencia se llevará a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente, 20.1.4 NMAC, los procedimientos aplicables a los Permisos de Construcción de Calidad del Aire, 20.2.72 NMAC, y otros procedimientos de audiencia aplicables.

Comparecencia:
Toda persona que desee ser parte en este procedimiento deberá presentar ante el Secretario de Audiencias, en la dirección indicada a continuación, una Comparecencia a más tardar el 24 de agosto de 2026. Una Declaración o Aviso de Intención de Presentar Testimonio Técnico presentada oportunamente y que esté completa se considerará una Comparecencia si la persona que presenta dicha declaración no ha presentado previamente una Comparecencia por separado.

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

La falta de presentación, en tiempo y forma, de una Declaración de Intención o de una Notificación de Comparecencia que cumpla sustancialmente con estos requisitos impedirá que la persona adquiera la condición de parte, pero no le impedirá presentar testimonios no técnicos —ya sean escritos u orales— ni formular comentarios de interés público general.

Declaración de Intención de Presentar Testimonio Técnico:
Toda persona que tenga la intención de presentar pruebas técnicas o testimonio técnico durante la audiencia pública deberá presentar ante el Secretario de Audiencias una Declaración o Aviso de Intención ("NOI") de Presentar Testimonio Técnico a más tardar el 24 de agosto de 2026, y deberá enviar una copia electrónica de dicho documento a todas las demás partes. El NOI deberá presentarse ante el Secretario de Audiencias en el siguiente correo electrónico:

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
Luis.lopez@env.nm.gov

Administrative Record NSR 10833_002871

La Declaración de Intención de Presentar Testimonio Técnico (NOI) deberá: (i) identificar a la persona que presenta la declaración; (ii) indicar si la persona que presenta la declaración apoya u objeta el Proyecto de Permiso, la Solicitud o la Petición; (iii) identificar a cada testigo, incluyendo su nombre, dirección, afiliación(es), y antecedentes educativos y laborales; (iv) estimar la duración del testimonio directo de cada testigo; (v) identificar todos los anexos que forman parte del Expediente Oficial y, para los anexos que no formen parte del Expediente Oficial, adjuntar una copia; (vi) enumerar o poner a disposición todos los materiales técnicos en los que se basó cada testigo al formular la declaración de hechos u opiniones técnicas contenidas en su testimonio directo; (vii) adjuntar una narrativa completa del testimonio directo de cada testigo, indicando cualquier opinión que dicho testigo ofrecerá y una explicación de la base de dichas opiniones; y (viii) cumplir con las disposiciones de la Sección 20.1.2.200 del Código Administrativo de Nuevo México (NMAC) y con la Orden Enmendada de Programación. Salvo que el Funcionario de Audiencias ordene lo contrario, las Declaraciones de Intención de Presentar Testimonio Técnico de Refutación, si las hubiera, deberán presentarse a más tardar el 3 de septiembre de 2026 y deberán cumplir con los mismos requisitos establecidos anteriormente para las NOI previas.

La falta de presentación oportuna y completa de una NOI impedirá que una persona presente las pruebas técnicas o el testimonio técnico que pretenda ofrecer. Todos los anexos deberán estar debidamente identificados para ser aceptados, incluyendo el nombre de la parte y el número del anexo en la parte superior o inferior del mismo, y deberán incluir páginas numeradas consecutivamente.

Procedimientos de la Audiencia de Permiso:
La audiencia pública, así como todas las actividades previas y posteriores a la audiencia, se llevarán a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente (20.1.4 NMAC), la Ley y las normas y reglamentos aplicables a los permisos de construcción. Los Procedimientos de Permisos pueden consultarse electrónicamente en https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 o comunicándose con el Secretario de Audiencias. Las normas sobre permisos de construcción (20.2.72 NMAC) pueden consultarse electrónicamente en: https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Aviso de No Discriminación:
El NMED no discrimina por motivos de raza, color, origen nacional, discapacidad, edad o sexo en la administración de sus programas o actividades, según lo exigen las leyes y reglamentos aplicables. El NMED es responsable de coordinar los esfuerzos de cumplimiento y de recibir consultas relacionadas con los requisitos de no discriminación implementados conforme al Título 40 del Código de Reglamentos Federales (C.F.R.), Parte 7, incluyendo el Título VI de la Ley de Derechos Civiles de 1964, según enmendada; la Sección 504 de la Ley de Rehabilitación de 1973; la Ley contra la Discriminación por Edad de 1975; el Título IX de las Enmiendas Educativas de 1972; y la Sección 13 de las Enmiendas a la Ley Federal de Control de la Contaminación del Agua de 1972. Si tiene alguna pregunta sobre este aviso o sobre cualquiera de los programas, políticas o procedimientos de no discriminación del NMED, o si considera que ha sido objeto de discriminación en relación con un programa o actividad del NMED, puede comunicarse con: Coordinador de No Discriminación, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. También puede visitar nuestro sitio web en https://www.env.nm.gov/non-employee-discrimination-complaint-page/ para obtener información sobre cómo y dónde presentar una queja por discriminación.

Notice of Hearing – English and Spanish

Administrative Record NSR 10833_002875

STATE OF NEW MEXICO
BEFORE THE SECRETARY OF ENVIRONMENT

IN THE MATTER OF:
THE APPLICATION OF YUCCA GROWTH INFRASTRUCTURE, LLC FOR AN AIR QUALITY PERMIT, NO. NSR 10883

AQB 26-57(P)

AMENDED NOTICE OF PUBLIC HEARING

The New Mexico Environment Department ("Department" or "NMED") announces a hybrid public hearing to take evidence on the application for an air quality construction permit for a facility located in Doña Ana County pursuant to the New Mexico Air Quality Control Act, NMSA 1978 Sections 74-2-1 through 74-2-17 ("Act"), and regulations within Part 20.2.72 NMAC. The permit application to be considered in this hearing pertains to the YGI Microgrid as submitted by Yucca Growth Infrastructure, LLC ("Yucca").

This Amended Notice of Public Hearing is provided pursuant to the Hearing Officer's July 29, 2026, Amended Scheduling Order and the provisions of 20.1.4.200 NMAC. Additionally, this Amended Notice of Public Hearing supersedes and serves to retract the initial the Notice of Public Hearing. The English language version of which was published in the Albuquerque Journal on July 17, 2026, and Las Cruces Sun on July 17, 2026, and the Spanish language version was published in the Las Cruces Sun on July 17, 2026, and in the Albuquerque Journal on July 18, 2026.

A copy of the Amended Scheduling Order, as well as all other filings in this matter may be obtained on the Department's website at the following location: go to https://www.env.nm.gov/opf/docketed-matters/; scroll to and select "Environment Department Cabinet Secretary"; then scroll to and select "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid."

Brief Description of Permit Application:
Yucca has submitted a New Source Review permit application No. NSR 10883 to construct the YGI Microgrid which would consist of Bloom Energy Solid Oxide Fuel Cells ("SOFC") to generate 2,462 MW to power a nearby data center. Yucca's application requests that the YGI Microgrid be permitted to operate as Title V major source under the Act and Part 20.2.72 NMAC, and that it may operate continuously (8,760 hours per year). The YGI Microgrid is a new facility that intends to be located at latitude and longitude decimal degrees: 31.8183, -106.6792 Datum: WGS 84. To aid in locating this facility, the approximate location is 3.6 miles South of Santa Teresa in Doña Ana County, NM.

An electronic version of the permit application, its revisions, the Department's Draft Permit, the Department's Statement of Basis, as well as other previous materials and notices may be reviewed on the Department's website at the following location: go to https://www.env.nm.gov/public-notices/; scroll to and select Doña Ana County; then find and select the header labeled "Yucca Growth Infrastructure, LLC — YGI Microgrid." If an individual is unable to obtain a copy of the draft permit at the above website or is seeking additional information, they may contact:

Julia Kuhn
Permits Section

Applicant Contact Information:
Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Hearing Date, Time, and Location:
The hearing will begin at 9:00 a.m. on September 14, 2026, and will be conducted on consecutive days as needed or continued upon order of the Hearing Officer. The hearing will be conducted both virtually via Webex (see the link posted online in the Department's Calendar at https://www.env.nm.gov/events-calendar/) and in person at the following physical location in Sunland Park in Doña Ana County, New Mexico: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. The hearing will have Spanish interpreters available on Webex.

Providing Non-Technical or General Public Comment:
The Hearing Officer will accept non-technical or general public comment in writing prior to the beginning of the hearing or in writing or verbally while the hearing record is open. Members of the public who wish to provide non-technical or general comment are encouraged to submit their comments in writing by using NMED's Public Comment Portal, including relevant evidence, data, views, arguments, written statements in lieu of oral testimony at the hearing, or public comment. Access the Public Comment Portal via a link on the Department's docketed matters web page www.env.nm.gov/opf/docketed-matters/. Look under the Environment Department Cabinet Secretary dropdown for "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". The direct link to the Public Comment Portal is http://nmed.commentinput.com.

Verbal non-technical testimony or general comment will be accepted at the hearing while the record is open. Pursuant to the Amended Scheduling Order individuals intending to provide non-

technical verbal testimony or general public comment will be sworn in and allowed to submit comments throughout the first day of the hearing on September 14, 2026, and at various times throughout the hearing. Members of the public will have up to three (3) minutes to offer verbal non-technical testimony or general comment per individual, unless otherwise ordered by the Hearing Officer. The hearing will be conducted in accordance with the Environment Department Permitting Procedures, 20.1.4 NMAC, the procedures in Air Quality Construction Permits, 20.2.72 NMAC, and other applicable hearing procedures.

Entry of Appearance:
Any person who wishes to be a party in this proceeding must file with the Hearing Clerk at the address below an Entry of Appearance on or before August 24, 2026. A timely and complete Statement or Notice of Intent to Present Technical Testimony shall be considered an Entry of Appearance if the person filing such statement has not previously filed a separate Entry of Appearance.

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

A person's failure to file a timely Statement of Intent or Entry of Appearance substantially complying with these requirements shall preclude the person from becoming a party but shall not preclude a person from presenting written or oral non-technical testimony or general public comments.

Statement of Intent to Present Technical Testimony:
Any person who intends to present technical evidence or technical testimony at the public hearing must file a Statement or Notice of Intent ("NOI") to Present Technical Testimony with the Hearing Clerk on or before August 24, 2026, and serve an electronic copy of the foregoing on all other parties. The NOI must be filed with the Hearing Clerk at the following email:

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
Luis.lopez@env.nm.gov

The NOI to Present Technical Testimony shall: (i) identify the person filing the statement; (ii) state whether the person filing the statement supports or opposes the Draft Permit, Application, or Petition; (iii) identify each witness, including name, address, affiliation(s), and educational and

work background; (iv) estimate the length of the direct testimony of each witness; (v) identify all exhibits which are part of the Record Proper and, for exhibits not part of the Record Proper, attach a copy; (vi) list or make available all technical materials relied upon by each witness in making the statement of technical fact or opinion contained in his or her direct testimony; (vii) attach a complete narrative of the direct testimony of each witness, stating any opinion(s) to be offered by such witness, and an explanation of the basis for such opinion(s); and (vii) comport with provisions 20.1.2.200 NMAC and the Amended Scheduling Order. Unless otherwise ordered by the Hearing Officer, NOIs to Present Rebuttal Technical Testimony, if any, shall be filed on or before September 3, 2026, and comport with the same requirements as the preceding NOIs as described above.

Failure to file a timely and complete NOI will preclude a person from presenting technical evidence or testimony sought to be offered. All exhibits must be properly marked to be accepted, including the party name and exhibit number on the top or bottom of the exhibit, and include consecutively numbered pages.

Permit Hearing Procedures:
The public hearing, as well as all pre-hearing and post-hearing activity, will be conducted in accordance with the Permit Procedures of the Environment Department (20.1.4 NMAC), the Act, and applicable construction permit rules and regulations. The Permit Procedures may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 or by contacting the Hearing Clerk. The construction permit rules (20.2.72 NMAC) may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Notice of Non-Discrimination:
NMED does not discriminate on the basis of race, color, national origin, disability, age or sex in the administration of its programs or activities, as required by applicable laws and regulations. NMED is responsible for coordination of compliance efforts and receipt of inquiries concerning non-discrimination requirements implemented by 40 C.F.R. Part 7, including Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, and Section 13 of the Federal Water Pollution Control Act Amendments of 1972. If you have any questions about this notice or any of NMED's non-discrimination programs, policies or procedures, or if you believe that you have been discriminated against with respect to a NMED program or activity, you may contact: Non-Discrimination Coordinator, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. You may also visit our website at https://www.env.nm.gov/non-employee-discrimination-complaint-page/ to learn how and where to file a complaint of discrimination.

ESTADO DE NUEVO MÉXICO
ANTE EL SECRETARIO DE MEDIO AMBIENTE

EN EL ASUNTO DE:
LA SOLICITUD DE YUCCA GROWTH INFRASTRUCTURE, LLC PARA UN PERMISO DE CALIDAD DEL AIRE, NO. NSR 10883

AQB 26-57(P)

AVISO ENMENDADO DE AUDIENCIA PÚBLICA

El Departamento de Medio Ambiente de Nuevo México ("Departamento" o "NMED") anuncia una audiencia pública híbrida para recibir pruebas sobre la solicitud de un permiso de construcción de calidad del aire para una instalación ubicada en el condado de Doña Ana, de conformidad con la Ley de Control de la Calidad del Aire de Nuevo México, NMSA 1978, Secciones 74-2-1 a 74-2-17 (la "Ley"), y los reglamentos contenidos en la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC). La solicitud de permiso que será considerada en esta audiencia corresponde al Microgrid de YGI, presentada por Yucca Growth Infrastructure, LLC ("Yucca").

Este Aviso Enmendado de Audiencia Pública se emite de conformidad con la Orden Enmendada de Programación del Funcionario de Audiencias, de fecha 29 de julio de 2026, y con las disposiciones de la Sección 20.1.4.200 del Código Administrativo de Nuevo México (NMAC). Asimismo, este Aviso Enmendado de Audiencia Pública sustituye y deja sin efecto el Aviso de Audiencia Pública inicial. La versión en inglés de dicho aviso fue publicada en el Albuquerque Journal el 17 de julio de 2026 y en el Las Cruces Sun el 17 de julio de 2026; la versión en español fue publicada en el Las Cruces Sun el 17 de julio de 2026 y en el Albuquerque Journal el 18 de julio de 2026.

Se puede obtener una copia de la Orden Enmendada de Programación, así como de todos los demás documentos presentados en este asunto, en el sitio web del Departamento, en la siguiente dirección https://www.env.nm.gov/opf/docketed-matters/; Desplácese hacia abajo y seleccione "Environment Department Cabinet Secretary"; luego desplácese hacia abajo y seleccione "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid".

Breve Descripción de la Solicitud de Permiso:
Yucca ha presentado la solicitud de permiso de Revisión de Nuevas Fuentes (New Source Review) N.º NSR 10883 para construir el YGI Microgrid, el cual estará compuesto por celdas de combustible de óxido sólido Bloom Energy (Solid Oxide Fuel Cells, "SOFC") para generar 2,462 MW de energía destinada a abastecer un centro de datos cercano. La solicitud de Yucca pide que el YGI Microgrid sea autorizado para operar como una fuente mayor del Título V, de conformidad con la Ley y la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC), y que pueda operar de manera continua (8,760 horas al año). El YGI Microgrid es una instalación nueva que se proyecta ubicar en las siguientes coordenadas geográficas (grados decimales de latitud y longitud): 31.8183, -106.6792, Datum: WGS 84. Para facilitar la ubicación de esta instalación, se

indica que estará aproximadamente a 3.6 millas al sur de Santa Teresa, en el condado de Doña Ana, Nuevo México.

Una versión electrónica de la solicitud de permiso, sus revisiones, el Proyecto de Permiso del Departamento, la Declaración de Fundamentos del Departamento, así como otros materiales y avisos previamente emitidos, puede consultarse en el sitio web del Departamento, en la siguiente dirección: https://www.env.nm.gov/public-notices/; Desplácese hacia abajo y seleccione Doña Ana County; luego busque y seleccione el encabezado titulado "Yucca Growth Infrastructure, LLC — YGI Microgrid". Si alguna persona no puede obtener una copia del proyecto de permiso en el sitio web indicado anteriormente o desea información adicional, puede comunicarse con:

Julia Kuhn

Información de Contacto del Solicitante:
Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Fecha, Hora y Lugar de la Audiencia:
La audiencia comenzará a las 9:00 a. m. del 14 de septiembre de 2026 y se llevará a cabo en días consecutivos, según sea necesario, o podrá continuarse por orden del Funcionario de Audiencias. La audiencia se celebrará de forma híbrida, tanto de manera virtual a través de Webex (consulte el enlace publicado en el calendario del Departamento en https://www.env.nm.gov/events-calendar/) y de manera presencial en el siguiente lugar físico en Sunland Park, condado de Doña Ana, Nuevo México: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. La audiencia contará con intérpretes de español disponibles a través de Webex.

Presentación de Comentarios No Técnicos o del Público en General:
El Funcionario de Audiencias aceptará comentarios no técnicos o del público en general por escrito antes del inicio de la audiencia, así como por escrito o verbalmente mientras el expediente de la audiencia permanezca abierto. Se recomienda a los miembros del público que deseen presentar comentarios no técnicos o de carácter general que los envíen por escrito mediante el Portal de Comentarios Públicos del NMED, incluyendo las pruebas, datos, opiniones, argumentos o declaraciones escritas pertinentes en lugar de testimonio oral durante la audiencia, o bien como comentario público. Se puede acceder al Portal de Comentarios Públicos mediante el enlace disponible en la página web del Departamento correspondiente a los asuntos incluidos en el expediente www.env.nm.gov/opf/docketed-matters/. Busque en el menú desplegable del Secretario del Gabinete del Departamento de Medio Ambiente ("Environment Department Cabinet Secretary") "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". El enlace directo al Portal de Comentarios Públicos es http://nmed.commentinput.com.

Administrative Record NSR 10833_002881

El testimonio verbal no técnico o los comentarios generales del público serán aceptados durante la audiencia mientras el expediente permanezca abierto. De conformidad con la Orden Enmendada de Programación, las personas que tengan la intención de proporcionar testimonio verbal no técnico o comentarios generales del público serán juramentadas y se les permitirá presentar comentarios durante todo el primer día de la audiencia, el 14 de septiembre de 2026, así como en diversos momentos durante el desarrollo de la audiencia. Los miembros del público tendrán hasta tres (3) minutos para ofrecer testimonio verbal no técnico o comentarios generales por persona, a menos que el Funcionario de Audiencias ordene lo contrario. La audiencia se llevará a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente, 20.1.4 NMAC, los procedimientos aplicables a los Permisos de Construcción de Calidad del Aire, 20.2.72 NMAC, y otros procedimientos de audiencia aplicables.

Comparecencia:
Toda persona que desee ser parte en este procedimiento deberá presentar ante el Secretario de Audiencias, en la dirección indicada a continuación, una Comparecencia a más tardar el 24 de agosto de 2026. Una Declaración o Aviso de Intención de Presentar Testimonio Técnico presentada oportunamente y que esté completa se considerará una Comparecencia si la persona que presenta dicha declaración no ha presentado previamente una Comparecencia por separado.

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

La falta de presentación, en tiempo y forma, de una Declaración de Intención o de una Notificación de Comparecencia que cumpla sustancialmente con estos requisitos impedirá que la persona adquiera la condición de parte, pero no le impedirá presentar testimonios no técnicos —ya sean escritos u orales— ni formular comentarios de interés público general.

Declaración de Intención de Presentar Testimonio Técnico:
Toda persona que tenga la intención de presentar pruebas técnicas o testimonio técnico durante la audiencia pública deberá presentar ante el Secretario de Audiencias una Declaración o Aviso de Intención ("NOI") de Presentar Testimonio Técnico a más tardar el 24 de agosto de 2026, y deberá enviar una copia electrónica de dicho documento a todas las demás partes. El NOI deberá presentarse ante el Secretario de Audiencias en el siguiente correo electrónico:

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
Luis.lopez@env.nm.gov

Administrative Record NSR 10833_002882

La Declaración de Intención de Presentar Testimonio Técnico (NOI) deberá: (i) identificar a la persona que presenta la declaración; (ii) indicar si la persona que presenta la declaración apoya u objeta el Proyecto de Permiso, la Solicitud o la Petición; (iii) identificar a cada testigo, incluyendo su nombre, dirección, afiliación(es), y antecedentes educativos y laborales; (iv) estimar la duración del testimonio directo de cada testigo; (v) identificar todos los anexos que forman parte del Expediente Oficial y, para los anexos que no formen parte del Expediente Oficial, adjuntar una copia; (vi) enumerar o poner a disposición todos los materiales técnicos en los que se basó cada testigo al formular la declaración de hechos u opiniones técnicas contenidas en su testimonio directo; (vii) adjuntar una narrativa completa del testimonio directo de cada testigo, indicando cualquier opinión que dicho testigo ofrecerá y una explicación de la base de dichas opiniones; y (viii) cumplir con las disposiciones de la Sección 20.1.2.200 del Código Administrativo de Nuevo México (NMAC) y con la Orden Enmendada de Programación. Salvo que el Funcionario de Audiencias ordene lo contrario, las Declaraciones de Intención de Presentar Testimonio Técnico de Refutación, si las hubiera, deberán presentarse a más tardar el 3 de septiembre de 2026 y deberán cumplir con los mismos requisitos establecidos anteriormente para las NOI previas.

La falta de presentación oportuna y completa de una NOI impedirá que una persona presente las pruebas técnicas o el testimonio técnico que pretenda ofrecer. Todos los anexos deberán estar debidamente identificados para ser aceptados, incluyendo el nombre de la parte y el número del anexo en la parte superior o inferior del mismo, y deberán incluir páginas numeradas consecutivamente.

Procedimientos de la Audiencia de Permiso:
La audiencia pública, así como todas las actividades previas y posteriores a la audiencia, se llevarán a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente (20.1.4 NMAC), la Ley y las normas y reglamentos aplicables a los permisos de construcción. Los Procedimientos de Permisos pueden consultarse electrónicamente en https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 o comunicándose con el Secretario de Audiencias. Las normas sobre permisos de construcción (20.2.72 NMAC) pueden consultarse electrónicamente en: https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Aviso de No Discriminación:
El NMED no discrimina por motivos de raza, color, origen nacional, discapacidad, edad o sexo en la administración de sus programas o actividades, según lo exigen las leyes y reglamentos aplicables. El NMED es responsable de coordinar los esfuerzos de cumplimiento y de recibir consultas relacionadas con los requisitos de no discriminación implementados conforme al Título 40 del Código de Reglamentos Federales (C.F.R.), Parte 7, incluyendo el Título VI de la Ley de Derechos Civiles de 1964, según enmendada; la Sección 504 de la Ley de Rehabilitación de 1973; la Ley contra la Discriminación por Edad de 1975; el Título IX de las Enmiendas Educativas de 1972; y la Sección 13 de las Enmiendas a la Ley Federal de Control de la Contaminación del Agua de 1972. Si tiene alguna pregunta sobre este aviso o sobre cualquiera de los programas, políticas o procedimientos de no discriminación del NMED, o si considera que ha sido objeto de discriminación en relación con un programa o actividad del NMED, puede comunicarse con: Coordinador de No Discriminación, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. También puede visitar nuestro sitio web en https://www.env.nm.gov/non-employee-discrimination-complaint-page/ para obtener información sobre cómo y dónde presentar una queja por discriminación.

BEFORE THE SECRETARY OF ENVIRONMENT

IN THE MATTER OF:
THE APPLICATION OF YUCCA GROWTH INFRASTRUCTURE, LLC FOR AN AIR QUALITY PERMIT, NO. NSR 10883

AQB 26-57(P)

AMENDED NOTICE OF PUBLIC HEARING

The New Mexico Environment Department ("Department" or "NMED") announces a hybrid public hearing to take evidence on the application for an air quality construction permit for a facility located in Doña Ana County pursuant to the New Mexico Air Quality Control Act, NMSA 1978 Sections 74-2-1 through 74-2-17 ("Act"), and regulations within Part 20.2.72 NMAC. The permit application to be considered in this hearing pertains to the YGI Microgrid as submitted by Yucca Growth Infrastructure, LLC ("Yucca").

This Amended Notice of Public Hearing is provided pursuant to the Hearing Officer's July 29, 2026, Amended Scheduling Order and the provisions of 20.1.4.200 NMAC. Additionally, this Amended Notice of Public Hearing supersedes and serves to retract the initial the Notice of Public Hearing. The English language version of which was published in the Albuquerque Journal on July 17, 2026, and Las Cruces Sun on July 17, 2026, and the Spanish language version was published in the Las Cruces Sun on July 17, 2026, and in the Albuquerque Journal on July 18, 2026.

A copy of the Amended Scheduling Order, as well as all other filings in this matter may be obtained on the Department's website at the following location: go to https://www.env.nm.gov/opf/docketed-matters/; scroll to and select "Environment Department Cabinet Secretary"; then scroll to and select "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid."

Brief Description of Permit Application:
Yucca has submitted a New Source Review permit application No. NSR 10883 to construct the YGI Microgrid which would consist of Bloom Energy Solid Oxide Fuel Cells ("SOFC") to generate 2,462 MW to power a nearby data center. Yucca's application requests that the YGI Microgrid be permitted to operate as Title V major source under the Act and Part 20.2.72 NMAC, and that it may operate continuously (8,760 hours per year). The YGI Microgrid is a new facility that intends to be located at latitude and longitude decimal degrees: 31.8183, -106.6792 Datum: WGS 84. To aid in locating this facility, the approximate location is 3.6 miles South of Santa Teresa in Doña Ana County, NM.

An electronic version of the permit application, its revisions, the Department's Draft Permit, the Department's Statement of Basis, as well as other previous materials and notices may be reviewed on the Department's website at the following location: go to https://www.env.nm.gov/public-notices/; scroll to and select Doña Ana County; then find and select the header labeled "Yucca Growth Infrastructure, LLC — YGI Microgrid." If an individual is unable to obtain a copy of the draft permit at the above website or is seeking additional information, they may contact:

Julia Kuhn
Permits Section
Air Quality Bureau
New Mexico Environment Department
525 Camino de los Marquez, Suite 1A
Santa Fe, New Mexico 87505-1816
(505) 476-4300

Applicant Contact Information:
Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Hearing Date, Time, and Location:
The hearing will begin at 9:00 a.m. on September 14, 2026, and will be conducted on consecutive days as needed or continued upon order of the Hearing Officer. The hearing will be conducted both virtually via Webex (see the link posted online in the Department's Calendar at https://www.env.nm.gov/events-calendar/) and in person at the following physical location in Sunland Park in Doña Ana County, New Mexico: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. The hearing will have Spanish interpreters available on Webex.

Providing Non-Technical or General Public Comment:
The Hearing Officer will accept non-technical or general public comment in writing prior to the beginning of the hearing or in writing or verbally while the hearing record is open. Members of the public who wish to provide non-technical or general comment are encouraged to submit their comments in writing by using NMED's Public Comment Portal, including relevant evidence, data, views, arguments, written statements in lieu of oral testimony at the hearing, or public comment. Access the Public Comment Portal via a link on the Department's docketed matters web page www.env.nm.gov/opf/docketed-matters/. Look under the Environment Department Cabinet Secretary dropdown for "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". The direct link to the Public Comment Portal is http://nmed.commentinput.com.

Verbal non-technical testimony or general comment will be accepted at the hearing while the record is open. Pursuant to the Amended Scheduling Order individuals intending to provide non-

technical verbal testimony or general public comment will be sworn in and allowed to submit comments throughout the first day of the hearing on September 14, 2026, and at various times throughout the hearing. Members of the public will have up to three (3) minutes to offer verbal non-technical testimony or general comment per individual, unless otherwise ordered by the Hearing Officer. The hearing will be conducted in accordance with the Environment Department Permitting Procedures, 20.1.4 NMAC, the procedures in Air Quality Construction Permits, 20.2.72 NMAC, and other applicable hearing procedures.

Entry of Appearance:
Any person who wishes to be a party in this proceeding must file with the Hearing Clerk at the address below an Entry of Appearance on or before August 24, 2026. A timely and complete Statement or Notice of Intent to Present Technical Testimony shall be considered an Entry of Appearance if the person filing such statement has not previously filed a separate Entry of Appearance.

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

A person's failure to file a timely Statement of Intent or Entry of Appearance substantially complying with these requirements shall preclude the person from becoming a party but shall not preclude a person from presenting written or oral non-technical testimony or general public comments.

Statement of Intent to Present Technical Testimony:
Any person who intends to present technical evidence or technical testimony at the public hearing must file a Statement or Notice of Intent ("NOI") to Present Technical Testimony with the Hearing Clerk on or before August 24, 2026, and serve an electronic copy of the foregoing on all other parties. The NOI must be filed with the Hearing Clerk at the following email:

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
Luis.lopez@env.nm.gov

The NOI to Present Technical Testimony shall: (i) identify the person filing the statement; (ii) state whether the person filing the statement supports or opposes the Draft Permit, Application, or Petition; (iii) identify each witness, including name, address, affiliation(s), and educational and

work background; (iv) estimate the length of the direct testimony of each witness; (v) identify all exhibits which are part of the Record Proper and, for exhibits not part of the Record Proper, attach a copy; (vi) list or make available all technical materials relied upon by each witness in making the statement of technical fact or opinion contained in his or her direct testimony; (vii) attach a complete narrative of the direct testimony of each witness, stating any opinion(s) to be offered by such witness, and an explanation of the basis for such opinion(s); and (vii) comport with provisions 20.1.2.200 NMAC and the Amended Scheduling Order. Unless otherwise ordered by the Hearing Officer, NOIs to Present Rebuttal Technical Testimony, if any, shall be filed on or before September 3, 2026, and comport with the same requirements as the preceding NOIs as described above.

Failure to file a timely and complete NOI will preclude a person from presenting technical evidence or testimony sought to be offered. All exhibits must be properly marked to be accepted, including the party name and exhibit number on the top or bottom of the exhibit, and include consecutively numbered pages.

Permit Hearing Procedures:
The public hearing, as well as all pre-hearing and post-hearing activity, will be conducted in accordance with the Permit Procedures of the Environment Department (20.1.4 NMAC), the Act, and applicable construction permit rules and regulations. The Permit Procedures may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 or by contacting the Hearing Clerk. The construction permit rules (20.2.72 NMAC) may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Notice of Non-Discrimination:
NMED does not discriminate on the basis of race, color, national origin, disability, age or sex in the administration of its programs or activities, as required by applicable laws and regulations. NMED is responsible for coordination of compliance efforts and receipt of inquiries concerning non-discrimination requirements implemented by 40 C.F.R. Part 7, including Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, and Section 13 of the Federal Water Pollution Control Act Amendments of 1972. If you have any questions about this notice or any of NMED's non-discrimination programs, policies or procedures, or if you believe that you have been discriminated against with respect to a NMED program or activity, you may contact: Non-Discrimination Coordinator, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. You may also visit our website at https://www.env.nm.gov/non-employee-discrimination-complaint-page/ to learn how and where to file a complaint of discrimination.

ESTADO DE NUEVO MÉXICO
ANTE EL SECRETARIO DE MEDIO AMBIENTE

EN EL ASUNTO DE:
LA SOLICITUD DE YUCCA GROWTH INFRASTRUCTURE, LLC PARA UN PERMISO DE CALIDAD DEL AIRE, NO. NSR 10883

AQB 26-57(P)

AVISO ENMENDADO DE AUDIENCIA PÚBLICA

El Departamento de Medio Ambiente de Nuevo México ("Departamento" o "NMED") anuncia una audiencia pública híbrida para recibir pruebas sobre la solicitud de un permiso de construcción de calidad del aire para una instalación ubicada en el condado de Doña Ana, de conformidad con la Ley de Control de la Calidad del Aire de Nuevo México, NMSA 1978, Secciones 74-2-1 a 74-2-17 (la "Ley"), y los reglamentos contenidos en la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC). La solicitud de permiso que será considerada en esta audiencia corresponde al Microgrid de YGI, presentada por Yucca Growth Infrastructure, LLC ("Yucca").

Este Aviso Enmendado de Audiencia Pública se emite de conformidad con la Orden Enmendada de Programación del Funcionario de Audiencias, de fecha 29 de julio de 2026, y con las disposiciones de la Sección 20.1.4.200 del Código Administrativo de Nuevo México (NMAC). Asimismo, este Aviso Enmendado de Audiencia Pública sustituye y deja sin efecto el Aviso de Audiencia Pública inicial. La versión en inglés de dicho aviso fue publicada en el Albuquerque Journal el 17 de julio de 2026 y en el Las Cruces Sun el 17 de julio de 2026; la versión en español fue publicada en el Las Cruces Sun el 17 de julio de 2026 y en el Albuquerque Journal el 18 de julio de 2026.

Se puede obtener una copia de la Orden Enmendada de Programación, así como de todos los demás documentos presentados en este asunto, en el sitio web del Departamento, en la siguiente dirección https://www.env.nm.gov/opf/docketed-matters/; Desplácese hacia abajo y seleccione "Environment Department Cabinet Secretary"; luego desplácese hacia abajo y seleccione "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid".

Breve Descripción de la Solicitud de Permiso:
Yucca ha presentado la solicitud de permiso de Revisión de Nuevas Fuentes (New Source Review) N.º NSR 10883 para construir el YGI Microgrid, el cual estará compuesto por celdas de combustible de óxido sólido Bloom Energy (Solid Oxide Fuel Cells, "SOFC") para generar 2,462 MW de energía destinada a abastecer un centro de datos cercano. La solicitud de Yucca pide que el YGI Microgrid sea autorizado para operar como una fuente mayor del Título V, de conformidad con la Ley y la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC), y que pueda operar de manera continua (8,760 horas al año). El YGI Microgrid es una instalación nueva que se proyecta ubicar en las siguientes coordenadas geográficas (grados decimales de latitud y longitud): 31.8183, -106.6792, Datum: WGS 84. Para facilitar la ubicación de esta instalación, se

indica que estará aproximadamente a 3.6 millas al sur de Santa Teresa, en el condado de Doña Ana, Nuevo México.

Una versión electrónica de la solicitud de permiso, sus revisiones, el Proyecto de Permiso del Departamento, la Declaración de Fundamentos del Departamento, así como otros materiales y avisos previamente emitidos, puede consultarse en el sitio web del Departamento, en la siguiente dirección: https://www.env.nm.gov/public-notices/; Desplácese hacia abajo y seleccione Doña Ana County; luego busque y seleccione el encabezado titulado "Yucca Growth Infrastructure, LLC — YGI Microgrid". Si alguna persona no puede obtener una copia del proyecto de permiso en el sitio web indicado anteriormente o desea información adicional, puede comunicarse con:

Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Fecha, Hora y Lugar de la Audiencia:
La audiencia comenzará a las 9:00 a. m. del 14 de septiembre de 2026 y se llevará a cabo en días consecutivos, según sea necesario, o podrá continuarse por orden del Funcionario de Audiencias. La audiencia se celebrará de forma híbrida, tanto de manera virtual a través de Webex (consulte el enlace publicado en el calendario del Departamento en https://www.env.nm.gov/events-calendar/) y de manera presencial en el siguiente lugar físico en Sunland Park, condado de Doña Ana, Nuevo México: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. La audiencia contará con intérpretes de español disponibles a través de Webex.

Presentación de Comentarios No Técnicos o del Público en General:
El Funcionario de Audiencias aceptará comentarios no técnicos o del público en general por escrito antes del inicio de la audiencia, así como por escrito o verbalmente mientras el expediente de la audiencia permanezca abierto. Se recomienda a los miembros del público que deseen presentar comentarios no técnicos o de carácter general que los envíen por escrito mediante el Portal de Comentarios Públicos del NMED, incluyendo las pruebas, datos, opiniones, argumentos o declaraciones escritas pertinentes en lugar de testimonio oral durante la audiencia, o bien como comentario público. Se puede acceder al Portal de Comentarios Públicos mediante el enlace disponible en la página web del Departamento correspondiente a los asuntos incluidos en el expediente www.env.nm.gov/opf/docketed-matters/. Busque en el menú desplegable del Secretario del Gabinete del Departamento de Medio Ambiente ("Environment Department Cabinet Secretary") "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". El enlace directo al Portal de Comentarios Públicos es http://nmed.commentinput.com.

Administrative Record NSR 10833_002892

El testimonio verbal no técnico o los comentarios generales del público serán aceptados durante la audiencia mientras el expediente permanezca abierto. De conformidad con la Orden Enmendada de Programación, las personas que tengan la intención de proporcionar testimonio verbal no técnico o comentarios generales del público serán juramentadas y se les permitirá presentar comentarios durante todo el primer día de la audiencia, el 14 de septiembre de 2026, así como en diversos momentos durante el desarrollo de la audiencia. Los miembros del público tendrán hasta tres (3) minutos para ofrecer testimonio verbal no técnico o comentarios generales por persona, a menos que el Funcionario de Audiencias ordene lo contrario. La audiencia se llevará a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente, 20.1.4 NMAC, los procedimientos aplicables a los Permisos de Construcción de Calidad del Aire, 20.2.72 NMAC, y otros procedimientos de audiencia aplicables.

Comparecencia:
Toda persona que desee ser parte en este procedimiento deberá presentar ante el Secretario de Audiencias, en la dirección indicada a continuación, una Comparecencia a más tardar el 24 de agosto de 2026. Una Declaración o Aviso de Intención de Presentar Testimonio Técnico presentada oportunamente y que esté completa se considerará una Comparecencia si la persona que presenta dicha declaración no ha presentado previamente una Comparecencia por separado.

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

La falta de presentación, en tiempo y forma, de una Declaración de Intención o de una Notificación de Comparecencia que cumpla sustancialmente con estos requisitos impedirá que la persona adquiera la condición de parte, pero no le impedirá presentar testimonios no técnicos —ya sean escritos u orales— ni formular comentarios de interés público general.

Declaración de Intención de Presentar Testimonio Técnico:
Toda persona que tenga la intención de presentar pruebas técnicas o testimonio técnico durante la audiencia pública deberá presentar ante el Secretario de Audiencias una Declaración o Aviso de Intención ("NOI") de Presentar Testimonio Técnico a más tardar el 24 de agosto de 2026, y deberá enviar una copia electrónica de dicho documento a todas las demás partes. El NOI deberá presentarse ante el Secretario de Audiencias en el siguiente correo electrónico:

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
Luis.lopez@env.nm.gov

Administrative Record NSR 10833_002893

La Declaración de Intención de Presentar Testimonio Técnico (NOI) deberá: (i) identificar a la persona que presenta la declaración; (ii) indicar si la persona que presenta la declaración apoya u objeta el Proyecto de Permiso, la Solicitud o la Petición; (iii) identificar a cada testigo, incluyendo su nombre, dirección, afiliación(es), y antecedentes educativos y laborales; (iv) estimar la duración del testimonio directo de cada testigo; (v) identificar todos los anexos que forman parte del Expediente Oficial y, para los anexos que no formen parte del Expediente Oficial, adjuntar una copia; (vi) enumerar o poner a disposición todos los materiales técnicos en los que se basó cada testigo al formular la declaración de hechos u opiniones técnicas contenidas en su testimonio directo; (vii) adjuntar una narrativa completa del testimonio directo de cada testigo, indicando cualquier opinión que dicho testigo ofrecerá y una explicación de la base de dichas opiniones; y (viii) cumplir con las disposiciones de la Sección 20.1.2.200 del Código Administrativo de Nuevo México (NMAC) y con la Orden Enmendada de Programación. Salvo que el Funcionario de Audiencias ordene lo contrario, las Declaraciones de Intención de Presentar Testimonio Técnico de Refutación, si las hubiera, deberán presentarse a más tardar el 3 de septiembre de 2026 y deberán cumplir con los mismos requisitos establecidos anteriormente para las NOI previas.

La falta de presentación oportuna y completa de una NOI impedirá que una persona presente las pruebas técnicas o el testimonio técnico que pretenda ofrecer. Todos los anexos deberán estar debidamente identificados para ser aceptados, incluyendo el nombre de la parte y el número del anexo en la parte superior o inferior del mismo, y deberán incluir páginas numeradas consecutivamente.

Procedimientos de la Audiencia de Permiso:
La audiencia pública, así como todas las actividades previas y posteriores a la audiencia, se llevarán a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente (20.1.4 NMAC), la Ley y las normas y reglamentos aplicables a los permisos de construcción. Los Procedimientos de Permisos pueden consultarse electrónicamente en https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 o comunicándose con el Secretario de Audiencias. Las normas sobre permisos de construcción (20.2.72 NMAC) pueden consultarse electrónicamente en: https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Aviso de No Discriminación:
El NMED no discrimina por motivos de raza, color, origen nacional, discapacidad, edad o sexo en la administración de sus programas o actividades, según lo exigen las leyes y reglamentos aplicables. El NMED es responsable de coordinar los esfuerzos de cumplimiento y de recibir consultas relacionadas con los requisitos de no discriminación implementados conforme al Título 40 del Código de Reglamentos Federales (C.F.R.), Parte 7, incluyendo el Título VI de la Ley de Derechos Civiles de 1964, según enmendada; la Sección 504 de la Ley de Rehabilitación de 1973; la Ley contra la Discriminación por Edad de 1975; el Título IX de las Enmiendas Educativas de 1972; y la Sección 13 de las Enmiendas a la Ley Federal de Control de la Contaminación del Agua de 1972. Si tiene alguna pregunta sobre este aviso o sobre cualquiera de los programas, políticas o procedimientos de no discriminación del NMED, o si considera que ha sido objeto de discriminación en relación con un programa o actividad del NMED, puede comunicarse con: Coordinador de No Discriminación, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. También puede visitar nuestro sitio web en https://www.env.nm.gov/non-employee-discrimination-complaint-page/ para obtener información sobre cómo y dónde presentar una queja por discriminación.

Notice of Hearing – English and Spanish

Administrative Record NSR 10833_002897

STATE OF NEW MEXICO
BEFORE THE SECRETARY OF ENVIRONMENT

IN THE MATTER OF:
THE APPLICATION OF YUCCA GROWTH INFRASTRUCTURE, LLC FOR AN AIR QUALITY PERMIT, NO. NSR 10883

AQB 26-57(P)

AMENDED NOTICE OF PUBLIC HEARING

The New Mexico Environment Department ("Department" or "NMED") announces a hybrid public hearing to take evidence on the application for an air quality construction permit for a facility located in Doña Ana County pursuant to the New Mexico Air Quality Control Act, NMSA 1978 Sections 74-2-1 through 74-2-17 ("Act"), and regulations within Part 20.2.72 NMAC. The permit application to be considered in this hearing pertains to the YGI Microgrid as submitted by Yucca Growth Infrastructure, LLC ("Yucca").

This Amended Notice of Public Hearing is provided pursuant to the Hearing Officer's July 29, 2026, Amended Scheduling Order and the provisions of 20.1.4.200 NMAC. Additionally, this Amended Notice of Public Hearing supersedes and serves to retract the initial the Notice of Public Hearing. The English language version of which was published in the Albuquerque Journal on July 17, 2026, and Las Cruces Sun on July 17, 2026, and the Spanish language version was published in the Las Cruces Sun on July 17, 2026, and in the Albuquerque Journal on July 18, 2026.

A copy of the Amended Scheduling Order, as well as all other filings in this matter may be obtained on the Department's website at the following location: go to https://www.env.nm.gov/opf/docketed-matters/; scroll to and select "Environment Department Cabinet Secretary"; then scroll to and select "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid."

Brief Description of Permit Application:
Yucca has submitted a New Source Review permit application No. NSR 10883 to construct the YGI Microgrid which would consist of Bloom Energy Solid Oxide Fuel Cells ("SOFC") to generate 2,462 MW to power a nearby data center. Yucca's application requests that the YGI Microgrid be permitted to operate as Title V major source under the Act and Part 20.2.72 NMAC, and that it may operate continuously (8,760 hours per year). The YGI Microgrid is a new facility that intends to be located at latitude and longitude decimal degrees: 31.8183, -106.6792 Datum: WGS 84. To aid in locating this facility, the approximate location is 3.6 miles South of Santa Teresa in Doña Ana County, NM.

An electronic version of the permit application, its revisions, the Department's Draft Permit, the Department's Statement of Basis, as well as other previous materials and notices may be reviewed on the Department's website at the following location: go to https://www.env.nm.gov/public-notices/; scroll to and select Doña Ana County; then find and select the header labeled "Yucca Growth Infrastructure, LLC — YGI Microgrid." If an individual is unable to obtain a copy of the draft permit at the above website or is seeking additional information, they may contact:

Applicant Contact Information:
Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Hearing Date, Time, and Location:
The hearing will begin at 9:00 a.m. on September 14, 2026, and will be conducted on consecutive days as needed or continued upon order of the Hearing Officer. The hearing will be conducted both virtually via Webex (see the link posted online in the Department's Calendar at https://www.env.nm.gov/events-calendar/) and in person at the following physical location in Sunland Park in Doña Ana County, New Mexico: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. The hearing will have Spanish interpreters available on Webex.

Providing Non-Technical or General Public Comment:
The Hearing Officer will accept non-technical or general public comment in writing prior to the beginning of the hearing or in writing or verbally while the hearing record is open. Members of the public who wish to provide non-technical or general comment are encouraged to submit their comments in writing by using NMED's Public Comment Portal, including relevant evidence, data, views, arguments, written statements in lieu of oral testimony at the hearing, or public comment. Access the Public Comment Portal via a link on the Department's docketed matters web page www.env.nm.gov/opf/docketed-matters/. Look under the Environment Department Cabinet Secretary dropdown for "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". The direct link to the Public Comment Portal is http://nmed.commentinput.com.

Verbal non-technical testimony or general comment will be accepted at the hearing while the record is open. Pursuant to the Amended Scheduling Order individuals intending to provide non-

technical verbal testimony or general public comment will be sworn in and allowed to submit comments throughout the first day of the hearing on September 14, 2026, and at various times throughout the hearing. Members of the public will have up to three (3) minutes to offer verbal non-technical testimony or general comment per individual, unless otherwise ordered by the Hearing Officer. The hearing will be conducted in accordance with the Environment Department Permitting Procedures, 20.1.4 NMAC, the procedures in Air Quality Construction Permits, 20.2.72 NMAC, and other applicable hearing procedures.

Entry of Appearance:
Any person who wishes to be a party in this proceeding must file with the Hearing Clerk at the address below an Entry of Appearance on or before August 24, 2026. A timely and complete Statement or Notice of Intent to Present Technical Testimony shall be considered an Entry of Appearance if the person filing such statement has not previously filed a separate Entry of Appearance.

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

A person's failure to file a timely Statement of Intent or Entry of Appearance substantially complying with these requirements shall preclude the person from becoming a party but shall not preclude a person from presenting written or oral non-technical testimony or general public comments.

Statement of Intent to Present Technical Testimony:
Any person who intends to present technical evidence or technical testimony at the public hearing must file a Statement or Notice of Intent ("NOI") to Present Technical Testimony with the Hearing Clerk on or before August 24, 2026, and serve an electronic copy of the foregoing on all other parties. The NOI must be filed with the Hearing Clerk at the following email:

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
Luis.lopez@env.nm.gov

The NOI to Present Technical Testimony shall: (i) identify the person filing the statement; (ii) state whether the person filing the statement supports or opposes the Draft Permit, Application, or Petition; (iii) identify each witness, including name, address, affiliation(s), and educational and

work background; (iv) estimate the length of the direct testimony of each witness; (v) identify all exhibits which are part of the Record Proper and, for exhibits not part of the Record Proper, attach a copy; (vi) list or make available all technical materials relied upon by each witness in making the statement of technical fact or opinion contained in his or her direct testimony; (vii) attach a complete narrative of the direct testimony of each witness, stating any opinion(s) to be offered by such witness, and an explanation of the basis for such opinion(s); and (vii) comport with provisions 20.1.2.200 NMAC and the Amended Scheduling Order. Unless otherwise ordered by the Hearing Officer, NOIs to Present Rebuttal Technical Testimony, if any, shall be filed on or before September 3, 2026, and comport with the same requirements as the preceding NOIs as described above.

Failure to file a timely and complete NOI will preclude a person from presenting technical evidence or testimony sought to be offered. All exhibits must be properly marked to be accepted, including the party name and exhibit number on the top or bottom of the exhibit, and include consecutively numbered pages.

Permit Hearing Procedures:
The public hearing, as well as all pre-hearing and post-hearing activity, will be conducted in accordance with the Permit Procedures of the Environment Department (20.1.4 NMAC), the Act, and applicable construction permit rules and regulations. The Permit Procedures may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 or by contacting the Hearing Clerk. The construction permit rules (20.2.72 NMAC) may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Notice of Non-Discrimination:
NMED does not discriminate on the basis of race, color, national origin, disability, age or sex in the administration of its programs or activities, as required by applicable laws and regulations. NMED is responsible for coordination of compliance efforts and receipt of inquiries concerning non-discrimination requirements implemented by 40 C.F.R. Part 7, including Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, and Section 13 of the Federal Water Pollution Control Act Amendments of 1972. If you have any questions about this notice or any of NMED's non-discrimination programs, policies or procedures, or if you believe that you have been discriminated against with respect to a NMED program or activity, you may contact: Non-Discrimination Coordinator, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. You may also visit our website at https://www.env.nm.gov/non-employee-discrimination-complaint-page/ to learn how and where to file a complaint of discrimination.

ESTADO DE NUEVO MÉXICO
ANTE EL SECRETARIO DE MEDIO AMBIENTE

EN EL ASUNTO DE:
LA SOLICITUD DE YUCCA GROWTH INFRASTRUCTURE, LLC PARA UN PERMISO DE CALIDAD DEL AIRE, NO. NSR 10883

AQB 26-57(P)

AVISO ENMENDADO DE AUDIENCIA PÚBLICA

El Departamento de Medio Ambiente de Nuevo México ("Departamento" o "NMED") anuncia una audiencia pública híbrida para recibir pruebas sobre la solicitud de un permiso de construcción de calidad del aire para una instalación ubicada en el condado de Doña Ana, de conformidad con la Ley de Control de la Calidad del Aire de Nuevo México, NMSA 1978, Secciones 74-2-1 a 74-2-17 (la "Ley"), y los reglamentos contenidos en la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC). La solicitud de permiso que será considerada en esta audiencia corresponde al Microgrid de YGI, presentada por Yucca Growth Infrastructure, LLC ("Yucca").

Este Aviso Enmendado de Audiencia Pública se emite de conformidad con la Orden Enmendada de Programación del Funcionario de Audiencias, de fecha 29 de julio de 2026, y con las disposiciones de la Sección 20.1.4.200 del Código Administrativo de Nuevo México (NMAC). Asimismo, este Aviso Enmendado de Audiencia Pública sustituye y deja sin efecto el Aviso de Audiencia Pública inicial. La versión en inglés de dicho aviso fue publicada en el Albuquerque Journal el 17 de julio de 2026 y en el Las Cruces Sun el 17 de julio de 2026; la versión en español fue publicada en el Las Cruces Sun el 17 de julio de 2026 y en el Albuquerque Journal el 18 de julio de 2026.

Se puede obtener una copia de la Orden Enmendada de Programación, así como de todos los demás documentos presentados en este asunto, en el sitio web del Departamento, en la siguiente dirección https://www.env.nm.gov/opf/docketed-matters/; Desplácese hacia abajo y seleccione "Environment Department Cabinet Secretary"; luego desplácese hacia abajo y seleccione "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid".

Breve Descripción de la Solicitud de Permiso:
Yucca ha presentado la solicitud de permiso de Revisión de Nuevas Fuentes (New Source Review) N.º NSR 10883 para construir el YGI Microgrid, el cual estará compuesto por celdas de combustible de óxido sólido Bloom Energy (Solid Oxide Fuel Cells, "SOFC") para generar 2,462 MW de energía destinada a abastecer un centro de datos cercano. La solicitud de Yucca pide que el YGI Microgrid sea autorizado para operar como una fuente mayor del Título V, de conformidad con la Ley y la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC), y que pueda operar de manera continua (8,760 horas al año). El YGI Microgrid es una instalación nueva que se proyecta ubicar en las siguientes coordenadas geográficas (grados decimales de latitud y longitud): 31.8183, -106.6792, Datum: WGS 84. Para facilitar la ubicación de esta instalación, se

indica que estará aproximadamente a 3.6 millas al sur de Santa Teresa, en el condado de Doña Ana, Nuevo México.

Una versión electrónica de la solicitud de permiso, sus revisiones, el Proyecto de Permiso del Departamento, la Declaración de Fundamentos del Departamento, así como otros materiales y avisos previamente emitidos, puede consultarse en el sitio web del Departamento, en la siguiente dirección: https://www.env.nm.gov/public-notices/; Desplácese hacia abajo y seleccione Doña Ana County; luego busque y seleccione el encabezado titulado "Yucca Growth Infrastructure, LLC — YGI Microgrid". Si alguna persona no puede obtener una copia del proyecto de permiso en el sitio web indicado anteriormente o desea información adicional, puede comunicarse con:

600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Fecha, Hora y Lugar de la Audiencia:
La audiencia comenzará a las 9:00 a. m. del 14 de septiembre de 2026 y se llevará a cabo en días consecutivos, según sea necesario, o podrá continuarse por orden del Funcionario de Audiencias. La audiencia se celebrará de forma híbrida, tanto de manera virtual a través de Webex (consulte el enlace publicado en el calendario del Departamento en https://www.env.nm.gov/events-calendar/) y de manera presencial en el siguiente lugar físico en Sunland Park, condado de Doña Ana, Nuevo México: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. La audiencia contará con intérpretes de español disponibles a través de Webex.

Presentación de Comentarios No Técnicos o del Público en General:
El Funcionario de Audiencias aceptará comentarios no técnicos o del público en general por escrito antes del inicio de la audiencia, así como por escrito o verbalmente mientras el expediente de la audiencia permanezca abierto. Se recomienda a los miembros del público que deseen presentar comentarios no técnicos o de carácter general que los envíen por escrito mediante el Portal de Comentarios Públicos del NMED, incluyendo las pruebas, datos, opiniones, argumentos o declaraciones escritas pertinentes en lugar de testimonio oral durante la audiencia, o bien como comentario público. Se puede acceder al Portal de Comentarios Públicos mediante el enlace disponible en la página web del Departamento correspondiente a los asuntos incluidos en el expediente www.env.nm.gov/opf/docketed-matters/. Busque en el menú desplegable del Secretario del Gabinete del Departamento de Medio Ambiente ("Environment Department Cabinet Secretary") "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". El enlace directo al Portal de Comentarios Públicos es http://nmed.commentinput.com.

Administrative Record NSR 10833_002903

El testimonio verbal no técnico o los comentarios generales del público serán aceptados durante la audiencia mientras el expediente permanezca abierto. De conformidad con la Orden Enmendada de Programación, las personas que tengan la intención de proporcionar testimonio verbal no técnico o comentarios generales del público serán juramentadas y se les permitirá presentar comentarios durante todo el primer día de la audiencia, el 14 de septiembre de 2026, así como en diversos momentos durante el desarrollo de la audiencia. Los miembros del público tendrán hasta tres (3) minutos para ofrecer testimonio verbal no técnico o comentarios generales por persona, a menos que el Funcionario de Audiencias ordene lo contrario. La audiencia se llevará a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente, 20.1.4 NMAC, los procedimientos aplicables a los Permisos de Construcción de Calidad del Aire, 20.2.72 NMAC, y otros procedimientos de audiencia aplicables.

Comparecencia:
Toda persona que desee ser parte en este procedimiento deberá presentar ante el Secretario de Audiencias, en la dirección indicada a continuación, una Comparecencia a más tardar el 24 de agosto de 2026. Una Declaración o Aviso de Intención de Presentar Testimonio Técnico presentada oportunamente y que esté completa se considerará una Comparecencia si la persona que presenta dicha declaración no ha presentado previamente una Comparecencia por separado.

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

La falta de presentación, en tiempo y forma, de una Declaración de Intención o de una Notificación de Comparecencia que cumpla sustancialmente con estos requisitos impedirá que la persona adquiera la condición de parte, pero no le impedirá presentar testimonios no técnicos —ya sean escritos u orales— ni formular comentarios de interés público general.

Declaración de Intención de Presentar Testimonio Técnico:
Toda persona que tenga la intención de presentar pruebas técnicas o testimonio técnico durante la audiencia pública deberá presentar ante el Secretario de Audiencias una Declaración o Aviso de Intención ("NOI") de Presentar Testimonio Técnico a más tardar el 24 de agosto de 2026, y deberá enviar una copia electrónica de dicho documento a todas las demás partes. El NOI deberá presentarse ante el Secretario de Audiencias en el siguiente correo electrónico:

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
Luis.lopez@env.nm.gov

Administrative Record NSR 10833_002904

La Declaración de Intención de Presentar Testimonio Técnico (NOI) deberá: (i) identificar a la persona que presenta la declaración; (ii) indicar si la persona que presenta la declaración apoya u objeta el Proyecto de Permiso, la Solicitud o la Petición; (iii) identificar a cada testigo, incluyendo su nombre, dirección, afiliación(es), y antecedentes educativos y laborales; (iv) estimar la duración del testimonio directo de cada testigo; (v) identificar todos los anexos que forman parte del Expediente Oficial y, para los anexos que no formen parte del Expediente Oficial, adjuntar una copia; (vi) enumerar o poner a disposición todos los materiales técnicos en los que se basó cada testigo al formular la declaración de hechos u opiniones técnicas contenidas en su testimonio directo; (vii) adjuntar una narrativa completa del testimonio directo de cada testigo, indicando cualquier opinión que dicho testigo ofrecerá y una explicación de la base de dichas opiniones; y (viii) cumplir con las disposiciones de la Sección 20.1.2.200 del Código Administrativo de Nuevo México (NMAC) y con la Orden Enmendada de Programación. Salvo que el Funcionario de Audiencias ordene lo contrario, las Declaraciones de Intención de Presentar Testimonio Técnico de Refutación, si las hubiera, deberán presentarse a más tardar el 3 de septiembre de 2026 y deberán cumplir con los mismos requisitos establecidos anteriormente para las NOI previas.

La falta de presentación oportuna y completa de una NOI impedirá que una persona presente las pruebas técnicas o el testimonio técnico que pretenda ofrecer. Todos los anexos deberán estar debidamente identificados para ser aceptados, incluyendo el nombre de la parte y el número del anexo en la parte superior o inferior del mismo, y deberán incluir páginas numeradas consecutivamente.

Procedimientos de la Audiencia de Permiso:
La audiencia pública, así como todas las actividades previas y posteriores a la audiencia, se llevarán a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente (20.1.4 NMAC), la Ley y las normas y reglamentos aplicables a los permisos de construcción. Los Procedimientos de Permisos pueden consultarse electrónicamente en https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 o comunicándose con el Secretario de Audiencias. Las normas sobre permisos de construcción (20.2.72 NMAC) pueden consultarse electrónicamente en: https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Aviso de No Discriminación:
El NMED no discrimina por motivos de raza, color, origen nacional, discapacidad, edad o sexo en la administración de sus programas o actividades, según lo exigen las leyes y reglamentos aplicables. El NMED es responsable de coordinar los esfuerzos de cumplimiento y de recibir consultas relacionadas con los requisitos de no discriminación implementados conforme al Título 40 del Código de Reglamentos Federales (C.F.R.), Parte 7, incluyendo el Título VI de la Ley de Derechos Civiles de 1964, según enmendada; la Sección 504 de la Ley de Rehabilitación de 1973; la Ley contra la Discriminación por Edad de 1975; el Título IX de las Enmiendas Educativas de 1972; y la Sección 13 de las Enmiendas a la Ley Federal de Control de la Contaminación del Agua de 1972. Si tiene alguna pregunta sobre este aviso o sobre cualquiera de los programas, políticas o procedimientos de no discriminación del NMED, o si considera que ha sido objeto de discriminación en relación con un programa o actividad del NMED, puede comunicarse con: Coordinador de No Discriminación, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. También puede visitar nuestro sitio web en https://www.env.nm.gov/non-employee-discrimination-complaint-page/ para obtener información sobre cómo y dónde presentar una queja por discriminación.

Notice of Hearing – English and Spanish

Administrative Record NSR 10833_002908

STATE OF NEW MEXICO
BEFORE THE SECRETARY OF ENVIRONMENT

IN THE MATTER OF:
THE APPLICATION OF YUCCA GROWTH INFRASTRUCTURE, LLC FOR AN AIR QUALITY PERMIT, NO. NSR 10883

AQB 26-57(P)

AMENDED NOTICE OF PUBLIC HEARING

The New Mexico Environment Department ("Department" or "NMED") announces a hybrid public hearing to take evidence on the application for an air quality construction permit for a facility located in Doña Ana County pursuant to the New Mexico Air Quality Control Act, NMSA 1978 Sections 74-2-1 through 74-2-17 ("Act"), and regulations within Part 20.2.72 NMAC. The permit application to be considered in this hearing pertains to the YGI Microgrid as submitted by Yucca Growth Infrastructure, LLC ("Yucca").

This Amended Notice of Public Hearing is provided pursuant to the Hearing Officer's July 29, 2026, Amended Scheduling Order and the provisions of 20.1.4.200 NMAC. Additionally, this Amended Notice of Public Hearing supersedes and serves to retract the initial the Notice of Public Hearing. The English language version of which was published in the Albuquerque Journal on July 17, 2026, and Las Cruces Sun on July 17, 2026, and the Spanish language version was published in the Las Cruces Sun on July 17, 2026, and in the Albuquerque Journal on July 18, 2026.

A copy of the Amended Scheduling Order, as well as all other filings in this matter may be obtained on the Department's website at the following location: go to https://www.env.nm.gov/opf/docketed-matters/; scroll to and select "Environment Department Cabinet Secretary"; then scroll to and select "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid."

Brief Description of Permit Application:
Yucca has submitted a New Source Review permit application No. NSR 10883 to construct the YGI Microgrid which would consist of Bloom Energy Solid Oxide Fuel Cells ("SOFC") to generate 2,462 MW to power a nearby data center. Yucca's application requests that the YGI Microgrid be permitted to operate as Title V major source under the Act and Part 20.2.72 NMAC, and that it may operate continuously (8,760 hours per year). The YGI Microgrid is a new facility that intends to be located at latitude and longitude decimal degrees: 31.8183, -106.6792 Datum: WGS 84. To aid in locating this facility, the approximate location is 3.6 miles South of Santa Teresa in Doña Ana County, NM.

An electronic version of the permit application, its revisions, the Department's Draft Permit, the Department's Statement of Basis, as well as other previous materials and notices may be reviewed on the Department's website at the following location: go to https://www.env.nm.gov/public-notices/; scroll to and select Doña Ana County; then find and select the header labeled "Yucca Growth Infrastructure, LLC — YGI Microgrid." If an individual is unable to obtain a copy of the draft permit at the above website or is seeking additional information, they may contact:

Julia Kuhn
Permits Section

600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Hearing Date, Time, and Location:
The hearing will begin at 9:00 a.m. on September 14, 2026, and will be conducted on consecutive days as needed or continued upon order of the Hearing Officer. The hearing will be conducted both virtually via Webex (see the link posted online in the Department's Calendar at https://www.env.nm.gov/events-calendar/) and in person at the following physical location in Sunland Park in Doña Ana County, New Mexico: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. The hearing will have Spanish interpreters available on Webex.

Providing Non-Technical or General Public Comment:
The Hearing Officer will accept non-technical or general public comment in writing prior to the beginning of the hearing or in writing or verbally while the hearing record is open. Members of the public who wish to provide non-technical or general comment are encouraged to submit their comments in writing by using NMED's Public Comment Portal, including relevant evidence, data, views, arguments, written statements in lieu of oral testimony at the hearing, or public comment. Access the Public Comment Portal via a link on the Department's docketed matters web page www.env.nm.gov/opf/docketed-matters/. Look under the Environment Department Cabinet Secretary dropdown for "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". The direct link to the Public Comment Portal is http://nmed.commentinput.com.

Verbal non-technical testimony or general comment will be accepted at the hearing while the record is open. Pursuant to the Amended Scheduling Order individuals intending to provide non-

technical verbal testimony or general public comment will be sworn in and allowed to submit comments throughout the first day of the hearing on September 14, 2026, and at various times throughout the hearing. Members of the public will have up to three (3) minutes to offer verbal non-technical testimony or general comment per individual, unless otherwise ordered by the Hearing Officer. The hearing will be conducted in accordance with the Environment Department Permitting Procedures, 20.1.4 NMAC, the procedures in Air Quality Construction Permits, 20.2.72 NMAC, and other applicable hearing procedures.

Entry of Appearance:
Any person who wishes to be a party in this proceeding must file with the Hearing Clerk at the address below an Entry of Appearance on or before August 24, 2026. A timely and complete Statement or Notice of Intent to Present Technical Testimony shall be considered an Entry of Appearance if the person filing such statement has not previously filed a separate Entry of Appearance.

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

A person's failure to file a timely Statement of Intent or Entry of Appearance substantially complying with these requirements shall preclude the person from becoming a party but shall not preclude a person from presenting written or oral non-technical testimony or general public comments.

Statement of Intent to Present Technical Testimony:
Any person who intends to present technical evidence or technical testimony at the public hearing must file a Statement or Notice of Intent ("NOI") to Present Technical Testimony with the Hearing Clerk on or before August 24, 2026, and serve an electronic copy of the foregoing on all other parties. The NOI must be filed with the Hearing Clerk at the following email:

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
Luis.lopez@env.nm.gov

The NOI to Present Technical Testimony shall: (i) identify the person filing the statement; (ii) state whether the person filing the statement supports or opposes the Draft Permit, Application, or Petition; (iii) identify each witness, including name, address, affiliation(s), and educational and

work background; (iv) estimate the length of the direct testimony of each witness; (v) identify all exhibits which are part of the Record Proper and, for exhibits not part of the Record Proper, attach a copy; (vi) list or make available all technical materials relied upon by each witness in making the statement of technical fact or opinion contained in his or her direct testimony; (vii) attach a complete narrative of the direct testimony of each witness, stating any opinion(s) to be offered by such witness, and an explanation of the basis for such opinion(s); and (vii) comport with provisions 20.1.2.200 NMAC and the Amended Scheduling Order. Unless otherwise ordered by the Hearing Officer, NOIs to Present Rebuttal Technical Testimony, if any, shall be filed on or before September 3, 2026, and comport with the same requirements as the preceding NOIs as described above.

Failure to file a timely and complete NOI will preclude a person from presenting technical evidence or testimony sought to be offered. All exhibits must be properly marked to be accepted, including the party name and exhibit number on the top or bottom of the exhibit, and include consecutively numbered pages.

Permit Hearing Procedures:
The public hearing, as well as all pre-hearing and post-hearing activity, will be conducted in accordance with the Permit Procedures of the Environment Department (20.1.4 NMAC), the Act, and applicable construction permit rules and regulations. The Permit Procedures may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 or by contacting the Hearing Clerk. The construction permit rules (20.2.72 NMAC) may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Notice of Non-Discrimination:
NMED does not discriminate on the basis of race, color, national origin, disability, age or sex in the administration of its programs or activities, as required by applicable laws and regulations. NMED is responsible for coordination of compliance efforts and receipt of inquiries concerning non-discrimination requirements implemented by 40 C.F.R. Part 7, including Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, and Section 13 of the Federal Water Pollution Control Act Amendments of 1972. If you have any questions about this notice or any of NMED's non-discrimination programs, policies or procedures, or if you believe that you have been discriminated against with respect to a NMED program or activity, you may contact: Non-Discrimination Coordinator, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. You may also visit our website at https://www.env.nm.gov/non-employee-discrimination-complaint-page/ to learn how and where to file a complaint of discrimination.

ESTADO DE NUEVO MÉXICO
ANTE EL SECRETARIO DE MEDIO AMBIENTE

EN EL ASUNTO DE:
LA SOLICITUD DE YUCCA GROWTH INFRASTRUCTURE, LLC PARA UN PERMISO DE CALIDAD DEL AIRE, NO. NSR 10883

AQB 26-57(P)

AVISO ENMENDADO DE AUDIENCIA PÚBLICA

El Departamento de Medio Ambiente de Nuevo México ("Departamento" o "NMED") anuncia una audiencia pública híbrida para recibir pruebas sobre la solicitud de un permiso de construcción de calidad del aire para una instalación ubicada en el condado de Doña Ana, de conformidad con la Ley de Control de la Calidad del Aire de Nuevo México, NMSA 1978, Secciones 74-2-1 a 74-2-17 (la "Ley"), y los reglamentos contenidos en la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC). La solicitud de permiso que será considerada en esta audiencia corresponde al Microgrid de YGI, presentada por Yucca Growth Infrastructure, LLC ("Yucca").

Este Aviso Enmendado de Audiencia Pública se emite de conformidad con la Orden Enmendada de Programación del Funcionario de Audiencias, de fecha 29 de julio de 2026, y con las disposiciones de la Sección 20.1.4.200 del Código Administrativo de Nuevo México (NMAC). Asimismo, este Aviso Enmendado de Audiencia Pública sustituye y deja sin efecto el Aviso de Audiencia Pública inicial. La versión en inglés de dicho aviso fue publicada en el Albuquerque Journal el 17 de julio de 2026 y en el Las Cruces Sun el 17 de julio de 2026; la versión en español fue publicada en el Las Cruces Sun el 17 de julio de 2026 y en el Albuquerque Journal el 18 de julio de 2026.

Se puede obtener una copia de la Orden Enmendada de Programación, así como de todos los demás documentos presentados en este asunto, en el sitio web del Departamento, en la siguiente dirección https://www.env.nm.gov/opf/docketed-matters/; Desplácese hacia abajo y seleccione "Environment Department Cabinet Secretary"; luego desplácese hacia abajo y seleccione "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid".

Breve Descripción de la Solicitud de Permiso:
Yucca ha presentado la solicitud de permiso de Revisión de Nuevas Fuentes (New Source Review) N.º NSR 10883 para construir el YGI Microgrid, el cual estará compuesto por celdas de combustible de óxido sólido Bloom Energy (Solid Oxide Fuel Cells, "SOFC") para generar 2,462 MW de energía destinada a abastecer un centro de datos cercano. La solicitud de Yucca pide que el YGI Microgrid sea autorizado para operar como una fuente mayor del Título V, de conformidad con la Ley y la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC), y que pueda operar de manera continua (8,760 horas al año). El YGI Microgrid es una instalación nueva que se proyecta ubicar en las siguientes coordenadas geográficas (grados decimales de latitud y longitud): 31.8183, -106.6792, Datum: WGS 84. Para facilitar la ubicación de esta instalación, se

indica que estará aproximadamente a 3.6 millas al sur de Santa Teresa, en el condado de Doña Ana, Nuevo México.

Una versión electrónica de la solicitud de permiso, sus revisiones, el Proyecto de Permiso del Departamento, la Declaración de Fundamentos del Departamento, así como otros materiales y avisos previamente emitidos, puede consultarse en el sitio web del Departamento, en la siguiente dirección: https://www.env.nm.gov/public-notices/; Desplácese hacia abajo y seleccione Doña Ana County; luego busque y seleccione el encabezado titulado "Yucca Growth Infrastructure, LLC — YGI Microgrid". Si alguna persona no puede obtener una copia del proyecto de permiso en el sitio web indicado anteriormente o desea información adicional, puede comunicarse con:

Julia Kuhn

Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Fecha, Hora y Lugar de la Audiencia:
La audiencia comenzará a las 9:00 a. m. del 14 de septiembre de 2026 y se llevará a cabo en días consecutivos, según sea necesario, o podrá continuarse por orden del Funcionario de Audiencias. La audiencia se celebrará de forma híbrida, tanto de manera virtual a través de Webex (consulte el enlace publicado en el calendario del Departamento en https://www.env.nm.gov/events-calendar/) y de manera presencial en el siguiente lugar físico en Sunland Park, condado de Doña Ana, Nuevo México: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. La audiencia contará con intérpretes de español disponibles a través de Webex.

Presentación de Comentarios No Técnicos o del Público en General:
El Funcionario de Audiencias aceptará comentarios no técnicos o del público en general por escrito antes del inicio de la audiencia, así como por escrito o verbalmente mientras el expediente de la audiencia permanezca abierto. Se recomienda a los miembros del público que deseen presentar comentarios no técnicos o de carácter general que los envíen por escrito mediante el Portal de Comentarios Públicos del NMED, incluyendo las pruebas, datos, opiniones, argumentos o declaraciones escritas pertinentes en lugar de testimonio oral durante la audiencia, o bien como comentario público. Se puede acceder al Portal de Comentarios Públicos mediante el enlace disponible en la página web del Departamento correspondiente a los asuntos incluidos en el expediente www.env.nm.gov/opf/docketed-matters/. Busque en el menú desplegable del Secretario del Gabinete del Departamento de Medio Ambiente ("Environment Department Cabinet Secretary") "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". El enlace directo al Portal de Comentarios Públicos es http://nmed.commentinput.com.

Administrative Record NSR 10833_002914

El testimonio verbal no técnico o los comentarios generales del público serán aceptados durante la audiencia mientras el expediente permanezca abierto. De conformidad con la Orden Enmendada de Programación, las personas que tengan la intención de proporcionar testimonio verbal no técnico o comentarios generales del público serán juramentadas y se les permitirá presentar comentarios durante todo el primer día de la audiencia, el 14 de septiembre de 2026, así como en diversos momentos durante el desarrollo de la audiencia. Los miembros del público tendrán hasta tres (3) minutos para ofrecer testimonio verbal no técnico o comentarios generales por persona, a menos que el Funcionario de Audiencias ordene lo contrario. La audiencia se llevará a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente, 20.1.4 NMAC, los procedimientos aplicables a los Permisos de Construcción de Calidad del Aire, 20.2.72 NMAC, y otros procedimientos de audiencia aplicables.

Comparecencia:
Toda persona que desee ser parte en este procedimiento deberá presentar ante el Secretario de Audiencias, en la dirección indicada a continuación, una Comparecencia a más tardar el 24 de agosto de 2026. Una Declaración o Aviso de Intención de Presentar Testimonio Técnico presentada oportunamente y que esté completa se considerará una Comparecencia si la persona que presenta dicha declaración no ha presentado previamente una Comparecencia por separado.

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

La falta de presentación, en tiempo y forma, de una Declaración de Intención o de una Notificación de Comparecencia que cumpla sustancialmente con estos requisitos impedirá que la persona adquiera la condición de parte, pero no le impedirá presentar testimonios no técnicos —ya sean escritos u orales— ni formular comentarios de interés público general.

Declaración de Intención de Presentar Testimonio Técnico:
Toda persona que tenga la intención de presentar pruebas técnicas o testimonio técnico durante la audiencia pública deberá presentar ante el Secretario de Audiencias una Declaración o Aviso de Intención ("NOI") de Presentar Testimonio Técnico a más tardar el 24 de agosto de 2026, y deberá enviar una copia electrónica de dicho documento a todas las demás partes. El NOI deberá presentarse ante el Secretario de Audiencias en el siguiente correo electrónico:

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
Luis.lopez@env.nm.gov

Administrative Record NSR 10833_002915

La Declaración de Intención de Presentar Testimonio Técnico (NOI) deberá: (i) identificar a la persona que presenta la declaración; (ii) indicar si la persona que presenta la declaración apoya u objeta el Proyecto de Permiso, la Solicitud o la Petición; (iii) identificar a cada testigo, incluyendo su nombre, dirección, afiliación(es), y antecedentes educativos y laborales; (iv) estimar la duración del testimonio directo de cada testigo; (v) identificar todos los anexos que forman parte del Expediente Oficial y, para los anexos que no formen parte del Expediente Oficial, adjuntar una copia; (vi) enumerar o poner a disposición todos los materiales técnicos en los que se basó cada testigo al formular la declaración de hechos u opiniones técnicas contenidas en su testimonio directo; (vii) adjuntar una narrativa completa del testimonio directo de cada testigo, indicando cualquier opinión que dicho testigo ofrecerá y una explicación de la base de dichas opiniones; y (viii) cumplir con las disposiciones de la Sección 20.1.2.200 del Código Administrativo de Nuevo México (NMAC) y con la Orden Enmendada de Programación. Salvo que el Funcionario de Audiencias ordene lo contrario, las Declaraciones de Intención de Presentar Testimonio Técnico de Refutación, si las hubiera, deberán presentarse a más tardar el 3 de septiembre de 2026 y deberán cumplir con los mismos requisitos establecidos anteriormente para las NOI previas.

La falta de presentación oportuna y completa de una NOI impedirá que una persona presente las pruebas técnicas o el testimonio técnico que pretenda ofrecer. Todos los anexos deberán estar debidamente identificados para ser aceptados, incluyendo el nombre de la parte y el número del anexo en la parte superior o inferior del mismo, y deberán incluir páginas numeradas consecutivamente.

Procedimientos de la Audiencia de Permiso:
La audiencia pública, así como todas las actividades previas y posteriores a la audiencia, se llevarán a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente (20.1.4 NMAC), la Ley y las normas y reglamentos aplicables a los permisos de construcción. Los Procedimientos de Permisos pueden consultarse electrónicamente en https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 o comunicándose con el Secretario de Audiencias. Las normas sobre permisos de construcción (20.2.72 NMAC) pueden consultarse electrónicamente en: https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Aviso de No Discriminación:
El NMED no discrimina por motivos de raza, color, origen nacional, discapacidad, edad o sexo en la administración de sus programas o actividades, según lo exigen las leyes y reglamentos aplicables. El NMED es responsable de coordinar los esfuerzos de cumplimiento y de recibir consultas relacionadas con los requisitos de no discriminación implementados conforme al Título 40 del Código de Reglamentos Federales (C.F.R.), Parte 7, incluyendo el Título VI de la Ley de Derechos Civiles de 1964, según enmendada; la Sección 504 de la Ley de Rehabilitación de 1973; la Ley contra la Discriminación por Edad de 1975; el Título IX de las Enmiendas Educativas de 1972; y la Sección 13 de las Enmiendas a la Ley Federal de Control de la Contaminación del Agua de 1972. Si tiene alguna pregunta sobre este aviso o sobre cualquiera de los programas, políticas o procedimientos de no discriminación del NMED, o si considera que ha sido objeto de discriminación en relación con un programa o actividad del NMED, puede comunicarse con: Coordinador de No Discriminación, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. También puede visitar nuestro sitio web en https://www.env.nm.gov/non-employee-discrimination-complaint-page/ para obtener información sobre cómo y dónde presentar una queja por discriminación.

Notice of Hearing – English and Spanish

Administrative Record NSR 10833_002919

STATE OF NEW MEXICO
BEFORE THE SECRETARY OF ENVIRONMENT

IN THE MATTER OF:
THE APPLICATION OF YUCCA GROWTH INFRASTRUCTURE, LLC FOR AN AIR QUALITY PERMIT, NO. NSR 10883

AQB 26-57(P)

AMENDED NOTICE OF PUBLIC HEARING

The New Mexico Environment Department ("Department" or "NMED") announces a hybrid public hearing to take evidence on the application for an air quality construction permit for a facility located in Doña Ana County pursuant to the New Mexico Air Quality Control Act, NMSA 1978 Sections 74-2-1 through 74-2-17 ("Act"), and regulations within Part 20.2.72 NMAC. The permit application to be considered in this hearing pertains to the YGI Microgrid as submitted by Yucca Growth Infrastructure, LLC ("Yucca").

This Amended Notice of Public Hearing is provided pursuant to the Hearing Officer's July 29, 2026, Amended Scheduling Order and the provisions of 20.1.4.200 NMAC. Additionally, this Amended Notice of Public Hearing supersedes and serves to retract the initial the Notice of Public Hearing. The English language version of which was published in the Albuquerque Journal on July 17, 2026, and Las Cruces Sun on July 17, 2026, and the Spanish language version was published in the Las Cruces Sun on July 17, 2026, and in the Albuquerque Journal on July 18, 2026.

A copy of the Amended Scheduling Order, as well as all other filings in this matter may be obtained on the Department's website at the following location: go to https://www.env.nm.gov/opf/docketed-matters/; scroll to and select "Environment Department Cabinet Secretary"; then scroll to and select "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid."

Brief Description of Permit Application:
Yucca has submitted a New Source Review permit application No. NSR 10883 to construct the YGI Microgrid which would consist of Bloom Energy Solid Oxide Fuel Cells ("SOFC") to generate 2,462 MW to power a nearby data center. Yucca's application requests that the YGI Microgrid be permitted to operate as Title V major source under the Act and Part 20.2.72 NMAC, and that it may operate continuously (8,760 hours per year). The YGI Microgrid is a new facility that intends to be located at latitude and longitude decimal degrees: 31.8183, -106.6792 Datum: WGS 84. To aid in locating this facility, the approximate location is 3.6 miles South of Santa Teresa in Doña Ana County, NM.

An electronic version of the permit application, its revisions, the Department's Draft Permit, the Department's Statement of Basis, as well as other previous materials and notices may be reviewed on the Department's website at the following location: go to https://www.env.nm.gov/public-notices/; scroll to and select Doña Ana County; then find and select the header labeled "Yucca Growth Infrastructure, LLC — YGI Microgrid." If an individual is unable to obtain a copy of the draft permit at the above website or is seeking additional information, they may contact:

Julia Kuhn
Permits Section
Air Quality Bureau
New Mexico Environment Department
525 Camino de los Marquez, Suite 1A
Santa Fe, New Mexico 87505-1816

Applicant Contact Information:
Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Hearing Date, Time, and Location:
The hearing will begin at 9:00 a.m. on September 14, 2026, and will be conducted on consecutive days as needed or continued upon order of the Hearing Officer. The hearing will be conducted both virtually via Webex (see the link posted online in the Department's Calendar at https://www.env.nm.gov/events-calendar/) and in person at the following physical location in Sunland Park in Doña Ana County, New Mexico: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. The hearing will have Spanish interpreters available on Webex.

Providing Non-Technical or General Public Comment:
The Hearing Officer will accept non-technical or general public comment in writing prior to the beginning of the hearing or in writing or verbally while the hearing record is open. Members of the public who wish to provide non-technical or general comment are encouraged to submit their comments in writing by using NMED's Public Comment Portal, including relevant evidence, data, views, arguments, written statements in lieu of oral testimony at the hearing, or public comment. Access the Public Comment Portal via a link on the Department's docketed matters web page www.env.nm.gov/opf/docketed-matters/. Look under the Environment Department Cabinet Secretary dropdown for "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". The direct link to the Public Comment Portal is http://nmed.commentinput.com.

Verbal non-technical testimony or general comment will be accepted at the hearing while the record is open. Pursuant to the Amended Scheduling Order individuals intending to provide non-

technical verbal testimony or general public comment will be sworn in and allowed to submit comments throughout the first day of the hearing on September 14, 2026, and at various times throughout the hearing. Members of the public will have up to three (3) minutes to offer verbal non-technical testimony or general comment per individual, unless otherwise ordered by the Hearing Officer. The hearing will be conducted in accordance with the Environment Department Permitting Procedures, 20.1.4 NMAC, the procedures in Air Quality Construction Permits, 20.2.72 NMAC, and other applicable hearing procedures.

Entry of Appearance:
Any person who wishes to be a party in this proceeding must file with the Hearing Clerk at the address below an Entry of Appearance on or before August 24, 2026. A timely and complete Statement or Notice of Intent to Present Technical Testimony shall be considered an Entry of Appearance if the person filing such statement has not previously filed a separate Entry of Appearance.

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

A person's failure to file a timely Statement of Intent or Entry of Appearance substantially complying with these requirements shall preclude the person from becoming a party but shall not preclude a person from presenting written or oral non-technical testimony or general public comments.

Statement of Intent to Present Technical Testimony:
Any person who intends to present technical evidence or technical testimony at the public hearing must file a Statement or Notice of Intent ("NOI") to Present Technical Testimony with the Hearing Clerk on or before August 24, 2026, and serve an electronic copy of the foregoing on all other parties. The NOI must be filed with the Hearing Clerk at the following email:

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
Luis.lopez@env.nm.gov

The NOI to Present Technical Testimony shall: (i) identify the person filing the statement; (ii) state whether the person filing the statement supports or opposes the Draft Permit, Application, or Petition; (iii) identify each witness, including name, address, affiliation(s), and educational and

work background; (iv) estimate the length of the direct testimony of each witness; (v) identify all exhibits which are part of the Record Proper and, for exhibits not part of the Record Proper, attach a copy; (vi) list or make available all technical materials relied upon by each witness in making the statement of technical fact or opinion contained in his or her direct testimony; (vii) attach a complete narrative of the direct testimony of each witness, stating any opinion(s) to be offered by such witness, and an explanation of the basis for such opinion(s); and (vii) comport with provisions 20.1.2.200 NMAC and the Amended Scheduling Order. Unless otherwise ordered by the Hearing Officer, NOIs to Present Rebuttal Technical Testimony, if any, shall be filed on or before September 3, 2026, and comport with the same requirements as the preceding NOIs as described above.

Failure to file a timely and complete NOI will preclude a person from presenting technical evidence or testimony sought to be offered. All exhibits must be properly marked to be accepted, including the party name and exhibit number on the top or bottom of the exhibit, and include consecutively numbered pages.

Permit Hearing Procedures:
The public hearing, as well as all pre-hearing and post-hearing activity, will be conducted in accordance with the Permit Procedures of the Environment Department (20.1.4 NMAC), the Act, and applicable construction permit rules and regulations. The Permit Procedures may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 or by contacting the Hearing Clerk. The construction permit rules (20.2.72 NMAC) may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Notice of Non-Discrimination:
NMED does not discriminate on the basis of race, color, national origin, disability, age or sex in the administration of its programs or activities, as required by applicable laws and regulations. NMED is responsible for coordination of compliance efforts and receipt of inquiries concerning non-discrimination requirements implemented by 40 C.F.R. Part 7, including Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, and Section 13 of the Federal Water Pollution Control Act Amendments of 1972. If you have any questions about this notice or any of NMED's non-discrimination programs, policies or procedures, or if you believe that you have been discriminated against with respect to a NMED program or activity, you may contact: Non-Discrimination Coordinator, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. You may also visit our website at https://www.env.nm.gov/non-employee-discrimination-complaint-page/ to learn how and where to file a complaint of discrimination.

ESTADO DE NUEVO MÉXICO
ANTE EL SECRETARIO DE MEDIO AMBIENTE

EN EL ASUNTO DE:
LA SOLICITUD DE YUCCA GROWTH INFRASTRUCTURE, LLC PARA UN PERMISO DE CALIDAD DEL AIRE, NO. NSR 10883

AQB 26-57(P)

AVISO ENMENDADO DE AUDIENCIA PÚBLICA

El Departamento de Medio Ambiente de Nuevo México ("Departamento" o "NMED") anuncia una audiencia pública híbrida para recibir pruebas sobre la solicitud de un permiso de construcción de calidad del aire para una instalación ubicada en el condado de Doña Ana, de conformidad con la Ley de Control de la Calidad del Aire de Nuevo México, NMSA 1978, Secciones 74-2-1 a 74-2-17 (la "Ley"), y los reglamentos contenidos en la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC). La solicitud de permiso que será considerada en esta audiencia corresponde al Microgrid de YGI, presentada por Yucca Growth Infrastructure, LLC ("Yucca").

Este Aviso Enmendado de Audiencia Pública se emite de conformidad con la Orden Enmendada de Programación del Funcionario de Audiencias, de fecha 29 de julio de 2026, y con las disposiciones de la Sección 20.1.4.200 del Código Administrativo de Nuevo México (NMAC). Asimismo, este Aviso Enmendado de Audiencia Pública sustituye y deja sin efecto el Aviso de Audiencia Pública inicial. La versión en inglés de dicho aviso fue publicada en el Albuquerque Journal el 17 de julio de 2026 y en el Las Cruces Sun el 17 de julio de 2026; la versión en español fue publicada en el Las Cruces Sun el 17 de julio de 2026 y en el Albuquerque Journal el 18 de julio de 2026.

Se puede obtener una copia de la Orden Enmendada de Programación, así como de todos los demás documentos presentados en este asunto, en el sitio web del Departamento, en la siguiente dirección https://www.env.nm.gov/opf/docketed-matters/; Desplácese hacia abajo y seleccione "Environment Department Cabinet Secretary"; luego desplácese hacia abajo y seleccione "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid".

Breve Descripción de la Solicitud de Permiso:
Yucca ha presentado la solicitud de permiso de Revisión de Nuevas Fuentes (New Source Review) N.º NSR 10883 para construir el YGI Microgrid, el cual estará compuesto por celdas de combustible de óxido sólido Bloom Energy (Solid Oxide Fuel Cells, "SOFC") para generar 2,462 MW de energía destinada a abastecer un centro de datos cercano. La solicitud de Yucca pide que el YGI Microgrid sea autorizado para operar como una fuente mayor del Título V, de conformidad con la Ley y la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC), y que pueda operar de manera continua (8,760 horas al año). El YGI Microgrid es una instalación nueva que se proyecta ubicar en las siguientes coordenadas geográficas (grados decimales de latitud y longitud): 31.8183, -106.6792, Datum: WGS 84. Para facilitar la ubicación de esta instalación, se

indica que estará aproximadamente a 3.6 millas al sur de Santa Teresa, en el condado de Doña Ana, Nuevo México.

Una versión electrónica de la solicitud de permiso, sus revisiones, el Proyecto de Permiso del Departamento, la Declaración de Fundamentos del Departamento, así como otros materiales y avisos previamente emitidos, puede consultarse en el sitio web del Departamento, en la siguiente dirección: https://www.env.nm.gov/public-notices/; Desplácese hacia abajo y seleccione Doña Ana County; luego busque y seleccione el encabezado titulado "Yucca Growth Infrastructure, LLC — YGI Microgrid". Si alguna persona no puede obtener una copia del proyecto de permiso en el sitio web indicado anteriormente o desea información adicional, puede comunicarse con:

Fecha, Hora y Lugar de la Audiencia:
La audiencia comenzará a las 9:00 a. m. del 14 de septiembre de 2026 y se llevará a cabo en días consecutivos, según sea necesario, o podrá continuarse por orden del Funcionario de Audiencias. La audiencia se celebrará de forma híbrida, tanto de manera virtual a través de Webex (consulte el enlace publicado en el calendario del Departamento en https://www.env.nm.gov/events-calendar/) y de manera presencial en el siguiente lugar físico en Sunland Park, condado de Doña Ana, Nuevo México: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. La audiencia contará con intérpretes de español disponibles a través de Webex.

Presentación de Comentarios No Técnicos o del Público en General:
El Funcionario de Audiencias aceptará comentarios no técnicos o del público en general por escrito antes del inicio de la audiencia, así como por escrito o verbalmente mientras el expediente de la audiencia permanezca abierto. Se recomienda a los miembros del público que deseen presentar comentarios no técnicos o de carácter general que los envíen por escrito mediante el Portal de Comentarios Públicos del NMED, incluyendo las pruebas, datos, opiniones, argumentos o declaraciones escritas pertinentes en lugar de testimonio oral durante la audiencia, o bien como comentario público. Se puede acceder al Portal de Comentarios Públicos mediante el enlace disponible en la página web del Departamento correspondiente a los asuntos incluidos en el expediente www.env.nm.gov/opf/docketed-matters/. Busque en el menú desplegable del Secretario del Gabinete del Departamento de Medio Ambiente ("Environment Department Cabinet Secretary") "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". El enlace directo al Portal de Comentarios Públicos es http://nmed.commentinput.com.

Administrative Record NSR 10833_002925

El testimonio verbal no técnico o los comentarios generales del público serán aceptados durante la audiencia mientras el expediente permanezca abierto. De conformidad con la Orden Enmendada de Programación, las personas que tengan la intención de proporcionar testimonio verbal no técnico o comentarios generales del público serán juramentadas y se les permitirá presentar comentarios durante todo el primer día de la audiencia, el 14 de septiembre de 2026, así como en diversos momentos durante el desarrollo de la audiencia. Los miembros del público tendrán hasta tres (3) minutos para ofrecer testimonio verbal no técnico o comentarios generales por persona, a menos que el Funcionario de Audiencias ordene lo contrario. La audiencia se llevará a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente, 20.1.4 NMAC, los procedimientos aplicables a los Permisos de Construcción de Calidad del Aire, 20.2.72 NMAC, y otros procedimientos de audiencia aplicables.

Comparecencia:
Toda persona que desee ser parte en este procedimiento deberá presentar ante el Secretario de Audiencias, en la dirección indicada a continuación, una Comparecencia a más tardar el 24 de agosto de 2026. Una Declaración o Aviso de Intención de Presentar Testimonio Técnico presentada oportunamente y que esté completa se considerará una Comparecencia si la persona que presenta dicha declaración no ha presentado previamente una Comparecencia por separado.

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

La falta de presentación, en tiempo y forma, de una Declaración de Intención o de una Notificación de Comparecencia que cumpla sustancialmente con estos requisitos impedirá que la persona adquiera la condición de parte, pero no le impedirá presentar testimonios no técnicos —ya sean escritos u orales— ni formular comentarios de interés público general.

Declaración de Intención de Presentar Testimonio Técnico:
Toda persona que tenga la intención de presentar pruebas técnicas o testimonio técnico durante la audiencia pública deberá presentar ante el Secretario de Audiencias una Declaración o Aviso de Intención ("NOI") de Presentar Testimonio Técnico a más tardar el 24 de agosto de 2026, y deberá enviar una copia electrónica de dicho documento a todas las demás partes. El NOI deberá presentarse ante el Secretario de Audiencias en el siguiente correo electrónico:

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
Luis.lopez@env.nm.gov

Administrative Record NSR 10833_002926

La Declaración de Intención de Presentar Testimonio Técnico (NOI) deberá: (i) identificar a la persona que presenta la declaración; (ii) indicar si la persona que presenta la declaración apoya u objeta el Proyecto de Permiso, la Solicitud o la Petición; (iii) identificar a cada testigo, incluyendo su nombre, dirección, afiliación(es), y antecedentes educativos y laborales; (iv) estimar la duración del testimonio directo de cada testigo; (v) identificar todos los anexos que forman parte del Expediente Oficial y, para los anexos que no formen parte del Expediente Oficial, adjuntar una copia; (vi) enumerar o poner a disposición todos los materiales técnicos en los que se basó cada testigo al formular la declaración de hechos u opiniones técnicas contenidas en su testimonio directo; (vii) adjuntar una narrativa completa del testimonio directo de cada testigo, indicando cualquier opinión que dicho testigo ofrecerá y una explicación de la base de dichas opiniones; y (viii) cumplir con las disposiciones de la Sección 20.1.2.200 del Código Administrativo de Nuevo México (NMAC) y con la Orden Enmendada de Programación. Salvo que el Funcionario de Audiencias ordene lo contrario, las Declaraciones de Intención de Presentar Testimonio Técnico de Refutación, si las hubiera, deberán presentarse a más tardar el 3 de septiembre de 2026 y deberán cumplir con los mismos requisitos establecidos anteriormente para las NOI previas.

La falta de presentación oportuna y completa de una NOI impedirá que una persona presente las pruebas técnicas o el testimonio técnico que pretenda ofrecer. Todos los anexos deberán estar debidamente identificados para ser aceptados, incluyendo el nombre de la parte y el número del anexo en la parte superior o inferior del mismo, y deberán incluir páginas numeradas consecutivamente.

Procedimientos de la Audiencia de Permiso:
La audiencia pública, así como todas las actividades previas y posteriores a la audiencia, se llevarán a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente (20.1.4 NMAC), la Ley y las normas y reglamentos aplicables a los permisos de construcción. Los Procedimientos de Permisos pueden consultarse electrónicamente en https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 o comunicándose con el Secretario de Audiencias. Las normas sobre permisos de construcción (20.2.72 NMAC) pueden consultarse electrónicamente en: https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Aviso de No Discriminación:
El NMED no discrimina por motivos de raza, color, origen nacional, discapacidad, edad o sexo en la administración de sus programas o actividades, según lo exigen las leyes y reglamentos aplicables. El NMED es responsable de coordinar los esfuerzos de cumplimiento y de recibir consultas relacionadas con los requisitos de no discriminación implementados conforme al Título 40 del Código de Reglamentos Federales (C.F.R.), Parte 7, incluyendo el Título VI de la Ley de Derechos Civiles de 1964, según enmendada; la Sección 504 de la Ley de Rehabilitación de 1973; la Ley contra la Discriminación por Edad de 1975; el Título IX de las Enmiendas Educativas de 1972; y la Sección 13 de las Enmiendas a la Ley Federal de Control de la Contaminación del Agua de 1972. Si tiene alguna pregunta sobre este aviso o sobre cualquiera de los programas, políticas o procedimientos de no discriminación del NMED, o si considera que ha sido objeto de discriminación en relación con un programa o actividad del NMED, puede comunicarse con: Coordinador de No Discriminación, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. También puede visitar nuestro sitio web en https://www.env.nm.gov/non-employee-discrimination-complaint-page/ para obtener información sobre cómo y dónde presentar una queja por discriminación.

Notice of Hearing – English and Spanish

Administrative Record NSR 10833_002930

STATE OF NEW MEXICO
BEFORE THE SECRETARY OF ENVIRONMENT

IN THE MATTER OF:
THE APPLICATION OF YUCCA GROWTH INFRASTRUCTURE, LLC FOR AN AIR QUALITY PERMIT, NO. NSR 10883

AQB 26-57(P)

AMENDED NOTICE OF PUBLIC HEARING

The New Mexico Environment Department ("Department" or "NMED") announces a hybrid public hearing to take evidence on the application for an air quality construction permit for a facility located in Doña Ana County pursuant to the New Mexico Air Quality Control Act, NMSA 1978 Sections 74-2-1 through 74-2-17 ("Act"), and regulations within Part 20.2.72 NMAC. The permit application to be considered in this hearing pertains to the YGI Microgrid as submitted by Yucca Growth Infrastructure, LLC ("Yucca").

This Amended Notice of Public Hearing is provided pursuant to the Hearing Officer's July 29, 2026, Amended Scheduling Order and the provisions of 20.1.4.200 NMAC. Additionally, this Amended Notice of Public Hearing supersedes and serves to retract the initial the Notice of Public Hearing. The English language version of which was published in the Albuquerque Journal on July 17, 2026, and Las Cruces Sun on July 17, 2026, and the Spanish language version was published in the Las Cruces Sun on July 17, 2026, and in the Albuquerque Journal on July 18, 2026.

A copy of the Amended Scheduling Order, as well as all other filings in this matter may be obtained on the Department's website at the following location: go to https://www.env.nm.gov/opf/docketed-matters/; scroll to and select "Environment Department Cabinet Secretary"; then scroll to and select "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid."

Brief Description of Permit Application:
Yucca has submitted a New Source Review permit application No. NSR 10883 to construct the YGI Microgrid which would consist of Bloom Energy Solid Oxide Fuel Cells ("SOFC") to generate 2,462 MW to power a nearby data center. Yucca's application requests that the YGI Microgrid be permitted to operate as Title V major source under the Act and Part 20.2.72 NMAC, and that it may operate continuously (8,760 hours per year). The YGI Microgrid is a new facility that intends to be located at latitude and longitude decimal degrees: 31.8183, -106.6792 Datum: WGS 84. To aid in locating this facility, the approximate location is 3.6 miles South of Santa Teresa in Doña Ana County, NM.

An electronic version of the permit application, its revisions, the Department's Draft Permit, the Department's Statement of Basis, as well as other previous materials and notices may be reviewed on the Department's website at the following location: go to https://www.env.nm.gov/public-notices/; scroll to and select Doña Ana County; then find and select the header labeled "Yucca Growth Infrastructure, LLC — YGI Microgrid." If an individual is unable to obtain a copy of the draft permit at the above website or is seeking additional information, they may contact:

Julia Kuhn
Permits Section
Air Quality Bureau
New Mexico Environment Department
525 Camino de los Marquez, Suite 1A
Santa Fe, New Mexico 87505-1816

Applicant Contact Information:
Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Hearing Date, Time, and Location:
The hearing will begin at 9:00 a.m. on September 14, 2026, and will be conducted on consecutive days as needed or continued upon order of the Hearing Officer. The hearing will be conducted both virtually via Webex (see the link posted online in the Department's Calendar at https://www.env.nm.gov/events-calendar/) and in person at the following physical location in Sunland Park in Doña Ana County, New Mexico: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. The hearing will have Spanish interpreters available on Webex.

Providing Non-Technical or General Public Comment:
The Hearing Officer will accept non-technical or general public comment in writing prior to the beginning of the hearing or in writing or verbally while the hearing record is open. Members of the public who wish to provide non-technical or general comment are encouraged to submit their comments in writing by using NMED's Public Comment Portal, including relevant evidence, data, views, arguments, written statements in lieu of oral testimony at the hearing, or public comment. Access the Public Comment Portal via a link on the Department's docketed matters web page www.env.nm.gov/opf/docketed-matters/. Look under the Environment Department Cabinet Secretary dropdown for "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". The direct link to the Public Comment Portal is http://nmed.commentinput.com.

Verbal non-technical testimony or general comment will be accepted at the hearing while the record is open. Pursuant to the Amended Scheduling Order individuals intending to provide non-

technical verbal testimony or general public comment will be sworn in and allowed to submit comments throughout the first day of the hearing on September 14, 2026, and at various times throughout the hearing. Members of the public will have up to three (3) minutes to offer verbal non-technical testimony or general comment per individual, unless otherwise ordered by the Hearing Officer. The hearing will be conducted in accordance with the Environment Department Permitting Procedures, 20.1.4 NMAC, the procedures in Air Quality Construction Permits, 20.2.72 NMAC, and other applicable hearing procedures.

Entry of Appearance:
Any person who wishes to be a party in this proceeding must file with the Hearing Clerk at the address below an Entry of Appearance on or before August 24, 2026. A timely and complete Statement or Notice of Intent to Present Technical Testimony shall be considered an Entry of Appearance if the person filing such statement has not previously filed a separate Entry of Appearance.

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

A person's failure to file a timely Statement of Intent or Entry of Appearance substantially complying with these requirements shall preclude the person from becoming a party but shall not preclude a person from presenting written or oral non-technical testimony or general public comments.

Statement of Intent to Present Technical Testimony:
Any person who intends to present technical evidence or technical testimony at the public hearing must file a Statement or Notice of Intent ("NOI") to Present Technical Testimony with the Hearing Clerk on or before August 24, 2026, and serve an electronic copy of the foregoing on all other parties. The NOI must be filed with the Hearing Clerk at the following email:

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
Luis.lopez@env.nm.gov

The NOI to Present Technical Testimony shall: (i) identify the person filing the statement; (ii) state whether the person filing the statement supports or opposes the Draft Permit, Application, or Petition; (iii) identify each witness, including name, address, affiliation(s), and educational and

work background; (iv) estimate the length of the direct testimony of each witness; (v) identify all exhibits which are part of the Record Proper and, for exhibits not part of the Record Proper, attach a copy; (vi) list or make available all technical materials relied upon by each witness in making the statement of technical fact or opinion contained in his or her direct testimony; (vii) attach a complete narrative of the direct testimony of each witness, stating any opinion(s) to be offered by such witness, and an explanation of the basis for such opinion(s); and (vii) comport with provisions 20.1.2.200 NMAC and the Amended Scheduling Order. Unless otherwise ordered by the Hearing Officer, NOIs to Present Rebuttal Technical Testimony, if any, shall be filed on or before September 3, 2026, and comport with the same requirements as the preceding NOIs as described above.

Failure to file a timely and complete NOI will preclude a person from presenting technical evidence or testimony sought to be offered. All exhibits must be properly marked to be accepted, including the party name and exhibit number on the top or bottom of the exhibit, and include consecutively numbered pages.

Permit Hearing Procedures:
The public hearing, as well as all pre-hearing and post-hearing activity, will be conducted in accordance with the Permit Procedures of the Environment Department (20.1.4 NMAC), the Act, and applicable construction permit rules and regulations. The Permit Procedures may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 or by contacting the Hearing Clerk. The construction permit rules (20.2.72 NMAC) may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Notice of Non-Discrimination:
NMED does not discriminate on the basis of race, color, national origin, disability, age or sex in the administration of its programs or activities, as required by applicable laws and regulations. NMED is responsible for coordination of compliance efforts and receipt of inquiries concerning non-discrimination requirements implemented by 40 C.F.R. Part 7, including Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, and Section 13 of the Federal Water Pollution Control Act Amendments of 1972. If you have any questions about this notice or any of NMED's non-discrimination programs, policies or procedures, or if you believe that you have been discriminated against with respect to a NMED program or activity, you may contact: Non-Discrimination Coordinator, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. You may also visit our website at https://www.env.nm.gov/non-employee-discrimination-complaint-page/ to learn how and where to file a complaint of discrimination.

ESTADO DE NUEVO MÉXICO
ANTE EL SECRETARIO DE MEDIO AMBIENTE

EN EL ASUNTO DE:
LA SOLICITUD DE YUCCA GROWTH INFRASTRUCTURE, LLC PARA UN PERMISO DE CALIDAD DEL AIRE, NO. NSR 10883

AQB 26-57(P)

AVISO ENMENDADO DE AUDIENCIA PÚBLICA

El Departamento de Medio Ambiente de Nuevo México ("Departamento" o "NMED") anuncia una audiencia pública híbrida para recibir pruebas sobre la solicitud de un permiso de construcción de calidad del aire para una instalación ubicada en el condado de Doña Ana, de conformidad con la Ley de Control de la Calidad del Aire de Nuevo México, NMSA 1978, Secciones 74-2-1 a 74-2-17 (la "Ley"), y los reglamentos contenidos en la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC). La solicitud de permiso que será considerada en esta audiencia corresponde al Microgrid de YGI, presentada por Yucca Growth Infrastructure, LLC ("Yucca").

Este Aviso Enmendado de Audiencia Pública se emite de conformidad con la Orden Enmendada de Programación del Funcionario de Audiencias, de fecha 29 de julio de 2026, y con las disposiciones de la Sección 20.1.4.200 del Código Administrativo de Nuevo México (NMAC). Asimismo, este Aviso Enmendado de Audiencia Pública sustituye y deja sin efecto el Aviso de Audiencia Pública inicial. La versión en inglés de dicho aviso fue publicada en el Albuquerque Journal el 17 de julio de 2026 y en el Las Cruces Sun el 17 de julio de 2026; la versión en español fue publicada en el Las Cruces Sun el 17 de julio de 2026 y en el Albuquerque Journal el 18 de julio de 2026.

Se puede obtener una copia de la Orden Enmendada de Programación, así como de todos los demás documentos presentados en este asunto, en el sitio web del Departamento, en la siguiente dirección https://www.env.nm.gov/opf/docketed-matters/; Desplácese hacia abajo y seleccione "Environment Department Cabinet Secretary"; luego desplácese hacia abajo y seleccione "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid".

Breve Descripción de la Solicitud de Permiso:
Yucca ha presentado la solicitud de permiso de Revisión de Nuevas Fuentes (New Source Review) N.º NSR 10883 para construir el YGI Microgrid, el cual estará compuesto por celdas de combustible de óxido sólido Bloom Energy (Solid Oxide Fuel Cells, "SOFC") para generar 2,462 MW de energía destinada a abastecer un centro de datos cercano. La solicitud de Yucca pide que el YGI Microgrid sea autorizado para operar como una fuente mayor del Título V, de conformidad con la Ley y la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC), y que pueda operar de manera continua (8,760 horas al año). El YGI Microgrid es una instalación nueva que se proyecta ubicar en las siguientes coordenadas geográficas (grados decimales de latitud y longitud): 31.8183, -106.6792, Datum: WGS 84. Para facilitar la ubicación de esta instalación, se

indica que estará aproximadamente a 3.6 millas al sur de Santa Teresa, en el condado de Doña Ana, Nuevo México.

Una versión electrónica de la solicitud de permiso, sus revisiones, el Proyecto de Permiso del Departamento, la Declaración de Fundamentos del Departamento, así como otros materiales y avisos previamente emitidos, puede consultarse en el sitio web del Departamento, en la siguiente dirección: https://www.env.nm.gov/public-notices/; Desplácese hacia abajo y seleccione Doña Ana County; luego busque y seleccione el encabezado titulado "Yucca Growth Infrastructure, LLC — YGI Microgrid". Si alguna persona no puede obtener una copia del proyecto de permiso en el sitio web indicado anteriormente o desea información adicional, puede comunicarse con:

Julia Kuhn

600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Fecha, Hora y Lugar de la Audiencia:
La audiencia comenzará a las 9:00 a. m. del 14 de septiembre de 2026 y se llevará a cabo en días consecutivos, según sea necesario, o podrá continuarse por orden del Funcionario de Audiencias. La audiencia se celebrará de forma híbrida, tanto de manera virtual a través de Webex (consulte el enlace publicado en el calendario del Departamento en https://www.env.nm.gov/events-calendar/) y de manera presencial en el siguiente lugar físico en Sunland Park, condado de Doña Ana, Nuevo México: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. La audiencia contará con intérpretes de español disponibles a través de Webex.

Presentación de Comentarios No Técnicos o del Público en General:
El Funcionario de Audiencias aceptará comentarios no técnicos o del público en general por escrito antes del inicio de la audiencia, así como por escrito o verbalmente mientras el expediente de la audiencia permanezca abierto. Se recomienda a los miembros del público que deseen presentar comentarios no técnicos o de carácter general que los envíen por escrito mediante el Portal de Comentarios Públicos del NMED, incluyendo las pruebas, datos, opiniones, argumentos o declaraciones escritas pertinentes en lugar de testimonio oral durante la audiencia, o bien como comentario público. Se puede acceder al Portal de Comentarios Públicos mediante el enlace disponible en la página web del Departamento correspondiente a los asuntos incluidos en el expediente www.env.nm.gov/opf/docketed-matters/. Busque en el menú desplegable del Secretario del Gabinete del Departamento de Medio Ambiente ("Environment Department Cabinet Secretary") "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". El enlace directo al Portal de Comentarios Públicos es http://nmed.commentinput.com.

Administrative Record NSR 10833_002936

El testimonio verbal no técnico o los comentarios generales del público serán aceptados durante la audiencia mientras el expediente permanezca abierto. De conformidad con la Orden Enmendada de Programación, las personas que tengan la intención de proporcionar testimonio verbal no técnico o comentarios generales del público serán juramentadas y se les permitirá presentar comentarios durante todo el primer día de la audiencia, el 14 de septiembre de 2026, así como en diversos momentos durante el desarrollo de la audiencia. Los miembros del público tendrán hasta tres (3) minutos para ofrecer testimonio verbal no técnico o comentarios generales por persona, a menos que el Funcionario de Audiencias ordene lo contrario. La audiencia se llevará a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente, 20.1.4 NMAC, los procedimientos aplicables a los Permisos de Construcción de Calidad del Aire, 20.2.72 NMAC, y otros procedimientos de audiencia aplicables.

Comparecencia:
Toda persona que desee ser parte en este procedimiento deberá presentar ante el Secretario de Audiencias, en la dirección indicada a continuación, una Comparecencia a más tardar el 24 de agosto de 2026. Una Declaración o Aviso de Intención de Presentar Testimonio Técnico presentada oportunamente y que esté completa se considerará una Comparecencia si la persona que presenta dicha declaración no ha presentado previamente una Comparecencia por separado.

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

La falta de presentación, en tiempo y forma, de una Declaración de Intención o de una Notificación de Comparecencia que cumpla sustancialmente con estos requisitos impedirá que la persona adquiera la condición de parte, pero no le impedirá presentar testimonios no técnicos —ya sean escritos u orales— ni formular comentarios de interés público general.

Declaración de Intención de Presentar Testimonio Técnico:
Toda persona que tenga la intención de presentar pruebas técnicas o testimonio técnico durante la audiencia pública deberá presentar ante el Secretario de Audiencias una Declaración o Aviso de Intención ("NOI") de Presentar Testimonio Técnico a más tardar el 24 de agosto de 2026, y deberá enviar una copia electrónica de dicho documento a todas las demás partes. El NOI deberá presentarse ante el Secretario de Audiencias en el siguiente correo electrónico:

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
Luis.lopez@env.nm.gov

Administrative Record NSR 10833_002937

La Declaración de Intención de Presentar Testimonio Técnico (NOI) deberá: (i) identificar a la persona que presenta la declaración; (ii) indicar si la persona que presenta la declaración apoya u objeta el Proyecto de Permiso, la Solicitud o la Petición; (iii) identificar a cada testigo, incluyendo su nombre, dirección, afiliación(es), y antecedentes educativos y laborales; (iv) estimar la duración del testimonio directo de cada testigo; (v) identificar todos los anexos que forman parte del Expediente Oficial y, para los anexos que no formen parte del Expediente Oficial, adjuntar una copia; (vi) enumerar o poner a disposición todos los materiales técnicos en los que se basó cada testigo al formular la declaración de hechos u opiniones técnicas contenidas en su testimonio directo; (vii) adjuntar una narrativa completa del testimonio directo de cada testigo, indicando cualquier opinión que dicho testigo ofrecerá y una explicación de la base de dichas opiniones; y (viii) cumplir con las disposiciones de la Sección 20.1.2.200 del Código Administrativo de Nuevo México (NMAC) y con la Orden Enmendada de Programación. Salvo que el Funcionario de Audiencias ordene lo contrario, las Declaraciones de Intención de Presentar Testimonio Técnico de Refutación, si las hubiera, deberán presentarse a más tardar el 3 de septiembre de 2026 y deberán cumplir con los mismos requisitos establecidos anteriormente para las NOI previas.

La falta de presentación oportuna y completa de una NOI impedirá que una persona presente las pruebas técnicas o el testimonio técnico que pretenda ofrecer. Todos los anexos deberán estar debidamente identificados para ser aceptados, incluyendo el nombre de la parte y el número del anexo en la parte superior o inferior del mismo, y deberán incluir páginas numeradas consecutivamente.

Procedimientos de la Audiencia de Permiso:
La audiencia pública, así como todas las actividades previas y posteriores a la audiencia, se llevarán a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente (20.1.4 NMAC), la Ley y las normas y reglamentos aplicables a los permisos de construcción. Los Procedimientos de Permisos pueden consultarse electrónicamente en https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 o comunicándose con el Secretario de Audiencias. Las normas sobre permisos de construcción (20.2.72 NMAC) pueden consultarse electrónicamente en: https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Aviso de No Discriminación:
El NMED no discrimina por motivos de raza, color, origen nacional, discapacidad, edad o sexo en la administración de sus programas o actividades, según lo exigen las leyes y reglamentos aplicables. El NMED es responsable de coordinar los esfuerzos de cumplimiento y de recibir consultas relacionadas con los requisitos de no discriminación implementados conforme al Título 40 del Código de Reglamentos Federales (C.F.R.), Parte 7, incluyendo el Título VI de la Ley de Derechos Civiles de 1964, según enmendada; la Sección 504 de la Ley de Rehabilitación de 1973; la Ley contra la Discriminación por Edad de 1975; el Título IX de las Enmiendas Educativas de 1972; y la Sección 13 de las Enmiendas a la Ley Federal de Control de la Contaminación del Agua de 1972. Si tiene alguna pregunta sobre este aviso o sobre cualquiera de los programas, políticas o procedimientos de no discriminación del NMED, o si considera que ha sido objeto de discriminación en relación con un programa o actividad del NMED, puede comunicarse con: Coordinador de No Discriminación, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. También puede visitar nuestro sitio web en https://www.env.nm.gov/non-employee-discrimination-complaint-page/ para obtener información sobre cómo y dónde presentar una queja por discriminación.

Notice of Hearing – English and Spanish

Administrative Record NSR 10833_002941

STATE OF NEW MEXICO
BEFORE THE SECRETARY OF ENVIRONMENT

IN THE MATTER OF:
THE APPLICATION OF YUCCA GROWTH INFRASTRUCTURE, LLC FOR AN AIR QUALITY PERMIT, NO. NSR 10883

AQB 26-57(P)

AMENDED NOTICE OF PUBLIC HEARING

The New Mexico Environment Department ("Department" or "NMED") announces a hybrid public hearing to take evidence on the application for an air quality construction permit for a facility located in Doña Ana County pursuant to the New Mexico Air Quality Control Act, NMSA 1978 Sections 74-2-1 through 74-2-17 ("Act"), and regulations within Part 20.2.72 NMAC. The permit application to be considered in this hearing pertains to the YGI Microgrid as submitted by Yucca Growth Infrastructure, LLC ("Yucca").

This Amended Notice of Public Hearing is provided pursuant to the Hearing Officer's July 29, 2026, Amended Scheduling Order and the provisions of 20.1.4.200 NMAC. Additionally, this Amended Notice of Public Hearing supersedes and serves to retract the initial the Notice of Public Hearing. The English language version of which was published in the Albuquerque Journal on July 17, 2026, and Las Cruces Sun on July 17, 2026, and the Spanish language version was published in the Las Cruces Sun on July 17, 2026, and in the Albuquerque Journal on July 18, 2026.

A copy of the Amended Scheduling Order, as well as all other filings in this matter may be obtained on the Department's website at the following location: go to https://www.env.nm.gov/opf/docketed-matters/; scroll to and select "Environment Department Cabinet Secretary"; then scroll to and select "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid."

Brief Description of Permit Application:
Yucca has submitted a New Source Review permit application No. NSR 10883 to construct the YGI Microgrid which would consist of Bloom Energy Solid Oxide Fuel Cells ("SOFC") to generate 2,462 MW to power a nearby data center. Yucca's application requests that the YGI Microgrid be permitted to operate as Title V major source under the Act and Part 20.2.72 NMAC, and that it may operate continuously (8,760 hours per year). The YGI Microgrid is a new facility that intends to be located at latitude and longitude decimal degrees: 31.8183, -106.6792 Datum: WGS 84. To aid in locating this facility, the approximate location is 3.6 miles South of Santa Teresa in Doña Ana County, NM.

An electronic version of the permit application, its revisions, the Department's Draft Permit, the Department's Statement of Basis, as well as other previous materials and notices may be reviewed on the Department's website at the following location: go to https://www.env.nm.gov/public-notices/; scroll to and select Doña Ana County; then find and select the header labeled "Yucca Growth Infrastructure, LLC — YGI Microgrid." If an individual is unable to obtain a copy of the draft permit at the above website or is seeking additional information, they may contact:

Julia Kuhn
Permits Section

600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Hearing Date, Time, and Location:
The hearing will begin at 9:00 a.m. on September 14, 2026, and will be conducted on consecutive days as needed or continued upon order of the Hearing Officer. The hearing will be conducted both virtually via Webex (see the link posted online in the Department's Calendar at https://www.env.nm.gov/events-calendar/) and in person at the following physical location in Sunland Park in Doña Ana County, New Mexico: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. The hearing will have Spanish interpreters available on Webex.

Providing Non-Technical or General Public Comment:
The Hearing Officer will accept non-technical or general public comment in writing prior to the beginning of the hearing or in writing or verbally while the hearing record is open. Members of the public who wish to provide non-technical or general comment are encouraged to submit their comments in writing by using NMED's Public Comment Portal, including relevant evidence, data, views, arguments, written statements in lieu of oral testimony at the hearing, or public comment. Access the Public Comment Portal via a link on the Department's docketed matters web page www.env.nm.gov/opf/docketed-matters/. Look under the Environment Department Cabinet Secretary dropdown for "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". The direct link to the Public Comment Portal is http://nmed.commentinput.com.

Verbal non-technical testimony or general comment will be accepted at the hearing while the record is open. Pursuant to the Amended Scheduling Order individuals intending to provide non-

technical verbal testimony or general public comment will be sworn in and allowed to submit comments throughout the first day of the hearing on September 14, 2026, and at various times throughout the hearing. Members of the public will have up to three (3) minutes to offer verbal non-technical testimony or general comment per individual, unless otherwise ordered by the Hearing Officer. The hearing will be conducted in accordance with the Environment Department Permitting Procedures, 20.1.4 NMAC, the procedures in Air Quality Construction Permits, 20.2.72 NMAC, and other applicable hearing procedures.

Entry of Appearance:
Any person who wishes to be a party in this proceeding must file with the Hearing Clerk at the address below an Entry of Appearance on or before August 24, 2026. A timely and complete Statement or Notice of Intent to Present Technical Testimony shall be considered an Entry of Appearance if the person filing such statement has not previously filed a separate Entry of Appearance.

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

A person's failure to file a timely Statement of Intent or Entry of Appearance substantially complying with these requirements shall preclude the person from becoming a party but shall not preclude a person from presenting written or oral non-technical testimony or general public comments.

Statement of Intent to Present Technical Testimony:
Any person who intends to present technical evidence or technical testimony at the public hearing must file a Statement or Notice of Intent ("NOI") to Present Technical Testimony with the Hearing Clerk on or before August 24, 2026, and serve an electronic copy of the foregoing on all other parties. The NOI must be filed with the Hearing Clerk at the following email:

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
Luis.lopez@env.nm.gov

The NOI to Present Technical Testimony shall: (i) identify the person filing the statement; (ii) state whether the person filing the statement supports or opposes the Draft Permit, Application, or Petition; (iii) identify each witness, including name, address, affiliation(s), and educational and

work background; (iv) estimate the length of the direct testimony of each witness; (v) identify all exhibits which are part of the Record Proper and, for exhibits not part of the Record Proper, attach a copy; (vi) list or make available all technical materials relied upon by each witness in making the statement of technical fact or opinion contained in his or her direct testimony; (vii) attach a complete narrative of the direct testimony of each witness, stating any opinion(s) to be offered by such witness, and an explanation of the basis for such opinion(s); and (vii) comport with provisions 20.1.2.200 NMAC and the Amended Scheduling Order. Unless otherwise ordered by the Hearing Officer, NOIs to Present Rebuttal Technical Testimony, if any, shall be filed on or before September 3, 2026, and comport with the same requirements as the preceding NOIs as described above.

Failure to file a timely and complete NOI will preclude a person from presenting technical evidence or testimony sought to be offered. All exhibits must be properly marked to be accepted, including the party name and exhibit number on the top or bottom of the exhibit, and include consecutively numbered pages.

Permit Hearing Procedures:
The public hearing, as well as all pre-hearing and post-hearing activity, will be conducted in accordance with the Permit Procedures of the Environment Department (20.1.4 NMAC), the Act, and applicable construction permit rules and regulations. The Permit Procedures may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 or by contacting the Hearing Clerk. The construction permit rules (20.2.72 NMAC) may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Notice of Non-Discrimination:
NMED does not discriminate on the basis of race, color, national origin, disability, age or sex in the administration of its programs or activities, as required by applicable laws and regulations. NMED is responsible for coordination of compliance efforts and receipt of inquiries concerning non-discrimination requirements implemented by 40 C.F.R. Part 7, including Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, and Section 13 of the Federal Water Pollution Control Act Amendments of 1972. If you have any questions about this notice or any of NMED's non-discrimination programs, policies or procedures, or if you believe that you have been discriminated against with respect to a NMED program or activity, you may contact: Non-Discrimination Coordinator, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. You may also visit our website at https://www.env.nm.gov/non-employee-discrimination-complaint-page/ to learn how and where to file a complaint of discrimination.

ESTADO DE NUEVO MÉXICO
ANTE EL SECRETARIO DE MEDIO AMBIENTE

EN EL ASUNTO DE:
LA SOLICITUD DE YUCCA GROWTH INFRASTRUCTURE, LLC PARA UN PERMISO DE CALIDAD DEL AIRE, NO. NSR 10883

AQB 26-57(P)

AVISO ENMENDADO DE AUDIENCIA PÚBLICA

El Departamento de Medio Ambiente de Nuevo México ("Departamento" o "NMED") anuncia una audiencia pública híbrida para recibir pruebas sobre la solicitud de un permiso de construcción de calidad del aire para una instalación ubicada en el condado de Doña Ana, de conformidad con la Ley de Control de la Calidad del Aire de Nuevo México, NMSA 1978, Secciones 74-2-1 a 74-2-17 (la "Ley"), y los reglamentos contenidos en la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC). La solicitud de permiso que será considerada en esta audiencia corresponde al Microgrid de YGI, presentada por Yucca Growth Infrastructure, LLC ("Yucca").

Este Aviso Enmendado de Audiencia Pública se emite de conformidad con la Orden Enmendada de Programación del Funcionario de Audiencias, de fecha 29 de julio de 2026, y con las disposiciones de la Sección 20.1.4.200 del Código Administrativo de Nuevo México (NMAC). Asimismo, este Aviso Enmendado de Audiencia Pública sustituye y deja sin efecto el Aviso de Audiencia Pública inicial. La versión en inglés de dicho aviso fue publicada en el Albuquerque Journal el 17 de julio de 2026 y en el Las Cruces Sun el 17 de julio de 2026; la versión en español fue publicada en el Las Cruces Sun el 17 de julio de 2026 y en el Albuquerque Journal el 18 de julio de 2026.

Se puede obtener una copia de la Orden Enmendada de Programación, así como de todos los demás documentos presentados en este asunto, en el sitio web del Departamento, en la siguiente dirección https://www.env.nm.gov/opf/docketed-matters/; Desplácese hacia abajo y seleccione "Environment Department Cabinet Secretary"; luego desplácese hacia abajo y seleccione "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid".

Breve Descripción de la Solicitud de Permiso:
Yucca ha presentado la solicitud de permiso de Revisión de Nuevas Fuentes (New Source Review) N.º NSR 10883 para construir el YGI Microgrid, el cual estará compuesto por celdas de combustible de óxido sólido Bloom Energy (Solid Oxide Fuel Cells, "SOFC") para generar 2,462 MW de energía destinada a abastecer un centro de datos cercano. La solicitud de Yucca pide que el YGI Microgrid sea autorizado para operar como una fuente mayor del Título V, de conformidad con la Ley y la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC), y que pueda operar de manera continua (8,760 horas al año). El YGI Microgrid es una instalación nueva que se proyecta ubicar en las siguientes coordenadas geográficas (grados decimales de latitud y longitud): 31.8183, -106.6792, Datum: WGS 84. Para facilitar la ubicación de esta instalación, se

indica que estará aproximadamente a 3.6 millas al sur de Santa Teresa, en el condado de Doña Ana, Nuevo México.

Una versión electrónica de la solicitud de permiso, sus revisiones, el Proyecto de Permiso del Departamento, la Declaración de Fundamentos del Departamento, así como otros materiales y avisos previamente emitidos, puede consultarse en el sitio web del Departamento, en la siguiente dirección: https://www.env.nm.gov/public-notices/; Desplácese hacia abajo y seleccione Doña Ana County; luego busque y seleccione el encabezado titulado "Yucca Growth Infrastructure, LLC — YGI Microgrid". Si alguna persona no puede obtener una copia del proyecto de permiso en el sitio web indicado anteriormente o desea información adicional, puede comunicarse con:

Julia Kuhn

Oficina de Calidad del Aire
Departamento de Ambiente de Nuevo México
525 Camino de los Marquez, Suite 1A
Santa Fe, New Mexico 87505-1816
(505) 476-4300

Información de Contacto del Solicitante:
Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Fecha, Hora y Lugar de la Audiencia:
La audiencia comenzará a las 9:00 a. m. del 14 de septiembre de 2026 y se llevará a cabo en días consecutivos, según sea necesario, o podrá continuarse por orden del Funcionario de Audiencias. La audiencia se celebrará de forma híbrida, tanto de manera virtual a través de Webex (consulte el enlace publicado en el calendario del Departamento en https://www.env.nm.gov/events-calendar/) y de manera presencial en el siguiente lugar físico en Sunland Park, condado de Doña Ana, Nuevo México: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. La audiencia contará con intérpretes de español disponibles a través de Webex.

Presentación de Comentarios No Técnicos o del Público en General:
El Funcionario de Audiencias aceptará comentarios no técnicos o del público en general por escrito antes del inicio de la audiencia, así como por escrito o verbalmente mientras el expediente de la audiencia permanezca abierto. Se recomienda a los miembros del público que deseen presentar comentarios no técnicos o de carácter general que los envíen por escrito mediante el Portal de Comentarios Públicos del NMED, incluyendo las pruebas, datos, opiniones, argumentos o declaraciones escritas pertinentes en lugar de testimonio oral durante la audiencia, o bien como comentario público. Se puede acceder al Portal de Comentarios Públicos mediante el enlace disponible en la página web del Departamento correspondiente a los asuntos incluidos en el expediente www.env.nm.gov/opf/docketed-matters/. Busque en el menú desplegable del Secretario del Gabinete del Departamento de Medio Ambiente ("Environment Department Cabinet Secretary") "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". El enlace directo al Portal de Comentarios Públicos es http://nmed.commentinput.com.

Administrative Record NSR 10833_002947

El testimonio verbal no técnico o los comentarios generales del público serán aceptados durante la audiencia mientras el expediente permanezca abierto. De conformidad con la Orden Enmendada de Programación, las personas que tengan la intención de proporcionar testimonio verbal no técnico o comentarios generales del público serán juramentadas y se les permitirá presentar comentarios durante todo el primer día de la audiencia, el 14 de septiembre de 2026, así como en diversos momentos durante el desarrollo de la audiencia. Los miembros del público tendrán hasta tres (3) minutos para ofrecer testimonio verbal no técnico o comentarios generales por persona, a menos que el Funcionario de Audiencias ordene lo contrario. La audiencia se llevará a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente, 20.1.4 NMAC, los procedimientos aplicables a los Permisos de Construcción de Calidad del Aire, 20.2.72 NMAC, y otros procedimientos de audiencia aplicables.

Comparecencia:
Toda persona que desee ser parte en este procedimiento deberá presentar ante el Secretario de Audiencias, en la dirección indicada a continuación, una Comparecencia a más tardar el 24 de agosto de 2026. Una Declaración o Aviso de Intención de Presentar Testimonio Técnico presentada oportunamente y que esté completa se considerará una Comparecencia si la persona que presenta dicha declaración no ha presentado previamente una Comparecencia por separado.

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

La falta de presentación, en tiempo y forma, de una Declaración de Intención o de una Notificación de Comparecencia que cumpla sustancialmente con estos requisitos impedirá que la persona adquiera la condición de parte, pero no le impedirá presentar testimonios no técnicos —ya sean escritos u orales— ni formular comentarios de interés público general.

Declaración de Intención de Presentar Testimonio Técnico:
Toda persona que tenga la intención de presentar pruebas técnicas o testimonio técnico durante la audiencia pública deberá presentar ante el Secretario de Audiencias una Declaración o Aviso de Intención ("NOI") de Presentar Testimonio Técnico a más tardar el 24 de agosto de 2026, y deberá enviar una copia electrónica de dicho documento a todas las demás partes. El NOI deberá presentarse ante el Secretario de Audiencias en el siguiente correo electrónico:

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
Luis.lopez@env.nm.gov

Administrative Record NSR 10833_002948

La Declaración de Intención de Presentar Testimonio Técnico (NOI) deberá: (i) identificar a la persona que presenta la declaración; (ii) indicar si la persona que presenta la declaración apoya u objeta el Proyecto de Permiso, la Solicitud o la Petición; (iii) identificar a cada testigo, incluyendo su nombre, dirección, afiliación(es), y antecedentes educativos y laborales; (iv) estimar la duración del testimonio directo de cada testigo; (v) identificar todos los anexos que forman parte del Expediente Oficial y, para los anexos que no formen parte del Expediente Oficial, adjuntar una copia; (vi) enumerar o poner a disposición todos los materiales técnicos en los que se basó cada testigo al formular la declaración de hechos u opiniones técnicas contenidas en su testimonio directo; (vii) adjuntar una narrativa completa del testimonio directo de cada testigo, indicando cualquier opinión que dicho testigo ofrecerá y una explicación de la base de dichas opiniones; y (viii) cumplir con las disposiciones de la Sección 20.1.2.200 del Código Administrativo de Nuevo México (NMAC) y con la Orden Enmendada de Programación. Salvo que el Funcionario de Audiencias ordene lo contrario, las Declaraciones de Intención de Presentar Testimonio Técnico de Refutación, si las hubiera, deberán presentarse a más tardar el 3 de septiembre de 2026 y deberán cumplir con los mismos requisitos establecidos anteriormente para las NOI previas.

La falta de presentación oportuna y completa de una NOI impedirá que una persona presente las pruebas técnicas o el testimonio técnico que pretenda ofrecer. Todos los anexos deberán estar debidamente identificados para ser aceptados, incluyendo el nombre de la parte y el número del anexo en la parte superior o inferior del mismo, y deberán incluir páginas numeradas consecutivamente.

Procedimientos de la Audiencia de Permiso:
La audiencia pública, así como todas las actividades previas y posteriores a la audiencia, se llevarán a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente (20.1.4 NMAC), la Ley y las normas y reglamentos aplicables a los permisos de construcción. Los Procedimientos de Permisos pueden consultarse electrónicamente en https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 o comunicándose con el Secretario de Audiencias. Las normas sobre permisos de construcción (20.2.72 NMAC) pueden consultarse electrónicamente en: https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Aviso de No Discriminación:
El NMED no discrimina por motivos de raza, color, origen nacional, discapacidad, edad o sexo en la administración de sus programas o actividades, según lo exigen las leyes y reglamentos aplicables. El NMED es responsable de coordinar los esfuerzos de cumplimiento y de recibir consultas relacionadas con los requisitos de no discriminación implementados conforme al Título 40 del Código de Reglamentos Federales (C.F.R.), Parte 7, incluyendo el Título VI de la Ley de Derechos Civiles de 1964, según enmendada; la Sección 504 de la Ley de Rehabilitación de 1973; la Ley contra la Discriminación por Edad de 1975; el Título IX de las Enmiendas Educativas de 1972; y la Sección 13 de las Enmiendas a la Ley Federal de Control de la Contaminación del Agua de 1972. Si tiene alguna pregunta sobre este aviso o sobre cualquiera de los programas, políticas o procedimientos de no discriminación del NMED, o si considera que ha sido objeto de discriminación en relación con un programa o actividad del NMED, puede comunicarse con: Coordinador de No Discriminación, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. También puede visitar nuestro sitio web en https://www.env.nm.gov/non-employee-discrimination-complaint-page/ para obtener información sobre cómo y dónde presentar una queja por discriminación.

Notice of Hearing – English and Spanish

Administrative Record NSR 10833_002952

STATE OF NEW MEXICO
BEFORE THE SECRETARY OF ENVIRONMENT

IN THE MATTER OF:
THE APPLICATION OF YUCCA GROWTH INFRASTRUCTURE, LLC FOR AN AIR QUALITY PERMIT, NO. NSR 10883

AQB 26-57(P)

AMENDED NOTICE OF PUBLIC HEARING

The New Mexico Environment Department ("Department" or "NMED") announces a hybrid public hearing to take evidence on the application for an air quality construction permit for a facility located in Doña Ana County pursuant to the New Mexico Air Quality Control Act, NMSA 1978 Sections 74-2-1 through 74-2-17 ("Act"), and regulations within Part 20.2.72 NMAC. The permit application to be considered in this hearing pertains to the YGI Microgrid as submitted by Yucca Growth Infrastructure, LLC ("Yucca").

This Amended Notice of Public Hearing is provided pursuant to the Hearing Officer's July 29, 2026, Amended Scheduling Order and the provisions of 20.1.4.200 NMAC. Additionally, this Amended Notice of Public Hearing supersedes and serves to retract the initial the Notice of Public Hearing. The English language version of which was published in the Albuquerque Journal on July 17, 2026, and Las Cruces Sun on July 17, 2026, and the Spanish language version was published in the Las Cruces Sun on July 17, 2026, and in the Albuquerque Journal on July 18, 2026.

A copy of the Amended Scheduling Order, as well as all other filings in this matter may be obtained on the Department's website at the following location: go to https://www.env.nm.gov/opf/docketed-matters/; scroll to and select "Environment Department Cabinet Secretary"; then scroll to and select "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid."

Brief Description of Permit Application:
Yucca has submitted a New Source Review permit application No. NSR 10883 to construct the YGI Microgrid which would consist of Bloom Energy Solid Oxide Fuel Cells ("SOFC") to generate 2,462 MW to power a nearby data center. Yucca's application requests that the YGI Microgrid be permitted to operate as Title V major source under the Act and Part 20.2.72 NMAC, and that it may operate continuously (8,760 hours per year). The YGI Microgrid is a new facility that intends to be located at latitude and longitude decimal degrees: 31.8183, -106.6792 Datum: WGS 84. To aid in locating this facility, the approximate location is 3.6 miles South of Santa Teresa in Doña Ana County, NM.

An electronic version of the permit application, its revisions, the Department's Draft Permit, the Department's Statement of Basis, as well as other previous materials and notices may be reviewed on the Department's website at the following location: go to https://www.env.nm.gov/public-notices/; scroll to and select Doña Ana County; then find and select the header labeled "Yucca Growth Infrastructure, LLC — YGI Microgrid." If an individual is unable to obtain a copy of the draft permit at the above website or is seeking additional information, they may contact:

600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Hearing Date, Time, and Location:
The hearing will begin at 9:00 a.m. on September 14, 2026, and will be conducted on consecutive days as needed or continued upon order of the Hearing Officer. The hearing will be conducted both virtually via Webex (see the link posted online in the Department's Calendar at https://www.env.nm.gov/events-calendar/) and in person at the following physical location in Sunland Park in Doña Ana County, New Mexico: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. The hearing will have Spanish interpreters available on Webex.

Providing Non-Technical or General Public Comment:
The Hearing Officer will accept non-technical or general public comment in writing prior to the beginning of the hearing or in writing or verbally while the hearing record is open. Members of the public who wish to provide non-technical or general comment are encouraged to submit their comments in writing by using NMED's Public Comment Portal, including relevant evidence, data, views, arguments, written statements in lieu of oral testimony at the hearing, or public comment. Access the Public Comment Portal via a link on the Department's docketed matters web page www.env.nm.gov/opf/docketed-matters/. Look under the Environment Department Cabinet Secretary dropdown for "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". The direct link to the Public Comment Portal is http://nmed.commentinput.com.

Verbal non-technical testimony or general comment will be accepted at the hearing while the record is open. Pursuant to the Amended Scheduling Order individuals intending to provide non-

technical verbal testimony or general public comment will be sworn in and allowed to submit comments throughout the first day of the hearing on September 14, 2026, and at various times throughout the hearing. Members of the public will have up to three (3) minutes to offer verbal non-technical testimony or general comment per individual, unless otherwise ordered by the Hearing Officer. The hearing will be conducted in accordance with the Environment Department Permitting Procedures, 20.1.4 NMAC, the procedures in Air Quality Construction Permits, 20.2.72 NMAC, and other applicable hearing procedures.

Entry of Appearance:
Any person who wishes to be a party in this proceeding must file with the Hearing Clerk at the address below an Entry of Appearance on or before August 24, 2026. A timely and complete Statement or Notice of Intent to Present Technical Testimony shall be considered an Entry of Appearance if the person filing such statement has not previously filed a separate Entry of Appearance.

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

A person's failure to file a timely Statement of Intent or Entry of Appearance substantially complying with these requirements shall preclude the person from becoming a party but shall not preclude a person from presenting written or oral non-technical testimony or general public comments.

Statement of Intent to Present Technical Testimony:
Any person who intends to present technical evidence or technical testimony at the public hearing must file a Statement or Notice of Intent ("NOI") to Present Technical Testimony with the Hearing Clerk on or before August 24, 2026, and serve an electronic copy of the foregoing on all other parties. The NOI must be filed with the Hearing Clerk at the following email:

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
Luis.lopez@env.nm.gov

The NOI to Present Technical Testimony shall: (i) identify the person filing the statement; (ii) state whether the person filing the statement supports or opposes the Draft Permit, Application, or Petition; (iii) identify each witness, including name, address, affiliation(s), and educational and

work background; (iv) estimate the length of the direct testimony of each witness; (v) identify all exhibits which are part of the Record Proper and, for exhibits not part of the Record Proper, attach a copy; (vi) list or make available all technical materials relied upon by each witness in making the statement of technical fact or opinion contained in his or her direct testimony; (vii) attach a complete narrative of the direct testimony of each witness, stating any opinion(s) to be offered by such witness, and an explanation of the basis for such opinion(s); and (vii) comport with provisions 20.1.2.200 NMAC and the Amended Scheduling Order. Unless otherwise ordered by the Hearing Officer, NOIs to Present Rebuttal Technical Testimony, if any, shall be filed on or before September 3, 2026, and comport with the same requirements as the preceding NOIs as described above.

Failure to file a timely and complete NOI will preclude a person from presenting technical evidence or testimony sought to be offered. All exhibits must be properly marked to be accepted, including the party name and exhibit number on the top or bottom of the exhibit, and include consecutively numbered pages.

Permit Hearing Procedures:
The public hearing, as well as all pre-hearing and post-hearing activity, will be conducted in accordance with the Permit Procedures of the Environment Department (20.1.4 NMAC), the Act, and applicable construction permit rules and regulations. The Permit Procedures may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 or by contacting the Hearing Clerk. The construction permit rules (20.2.72 NMAC) may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Notice of Non-Discrimination:
NMED does not discriminate on the basis of race, color, national origin, disability, age or sex in the administration of its programs or activities, as required by applicable laws and regulations. NMED is responsible for coordination of compliance efforts and receipt of inquiries concerning non-discrimination requirements implemented by 40 C.F.R. Part 7, including Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, and Section 13 of the Federal Water Pollution Control Act Amendments of 1972. If you have any questions about this notice or any of NMED's non-discrimination programs, policies or procedures, or if you believe that you have been discriminated against with respect to a NMED program or activity, you may contact: Non-Discrimination Coordinator, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. You may also visit our website at https://www.env.nm.gov/non-employee-discrimination-complaint-page/ to learn how and where to file a complaint of discrimination.

ESTADO DE NUEVO MÉXICO
ANTE EL SECRETARIO DE MEDIO AMBIENTE

EN EL ASUNTO DE:
LA SOLICITUD DE YUCCA GROWTH INFRASTRUCTURE, LLC PARA UN PERMISO DE CALIDAD DEL AIRE, NO. NSR 10883

AQB 26-57(P)

AVISO ENMENDADO DE AUDIENCIA PÚBLICA

El Departamento de Medio Ambiente de Nuevo México ("Departamento" o "NMED") anuncia una audiencia pública híbrida para recibir pruebas sobre la solicitud de un permiso de construcción de calidad del aire para una instalación ubicada en el condado de Doña Ana, de conformidad con la Ley de Control de la Calidad del Aire de Nuevo México, NMSA 1978, Secciones 74-2-1 a 74-2-17 (la "Ley"), y los reglamentos contenidos en la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC). La solicitud de permiso que será considerada en esta audiencia corresponde al Microgrid de YGI, presentada por Yucca Growth Infrastructure, LLC ("Yucca").

Este Aviso Enmendado de Audiencia Pública se emite de conformidad con la Orden Enmendada de Programación del Funcionario de Audiencias, de fecha 29 de julio de 2026, y con las disposiciones de la Sección 20.1.4.200 del Código Administrativo de Nuevo México (NMAC). Asimismo, este Aviso Enmendado de Audiencia Pública sustituye y deja sin efecto el Aviso de Audiencia Pública inicial. La versión en inglés de dicho aviso fue publicada en el Albuquerque Journal el 17 de julio de 2026 y en el Las Cruces Sun el 17 de julio de 2026; la versión en español fue publicada en el Las Cruces Sun el 17 de julio de 2026 y en el Albuquerque Journal el 18 de julio de 2026.

Se puede obtener una copia de la Orden Enmendada de Programación, así como de todos los demás documentos presentados en este asunto, en el sitio web del Departamento, en la siguiente dirección https://www.env.nm.gov/opf/docketed-matters/; Desplácese hacia abajo y seleccione "Environment Department Cabinet Secretary"; luego desplácese hacia abajo y seleccione "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid".

Breve Descripción de la Solicitud de Permiso:
Yucca ha presentado la solicitud de permiso de Revisión de Nuevas Fuentes (New Source Review) N.º NSR 10883 para construir el YGI Microgrid, el cual estará compuesto por celdas de combustible de óxido sólido Bloom Energy (Solid Oxide Fuel Cells, "SOFC") para generar 2,462 MW de energía destinada a abastecer un centro de datos cercano. La solicitud de Yucca pide que el YGI Microgrid sea autorizado para operar como una fuente mayor del Título V, de conformidad con la Ley y la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC), y que pueda operar de manera continua (8,760 horas al año). El YGI Microgrid es una instalación nueva que se proyecta ubicar en las siguientes coordenadas geográficas (grados decimales de latitud y longitud): 31.8183, -106.6792, Datum: WGS 84. Para facilitar la ubicación de esta instalación, se

indica que estará aproximadamente a 3.6 millas al sur de Santa Teresa, en el condado de Doña Ana, Nuevo México.

Una versión electrónica de la solicitud de permiso, sus revisiones, el Proyecto de Permiso del Departamento, la Declaración de Fundamentos del Departamento, así como otros materiales y avisos previamente emitidos, puede consultarse en el sitio web del Departamento, en la siguiente dirección: https://www.env.nm.gov/public-notices/; Desplácese hacia abajo y seleccione Doña Ana County; luego busque y seleccione el encabezado titulado "Yucca Growth Infrastructure, LLC — YGI Microgrid". Si alguna persona no puede obtener una copia del proyecto de permiso en el sitio web indicado anteriormente o desea información adicional, puede comunicarse con:

Julia Kuhn

Oficina de Calidad del Aire
Departamento de Ambiente de Nuevo México
525 Camino de los Marquez, Suite 1A
Santa Fe, New Mexico 87505-1816
(505) 476-4300

Información de Contacto del Solicitante:
Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Fecha, Hora y Lugar de la Audiencia:
La audiencia comenzará a las 9:00 a. m. del 14 de septiembre de 2026 y se llevará a cabo en días consecutivos, según sea necesario, o podrá continuarse por orden del Funcionario de Audiencias. La audiencia se celebrará de forma híbrida, tanto de manera virtual a través de Webex (consulte el enlace publicado en el calendario del Departamento en https://www.env.nm.gov/events-calendar/) y de manera presencial en el siguiente lugar físico en Sunland Park, condado de Doña Ana, Nuevo México: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. La audiencia contará con intérpretes de español disponibles a través de Webex.

Presentación de Comentarios No Técnicos o del Público en General:
El Funcionario de Audiencias aceptará comentarios no técnicos o del público en general por escrito antes del inicio de la audiencia, así como por escrito o verbalmente mientras el expediente de la audiencia permanezca abierto. Se recomienda a los miembros del público que deseen presentar comentarios no técnicos o de carácter general que los envíen por escrito mediante el Portal de Comentarios Públicos del NMED, incluyendo las pruebas, datos, opiniones, argumentos o declaraciones escritas pertinentes en lugar de testimonio oral durante la audiencia, o bien como comentario público. Se puede acceder al Portal de Comentarios Públicos mediante el enlace disponible en la página web del Departamento correspondiente a los asuntos incluidos en el expediente www.env.nm.gov/opf/docketed-matters/. Busque en el menú desplegable del Secretario del Gabinete del Departamento de Medio Ambiente ("Environment Department Cabinet Secretary") "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". El enlace directo al Portal de Comentarios Públicos es http://nmed.commentinput.com.

Administrative Record NSR 10833_002958

El testimonio verbal no técnico o los comentarios generales del público serán aceptados durante la audiencia mientras el expediente permanezca abierto. De conformidad con la Orden Enmendada de Programación, las personas que tengan la intención de proporcionar testimonio verbal no técnico o comentarios generales del público serán juramentadas y se les permitirá presentar comentarios durante todo el primer día de la audiencia, el 14 de septiembre de 2026, así como en diversos momentos durante el desarrollo de la audiencia. Los miembros del público tendrán hasta tres (3) minutos para ofrecer testimonio verbal no técnico o comentarios generales por persona, a menos que el Funcionario de Audiencias ordene lo contrario. La audiencia se llevará a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente, 20.1.4 NMAC, los procedimientos aplicables a los Permisos de Construcción de Calidad del Aire, 20.2.72 NMAC, y otros procedimientos de audiencia aplicables.

Comparecencia:
Toda persona que desee ser parte en este procedimiento deberá presentar ante el Secretario de Audiencias, en la dirección indicada a continuación, una Comparecencia a más tardar el 24 de agosto de 2026. Una Declaración o Aviso de Intención de Presentar Testimonio Técnico presentada oportunamente y que esté completa se considerará una Comparecencia si la persona que presenta dicha declaración no ha presentado previamente una Comparecencia por separado.

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

La falta de presentación, en tiempo y forma, de una Declaración de Intención o de una Notificación de Comparecencia que cumpla sustancialmente con estos requisitos impedirá que la persona adquiera la condición de parte, pero no le impedirá presentar testimonios no técnicos —ya sean escritos u orales— ni formular comentarios de interés público general.

Declaración de Intención de Presentar Testimonio Técnico:
Toda persona que tenga la intención de presentar pruebas técnicas o testimonio técnico durante la audiencia pública deberá presentar ante el Secretario de Audiencias una Declaración o Aviso de Intención ("NOI") de Presentar Testimonio Técnico a más tardar el 24 de agosto de 2026, y deberá enviar una copia electrónica de dicho documento a todas las demás partes. El NOI deberá presentarse ante el Secretario de Audiencias en el siguiente correo electrónico:

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
Luis.lopez@env.nm.gov

Administrative Record NSR 10833_002959

La Declaración de Intención de Presentar Testimonio Técnico (NOI) deberá: (i) identificar a la persona que presenta la declaración; (ii) indicar si la persona que presenta la declaración apoya u objeta el Proyecto de Permiso, la Solicitud o la Petición; (iii) identificar a cada testigo, incluyendo su nombre, dirección, afiliación(es), y antecedentes educativos y laborales; (iv) estimar la duración del testimonio directo de cada testigo; (v) identificar todos los anexos que forman parte del Expediente Oficial y, para los anexos que no formen parte del Expediente Oficial, adjuntar una copia; (vi) enumerar o poner a disposición todos los materiales técnicos en los que se basó cada testigo al formular la declaración de hechos u opiniones técnicas contenidas en su testimonio directo; (vii) adjuntar una narrativa completa del testimonio directo de cada testigo, indicando cualquier opinión que dicho testigo ofrecerá y una explicación de la base de dichas opiniones; y (viii) cumplir con las disposiciones de la Sección 20.1.2.200 del Código Administrativo de Nuevo México (NMAC) y con la Orden Enmendada de Programación. Salvo que el Funcionario de Audiencias ordene lo contrario, las Declaraciones de Intención de Presentar Testimonio Técnico de Refutación, si las hubiera, deberán presentarse a más tardar el 3 de septiembre de 2026 y deberán cumplir con los mismos requisitos establecidos anteriormente para las NOI previas.

La falta de presentación oportuna y completa de una NOI impedirá que una persona presente las pruebas técnicas o el testimonio técnico que pretenda ofrecer. Todos los anexos deberán estar debidamente identificados para ser aceptados, incluyendo el nombre de la parte y el número del anexo en la parte superior o inferior del mismo, y deberán incluir páginas numeradas consecutivamente.

Procedimientos de la Audiencia de Permiso:
La audiencia pública, así como todas las actividades previas y posteriores a la audiencia, se llevarán a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente (20.1.4 NMAC), la Ley y las normas y reglamentos aplicables a los permisos de construcción. Los Procedimientos de Permisos pueden consultarse electrónicamente en https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 o comunicándose con el Secretario de Audiencias. Las normas sobre permisos de construcción (20.2.72 NMAC) pueden consultarse electrónicamente en:
https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Aviso de No Discriminación:
El NMED no discrimina por motivos de raza, color, origen nacional, discapacidad, edad o sexo en la administración de sus programas o actividades, según lo exigen las leyes y reglamentos aplicables. El NMED es responsable de coordinar los esfuerzos de cumplimiento y de recibir consultas relacionadas con los requisitos de no discriminación implementados conforme al Título 40 del Código de Reglamentos Federales (C.F.R.), Parte 7, incluyendo el Título VI de la Ley de Derechos Civiles de 1964, según enmendada; la Sección 504 de la Ley de Rehabilitación de 1973; la Ley contra la Discriminación por Edad de 1975; el Título IX de las Enmiendas Educativas de 1972; y la Sección 13 de las Enmiendas a la Ley Federal de Control de la Contaminación del Agua de 1972. Si tiene alguna pregunta sobre este aviso o sobre cualquiera de los programas, políticas o procedimientos de no discriminación del NMED, o si considera que ha sido objeto de discriminación en relación con un programa o actividad del NMED, puede comunicarse con: Coordinador de No Discriminación, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. También puede visitar nuestro sitio web en https://www.env.nm.gov/non-employee-discrimination-complaint-page/ para obtener información sobre cómo y dónde presentar una queja por discriminación.

Notice of Hearing – English and Spanish

Administrative Record NSR 10833_002963

STATE OF NEW MEXICO
BEFORE THE SECRETARY OF ENVIRONMENT

IN THE MATTER OF:
THE APPLICATION OF YUCCA GROWTH INFRASTRUCTURE, LLC FOR AN AIR QUALITY PERMIT, NO. NSR 10883

AQB 26-57(P)

AMENDED NOTICE OF PUBLIC HEARING

The New Mexico Environment Department ("Department" or "NMED") announces a hybrid public hearing to take evidence on the application for an air quality construction permit for a facility located in Doña Ana County pursuant to the New Mexico Air Quality Control Act, NMSA 1978 Sections 74-2-1 through 74-2-17 ("Act"), and regulations within Part 20.2.72 NMAC. The permit application to be considered in this hearing pertains to the YGI Microgrid as submitted by Yucca Growth Infrastructure, LLC ("Yucca").

This Amended Notice of Public Hearing is provided pursuant to the Hearing Officer's July 29, 2026, Amended Scheduling Order and the provisions of 20.1.4.200 NMAC. Additionally, this Amended Notice of Public Hearing supersedes and serves to retract the initial the Notice of Public Hearing. The English language version of which was published in the Albuquerque Journal on July 17, 2026, and Las Cruces Sun on July 17, 2026, and the Spanish language version was published in the Las Cruces Sun on July 17, 2026, and in the Albuquerque Journal on July 18, 2026.

A copy of the Amended Scheduling Order, as well as all other filings in this matter may be obtained on the Department's website at the following location: go to https://www.env.nm.gov/opf/docketed-matters/; scroll to and select "Environment Department Cabinet Secretary"; then scroll to and select "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid."

Brief Description of Permit Application:
Yucca has submitted a New Source Review permit application No. NSR 10883 to construct the YGI Microgrid which would consist of Bloom Energy Solid Oxide Fuel Cells ("SOFC") to generate 2,462 MW to power a nearby data center. Yucca's application requests that the YGI Microgrid be permitted to operate as Title V major source under the Act and Part 20.2.72 NMAC, and that it may operate continuously (8,760 hours per year). The YGI Microgrid is a new facility that intends to be located at latitude and longitude decimal degrees: 31.8183, -106.6792 Datum: WGS 84. To aid in locating this facility, the approximate location is 3.6 miles South of Santa Teresa in Doña Ana County, NM.

An electronic version of the permit application, its revisions, the Department's Draft Permit, the Department's Statement of Basis, as well as other previous materials and notices may be reviewed on the Department's website at the following location: go to https://www.env.nm.gov/public-notices/; scroll to and select Doña Ana County; then find and select the header labeled "Yucca Growth Infrastructure, LLC — YGI Microgrid." If an individual is unable to obtain a copy of the draft permit at the above website or is seeking additional information, they may contact:

600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Hearing Date, Time, and Location:
The hearing will begin at 9:00 a.m. on September 14, 2026, and will be conducted on consecutive days as needed or continued upon order of the Hearing Officer. The hearing will be conducted both virtually via Webex (see the link posted online in the Department's Calendar at https://www.env.nm.gov/events-calendar/) and in person at the following physical location in Sunland Park in Doña Ana County, New Mexico: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. The hearing will have Spanish interpreters available on Webex.

Providing Non-Technical or General Public Comment:
The Hearing Officer will accept non-technical or general public comment in writing prior to the beginning of the hearing or in writing or verbally while the hearing record is open. Members of the public who wish to provide non-technical or general comment are encouraged to submit their comments in writing by using NMED's Public Comment Portal, including relevant evidence, data, views, arguments, written statements in lieu of oral testimony at the hearing, or public comment. Access the Public Comment Portal via a link on the Department's docketed matters web page www.env.nm.gov/opf/docketed-matters/. Look under the Environment Department Cabinet Secretary dropdown for "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". The direct link to the Public Comment Portal is http://nmed.commentinput.com.

Verbal non-technical testimony or general comment will be accepted at the hearing while the record is open. Pursuant to the Amended Scheduling Order individuals intending to provide non-

technical verbal testimony or general public comment will be sworn in and allowed to submit comments throughout the first day of the hearing on September 14, 2026, and at various times throughout the hearing. Members of the public will have up to three (3) minutes to offer verbal non-technical testimony or general comment per individual, unless otherwise ordered by the Hearing Officer. The hearing will be conducted in accordance with the Environment Department Permitting Procedures, 20.1.4 NMAC, the procedures in Air Quality Construction Permits, 20.2.72 NMAC, and other applicable hearing procedures.

Entry of Appearance:
Any person who wishes to be a party in this proceeding must file with the Hearing Clerk at the address below an Entry of Appearance on or before August 24, 2026. A timely and complete Statement or Notice of Intent to Present Technical Testimony shall be considered an Entry of Appearance if the person filing such statement has not previously filed a separate Entry of Appearance.

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

A person's failure to file a timely Statement of Intent or Entry of Appearance substantially complying with these requirements shall preclude the person from becoming a party but shall not preclude a person from presenting written or oral non-technical testimony or general public comments.

Statement of Intent to Present Technical Testimony:
Any person who intends to present technical evidence or technical testimony at the public hearing must file a Statement or Notice of Intent ("NOI") to Present Technical Testimony with the Hearing Clerk on or before August 24, 2026, and serve an electronic copy of the foregoing on all other parties. The NOI must be filed with the Hearing Clerk at the following email:

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
Luis.lopez@env.nm.gov

The NOI to Present Technical Testimony shall: (i) identify the person filing the statement; (ii) state whether the person filing the statement supports or opposes the Draft Permit, Application, or Petition; (iii) identify each witness, including name, address, affiliation(s), and educational and

work background; (iv) estimate the length of the direct testimony of each witness; (v) identify all exhibits which are part of the Record Proper and, for exhibits not part of the Record Proper, attach a copy; (vi) list or make available all technical materials relied upon by each witness in making the statement of technical fact or opinion contained in his or her direct testimony; (vii) attach a complete narrative of the direct testimony of each witness, stating any opinion(s) to be offered by such witness, and an explanation of the basis for such opinion(s); and (vii) comport with provisions 20.1.2.200 NMAC and the Amended Scheduling Order. Unless otherwise ordered by the Hearing Officer, NOIs to Present Rebuttal Technical Testimony, if any, shall be filed on or before September 3, 2026, and comport with the same requirements as the preceding NOIs as described above.

Failure to file a timely and complete NOI will preclude a person from presenting technical evidence or testimony sought to be offered. All exhibits must be properly marked to be accepted, including the party name and exhibit number on the top or bottom of the exhibit, and include consecutively numbered pages.

Permit Hearing Procedures:
The public hearing, as well as all pre-hearing and post-hearing activity, will be conducted in accordance with the Permit Procedures of the Environment Department (20.1.4 NMAC), the Act, and applicable construction permit rules and regulations. The Permit Procedures may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 or by contacting the Hearing Clerk. The construction permit rules (20.2.72 NMAC) may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Notice of Non-Discrimination:
NMED does not discriminate on the basis of race, color, national origin, disability, age or sex in the administration of its programs or activities, as required by applicable laws and regulations. NMED is responsible for coordination of compliance efforts and receipt of inquiries concerning non-discrimination requirements implemented by 40 C.F.R. Part 7, including Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, and Section 13 of the Federal Water Pollution Control Act Amendments of 1972. If you have any questions about this notice or any of NMED's non-discrimination programs, policies or procedures, or if you believe that you have been discriminated against with respect to a NMED program or activity, you may contact: Non-Discrimination Coordinator, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. You may also visit our website at https://www.env.nm.gov/non-employee-discrimination-complaint-page/ to learn how and where to file a complaint of discrimination.

ESTADO DE NUEVO MÉXICO
ANTE EL SECRETARIO DE MEDIO AMBIENTE

EN EL ASUNTO DE:
LA SOLICITUD DE YUCCA GROWTH INFRASTRUCTURE, LLC PARA UN PERMISO DE CALIDAD DEL AIRE, NO. NSR 10883

AQB 26-57(P)

AVISO ENMENDADO DE AUDIENCIA PÚBLICA

El Departamento de Medio Ambiente de Nuevo México ("Departamento" o "NMED") anuncia una audiencia pública híbrida para recibir pruebas sobre la solicitud de un permiso de construcción de calidad del aire para una instalación ubicada en el condado de Doña Ana, de conformidad con la Ley de Control de la Calidad del Aire de Nuevo México, NMSA 1978, Secciones 74-2-1 a 74-2-17 (la "Ley"), y los reglamentos contenidos en la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC). La solicitud de permiso que será considerada en esta audiencia corresponde al Microgrid de YGI, presentada por Yucca Growth Infrastructure, LLC ("Yucca").

Este Aviso Enmendado de Audiencia Pública se emite de conformidad con la Orden Enmendada de Programación del Funcionario de Audiencias, de fecha 29 de julio de 2026, y con las disposiciones de la Sección 20.1.4.200 del Código Administrativo de Nuevo México (NMAC). Asimismo, este Aviso Enmendado de Audiencia Pública sustituye y deja sin efecto el Aviso de Audiencia Pública inicial. La versión en inglés de dicho aviso fue publicada en el Albuquerque Journal el 17 de julio de 2026 y en el Las Cruces Sun el 17 de julio de 2026; la versión en español fue publicada en el Las Cruces Sun el 17 de julio de 2026 y en el Albuquerque Journal el 18 de julio de 2026.

Se puede obtener una copia de la Orden Enmendada de Programación, así como de todos los demás documentos presentados en este asunto, en el sitio web del Departamento, en la siguiente dirección https://www.env.nm.gov/opf/docketed-matters/; Desplácese hacia abajo y seleccione "Environment Department Cabinet Secretary"; luego desplácese hacia abajo y seleccione "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid".

Breve Descripción de la Solicitud de Permiso:
Yucca ha presentado la solicitud de permiso de Revisión de Nuevas Fuentes (New Source Review) N.º NSR 10883 para construir el YGI Microgrid, el cual estará compuesto por celdas de combustible de óxido sólido Bloom Energy (Solid Oxide Fuel Cells, "SOFC") para generar 2,462 MW de energía destinada a abastecer un centro de datos cercano. La solicitud de Yucca pide que el YGI Microgrid sea autorizado para operar como una fuente mayor del Título V, de conformidad con la Ley y la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC), y que pueda operar de manera continua (8,760 horas al año). El YGI Microgrid es una instalación nueva que se proyecta ubicar en las siguientes coordenadas geográficas (grados decimales de latitud y longitud): 31.8183, -106.6792, Datum: WGS 84. Para facilitar la ubicación de esta instalación, se

indica que estará aproximadamente a 3.6 millas al sur de Santa Teresa, en el condado de Doña Ana, Nuevo México.

Una versión electrónica de la solicitud de permiso, sus revisiones, el Proyecto de Permiso del Departamento, la Declaración de Fundamentos del Departamento, así como otros materiales y avisos previamente emitidos, puede consultarse en el sitio web del Departamento, en la siguiente dirección: https://www.env.nm.gov/public-notices/; Desplácese hacia abajo y seleccione Doña Ana County; luego busque y seleccione el encabezado titulado "Yucca Growth Infrastructure, LLC — YGI Microgrid". Si alguna persona no puede obtener una copia del proyecto de permiso en el sitio web indicado anteriormente o desea información adicional, puede comunicarse con:

Julia Kuhn

Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Fecha, Hora y Lugar de la Audiencia:
La audiencia comenzará a las 9:00 a. m. del 14 de septiembre de 2026 y se llevará a cabo en días consecutivos, según sea necesario, o podrá continuarse por orden del Funcionario de Audiencias. La audiencia se celebrará de forma híbrida, tanto de manera virtual a través de Webex (consulte el enlace publicado en el calendario del Departamento en https://www.env.nm.gov/events-calendar/) y de manera presencial en el siguiente lugar físico en Sunland Park, condado de Doña Ana, Nuevo México: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. La audiencia contará con intérpretes de español disponibles a través de Webex.

Presentación de Comentarios No Técnicos o del Público en General:
El Funcionario de Audiencias aceptará comentarios no técnicos o del público en general por escrito antes del inicio de la audiencia, así como por escrito o verbalmente mientras el expediente de la audiencia permanezca abierto. Se recomienda a los miembros del público que deseen presentar comentarios no técnicos o de carácter general que los envíen por escrito mediante el Portal de Comentarios Públicos del NMED, incluyendo las pruebas, datos, opiniones, argumentos o declaraciones escritas pertinentes en lugar de testimonio oral durante la audiencia, o bien como comentario público. Se puede acceder al Portal de Comentarios Públicos mediante el enlace disponible en la página web del Departamento correspondiente a los asuntos incluidos en el expediente www.env.nm.gov/opf/docketed-matters/. Busque en el menú desplegable del Secretario del Gabinete del Departamento de Medio Ambiente ("Environment Department Cabinet Secretary") "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". El enlace directo al Portal de Comentarios Públicos es http://nmed.commentinput.com.

Administrative Record NSR 10833_002969

El testimonio verbal no técnico o los comentarios generales del público serán aceptados durante la audiencia mientras el expediente permanezca abierto. De conformidad con la Orden Enmendada de Programación, las personas que tengan la intención de proporcionar testimonio verbal no técnico o comentarios generales del público serán juramentadas y se les permitirá presentar comentarios durante todo el primer día de la audiencia, el 14 de septiembre de 2026, así como en diversos momentos durante el desarrollo de la audiencia. Los miembros del público tendrán hasta tres (3) minutos para ofrecer testimonio verbal no técnico o comentarios generales por persona, a menos que el Funcionario de Audiencias ordene lo contrario. La audiencia se llevará a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente, 20.1.4 NMAC, los procedimientos aplicables a los Permisos de Construcción de Calidad del Aire, 20.2.72 NMAC, y otros procedimientos de audiencia aplicables.

Comparecencia:
Toda persona que desee ser parte en este procedimiento deberá presentar ante el Secretario de Audiencias, en la dirección indicada a continuación, una Comparecencia a más tardar el 24 de agosto de 2026. Una Declaración o Aviso de Intención de Presentar Testimonio Técnico presentada oportunamente y que esté completa se considerará una Comparecencia si la persona que presenta dicha declaración no ha presentado previamente una Comparecencia por separado.

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

La falta de presentación, en tiempo y forma, de una Declaración de Intención o de una Notificación de Comparecencia que cumpla sustancialmente con estos requisitos impedirá que la persona adquiera la condición de parte, pero no le impedirá presentar testimonios no técnicos —ya sean escritos u orales— ni formular comentarios de interés público general.

Declaración de Intención de Presentar Testimonio Técnico:
Toda persona que tenga la intención de presentar pruebas técnicas o testimonio técnico durante la audiencia pública deberá presentar ante el Secretario de Audiencias una Declaración o Aviso de Intención ("NOI") de Presentar Testimonio Técnico a más tardar el 24 de agosto de 2026, y deberá enviar una copia electrónica de dicho documento a todas las demás partes. El NOI deberá presentarse ante el Secretario de Audiencias en el siguiente correo electrónico:

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
Luis.lopez@env.nm.gov

Administrative Record NSR 10833_002970

La Declaración de Intención de Presentar Testimonio Técnico (NOI) deberá: (i) identificar a la persona que presenta la declaración; (ii) indicar si la persona que presenta la declaración apoya u objeta el Proyecto de Permiso, la Solicitud o la Petición; (iii) identificar a cada testigo, incluyendo su nombre, dirección, afiliación(es), y antecedentes educativos y laborales; (iv) estimar la duración del testimonio directo de cada testigo; (v) identificar todos los anexos que forman parte del Expediente Oficial y, para los anexos que no formen parte del Expediente Oficial, adjuntar una copia; (vi) enumerar o poner a disposición todos los materiales técnicos en los que se basó cada testigo al formular la declaración de hechos u opiniones técnicas contenidas en su testimonio directo; (vii) adjuntar una narrativa completa del testimonio directo de cada testigo, indicando cualquier opinión que dicho testigo ofrecerá y una explicación de la base de dichas opiniones; y (viii) cumplir con las disposiciones de la Sección 20.1.2.200 del Código Administrativo de Nuevo México (NMAC) y con la Orden Enmendada de Programación. Salvo que el Funcionario de Audiencias ordene lo contrario, las Declaraciones de Intención de Presentar Testimonio Técnico de Refutación, si las hubiera, deberán presentarse a más tardar el 3 de septiembre de 2026 y deberán cumplir con los mismos requisitos establecidos anteriormente para las NOI previas.

La falta de presentación oportuna y completa de una NOI impedirá que una persona presente las pruebas técnicas o el testimonio técnico que pretenda ofrecer. Todos los anexos deberán estar debidamente identificados para ser aceptados, incluyendo el nombre de la parte y el número del anexo en la parte superior o inferior del mismo, y deberán incluir páginas numeradas consecutivamente.

Procedimientos de la Audiencia de Permiso:
La audiencia pública, así como todas las actividades previas y posteriores a la audiencia, se llevarán a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente (20.1.4 NMAC), la Ley y las normas y reglamentos aplicables a los permisos de construcción. Los Procedimientos de Permisos pueden consultarse electrónicamente en https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 o comunicándose con el Secretario de Audiencias. Las normas sobre permisos de construcción (20.2.72 NMAC) pueden consultarse electrónicamente en: https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Aviso de No Discriminación:
El NMED no discrimina por motivos de raza, color, origen nacional, discapacidad, edad o sexo en la administración de sus programas o actividades, según lo exigen las leyes y reglamentos aplicables. El NMED es responsable de coordinar los esfuerzos de cumplimiento y de recibir consultas relacionadas con los requisitos de no discriminación implementados conforme al Título 40 del Código de Reglamentos Federales (C.F.R.), Parte 7, incluyendo el Título VI de la Ley de Derechos Civiles de 1964, según enmendada; la Sección 504 de la Ley de Rehabilitación de 1973; la Ley contra la Discriminación por Edad de 1975; el Título IX de las Enmiendas Educativas de 1972; y la Sección 13 de las Enmiendas a la Ley Federal de Control de la Contaminación del Agua de 1972. Si tiene alguna pregunta sobre este aviso o sobre cualquiera de los programas, políticas o procedimientos de no discriminación del NMED, o si considera que ha sido objeto de discriminación en relación con un programa o actividad del NMED, puede comunicarse con: Coordinador de No Discriminación, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. También puede visitar nuestro sitio web en https://www.env.nm.gov/non-employee-discrimination-complaint-page/ para obtener información sobre cómo y dónde presentar una queja por discriminación.

Notice of Hearing – English and Spanish

Administrative Record NSR 10833_002974

STATE OF NEW MEXICO
BEFORE THE SECRETARY OF ENVIRONMENT

IN THE MATTER OF:
THE APPLICATION OF YUCCA GROWTH INFRASTRUCTURE, LLC FOR AN AIR QUALITY PERMIT, NO. NSR 10883

AQB 26-57(P)

AMENDED NOTICE OF PUBLIC HEARING

The New Mexico Environment Department ("Department" or "NMED") announces a hybrid public hearing to take evidence on the application for an air quality construction permit for a facility located in Doña Ana County pursuant to the New Mexico Air Quality Control Act, NMSA 1978 Sections 74-2-1 through 74-2-17 ("Act"), and regulations within Part 20.2.72 NMAC. The permit application to be considered in this hearing pertains to the YGI Microgrid as submitted by Yucca Growth Infrastructure, LLC ("Yucca").

This Amended Notice of Public Hearing is provided pursuant to the Hearing Officer's July 29, 2026, Amended Scheduling Order and the provisions of 20.1.4.200 NMAC. Additionally, this Amended Notice of Public Hearing supersedes and serves to retract the initial the Notice of Public Hearing. The English language version of which was published in the Albuquerque Journal on July 17, 2026, and Las Cruces Sun on July 17, 2026, and the Spanish language version was published in the Las Cruces Sun on July 17, 2026, and in the Albuquerque Journal on July 18, 2026.

A copy of the Amended Scheduling Order, as well as all other filings in this matter may be obtained on the Department's website at the following location: go to https://www.env.nm.gov/opf/docketed-matters/; scroll to and select "Environment Department Cabinet Secretary"; then scroll to and select "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid."

Brief Description of Permit Application:
Yucca has submitted a New Source Review permit application No. NSR 10883 to construct the YGI Microgrid which would consist of Bloom Energy Solid Oxide Fuel Cells ("SOFC") to generate 2,462 MW to power a nearby data center. Yucca's application requests that the YGI Microgrid be permitted to operate as Title V major source under the Act and Part 20.2.72 NMAC, and that it may operate continuously (8,760 hours per year). The YGI Microgrid is a new facility that intends to be located at latitude and longitude decimal degrees: 31.8183, -106.6792 Datum: WGS 84. To aid in locating this facility, the approximate location is 3.6 miles South of Santa Teresa in Doña Ana County, NM.

An electronic version of the permit application, its revisions, the Department's Draft Permit, the Department's Statement of Basis, as well as other previous materials and notices may be reviewed on the Department's website at the following location: go to https://www.env.nm.gov/public-notices/; scroll to and select Doña Ana County; then find and select the header labeled "Yucca Growth Infrastructure, LLC — YGI Microgrid." If an individual is unable to obtain a copy of the draft permit at the above website or is seeking additional information, they may contact:

(336) 339-2363
notices@borderplexdigital.com

Hearing Date, Time, and Location:
The hearing will begin at 9:00 a.m. on September 14, 2026, and will be conducted on consecutive days as needed or continued upon order of the Hearing Officer. The hearing will be conducted both virtually via Webex (see the link posted online in the Department's Calendar at https://www.env.nm.gov/events-calendar/) and in person at the following physical location in Sunland Park in Doña Ana County, New Mexico: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. The hearing will have Spanish interpreters available on Webex.

Providing Non-Technical or General Public Comment:
The Hearing Officer will accept non-technical or general public comment in writing prior to the beginning of the hearing or in writing or verbally while the hearing record is open. Members of the public who wish to provide non-technical or general comment are encouraged to submit their comments in writing by using NMED's Public Comment Portal, including relevant evidence, data, views, arguments, written statements in lieu of oral testimony at the hearing, or public comment. Access the Public Comment Portal via a link on the Department's docketed matters web page www.env.nm.gov/opf/docketed-matters/. Look under the Environment Department Cabinet Secretary dropdown for "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". The direct link to the Public Comment Portal is http://nmed.commentinput.com.

Verbal non-technical testimony or general comment will be accepted at the hearing while the record is open. Pursuant to the Amended Scheduling Order individuals intending to provide non-

technical verbal testimony or general public comment will be sworn in and allowed to submit comments throughout the first day of the hearing on September 14, 2026, and at various times throughout the hearing. Members of the public will have up to three (3) minutes to offer verbal non-technical testimony or general comment per individual, unless otherwise ordered by the Hearing Officer. The hearing will be conducted in accordance with the Environment Department Permitting Procedures, 20.1.4 NMAC, the procedures in Air Quality Construction Permits, 20.2.72 NMAC, and other applicable hearing procedures.

Entry of Appearance:
Any person who wishes to be a party in this proceeding must file with the Hearing Clerk at the address below an Entry of Appearance on or before August 24, 2026. A timely and complete Statement or Notice of Intent to Present Technical Testimony shall be considered an Entry of Appearance if the person filing such statement has not previously filed a separate Entry of Appearance.

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

A person's failure to file a timely Statement of Intent or Entry of Appearance substantially complying with these requirements shall preclude the person from becoming a party but shall not preclude a person from presenting written or oral non-technical testimony or general public comments.

Statement of Intent to Present Technical Testimony:
Any person who intends to present technical evidence or technical testimony at the public hearing must file a Statement or Notice of Intent ("NOI") to Present Technical Testimony with the Hearing Clerk on or before August 24, 2026, and serve an electronic copy of the foregoing on all other parties. The NOI must be filed with the Hearing Clerk at the following email:

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
Luis.lopez@env.nm.gov

The NOI to Present Technical Testimony shall: (i) identify the person filing the statement; (ii) state whether the person filing the statement supports or opposes the Draft Permit, Application, or Petition; (iii) identify each witness, including name, address, affiliation(s), and educational and

work background; (iv) estimate the length of the direct testimony of each witness; (v) identify all exhibits which are part of the Record Proper and, for exhibits not part of the Record Proper, attach a copy; (vi) list or make available all technical materials relied upon by each witness in making the statement of technical fact or opinion contained in his or her direct testimony; (vii) attach a complete narrative of the direct testimony of each witness, stating any opinion(s) to be offered by such witness, and an explanation of the basis for such opinion(s); and (vii) comport with provisions 20.1.2.200 NMAC and the Amended Scheduling Order. Unless otherwise ordered by the Hearing Officer, NOIs to Present Rebuttal Technical Testimony, if any, shall be filed on or before September 3, 2026, and comport with the same requirements as the preceding NOIs as described above.

Failure to file a timely and complete NOI will preclude a person from presenting technical evidence or testimony sought to be offered. All exhibits must be properly marked to be accepted, including the party name and exhibit number on the top or bottom of the exhibit, and include consecutively numbered pages.

Permit Hearing Procedures:
The public hearing, as well as all pre-hearing and post-hearing activity, will be conducted in accordance with the Permit Procedures of the Environment Department (20.1.4 NMAC), the Act, and applicable construction permit rules and regulations. The Permit Procedures may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 or by contacting the Hearing Clerk. The construction permit rules (20.2.72 NMAC) may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Notice of Non-Discrimination:
NMED does not discriminate on the basis of race, color, national origin, disability, age or sex in the administration of its programs or activities, as required by applicable laws and regulations. NMED is responsible for coordination of compliance efforts and receipt of inquiries concerning non-discrimination requirements implemented by 40 C.F.R. Part 7, including Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, and Section 13 of the Federal Water Pollution Control Act Amendments of 1972. If you have any questions about this notice or any of NMED's non-discrimination programs, policies or procedures, or if you believe that you have been discriminated against with respect to a NMED program or activity, you may contact: Non-Discrimination Coordinator, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. You may also visit our website at https://www.env.nm.gov/non-employee-discrimination-complaint-page/ to learn how and where to file a complaint of discrimination.

ESTADO DE NUEVO MÉXICO
ANTE EL SECRETARIO DE MEDIO AMBIENTE

EN EL ASUNTO DE:
LA SOLICITUD DE YUCCA GROWTH INFRASTRUCTURE, LLC PARA UN PERMISO DE CALIDAD DEL AIRE, NO. NSR 10883

AQB 26-57(P)

AVISO ENMENDADO DE AUDIENCIA PÚBLICA

El Departamento de Medio Ambiente de Nuevo México ("Departamento" o "NMED") anuncia una audiencia pública híbrida para recibir pruebas sobre la solicitud de un permiso de construcción de calidad del aire para una instalación ubicada en el condado de Doña Ana, de conformidad con la Ley de Control de la Calidad del Aire de Nuevo México, NMSA 1978, Secciones 74-2-1 a 74-2-17 (la "Ley"), y los reglamentos contenidos en la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC). La solicitud de permiso que será considerada en esta audiencia corresponde al Microgrid de YGI, presentada por Yucca Growth Infrastructure, LLC ("Yucca").

Este Aviso Enmendado de Audiencia Pública se emite de conformidad con la Orden Enmendada de Programación del Funcionario de Audiencias, de fecha 29 de julio de 2026, y con las disposiciones de la Sección 20.1.4.200 del Código Administrativo de Nuevo México (NMAC). Asimismo, este Aviso Enmendado de Audiencia Pública sustituye y deja sin efecto el Aviso de Audiencia Pública inicial. La versión en inglés de dicho aviso fue publicada en el Albuquerque Journal el 17 de julio de 2026 y en el Las Cruces Sun el 17 de julio de 2026; la versión en español fue publicada en el Las Cruces Sun el 17 de julio de 2026 y en el Albuquerque Journal el 18 de julio de 2026.

Se puede obtener una copia de la Orden Enmendada de Programación, así como de todos los demás documentos presentados en este asunto, en el sitio web del Departamento, en la siguiente dirección https://www.env.nm.gov/opf/docketed-matters/; Desplácese hacia abajo y seleccione "Environment Department Cabinet Secretary"; luego desplácese hacia abajo y seleccione "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid".

Breve Descripción de la Solicitud de Permiso:
Yucca ha presentado la solicitud de permiso de Revisión de Nuevas Fuentes (New Source Review) N.º NSR 10883 para construir el YGI Microgrid, el cual estará compuesto por celdas de combustible de óxido sólido Bloom Energy (Solid Oxide Fuel Cells, "SOFC") para generar 2,462 MW de energía destinada a abastecer un centro de datos cercano. La solicitud de Yucca pide que el YGI Microgrid sea autorizado para operar como una fuente mayor del Título V, de conformidad con la Ley y la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC), y que pueda operar de manera continua (8,760 horas al año). El YGI Microgrid es una instalación nueva que se proyecta ubicar en las siguientes coordenadas geográficas (grados decimales de latitud y longitud): 31.8183, -106.6792, Datum: WGS 84. Para facilitar la ubicación de esta instalación, se

indica que estará aproximadamente a 3.6 millas al sur de Santa Teresa, en el condado de Doña Ana, Nuevo México.

Una versión electrónica de la solicitud de permiso, sus revisiones, el Proyecto de Permiso del Departamento, la Declaración de Fundamentos del Departamento, así como otros materiales y avisos previamente emitidos, puede consultarse en el sitio web del Departamento, en la siguiente dirección: https://www.env.nm.gov/public-notices/; Desplácese hacia abajo y seleccione Doña Ana County; luego busque y seleccione el encabezado titulado "Yucca Growth Infrastructure, LLC — YGI Microgrid". Si alguna persona no puede obtener una copia del proyecto de permiso en el sitio web indicado anteriormente o desea información adicional, puede comunicarse con:

600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Fecha, Hora y Lugar de la Audiencia:
La audiencia comenzará a las 9:00 a. m. del 14 de septiembre de 2026 y se llevará a cabo en días consecutivos, según sea necesario, o podrá continuarse por orden del Funcionario de Audiencias. La audiencia se celebrará de forma híbrida, tanto de manera virtual a través de Webex (consulte el enlace publicado en el calendario del Departamento en https://www.env.nm.gov/events-calendar/) y de manera presencial en el siguiente lugar físico en Sunland Park, condado de Doña Ana, Nuevo México: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. La audiencia contará con intérpretes de español disponibles a través de Webex.

Presentación de Comentarios No Técnicos o del Público en General:
El Funcionario de Audiencias aceptará comentarios no técnicos o del público en general por escrito antes del inicio de la audiencia, así como por escrito o verbalmente mientras el expediente de la audiencia permanezca abierto. Se recomienda a los miembros del público que deseen presentar comentarios no técnicos o de carácter general que los envíen por escrito mediante el Portal de Comentarios Públicos del NMED, incluyendo las pruebas, datos, opiniones, argumentos o declaraciones escritas pertinentes en lugar de testimonio oral durante la audiencia, o bien como comentario público. Se puede acceder al Portal de Comentarios Públicos mediante el enlace disponible en la página web del Departamento correspondiente a los asuntos incluidos en el expediente www.env.nm.gov/opf/docketed-matters/. Busque en el menú desplegable del Secretario del Gabinete del Departamento de Medio Ambiente ("Environment Department Cabinet Secretary") "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". El enlace directo al Portal de Comentarios Públicos es http://nmed.commentinput.com.

Administrative Record NSR 10833_002980

El testimonio verbal no técnico o los comentarios generales del público serán aceptados durante la audiencia mientras el expediente permanezca abierto. De conformidad con la Orden Enmendada de Programación, las personas que tengan la intención de proporcionar testimonio verbal no técnico o comentarios generales del público serán juramentadas y se les permitirá presentar comentarios durante todo el primer día de la audiencia, el 14 de septiembre de 2026, así como en diversos momentos durante el desarrollo de la audiencia. Los miembros del público tendrán hasta tres (3) minutos para ofrecer testimonio verbal no técnico o comentarios generales por persona, a menos que el Funcionario de Audiencias ordene lo contrario. La audiencia se llevará a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente, 20.1.4 NMAC, los procedimientos aplicables a los Permisos de Construcción de Calidad del Aire, 20.2.72 NMAC, y otros procedimientos de audiencia aplicables.

Comparecencia:
Toda persona que desee ser parte en este procedimiento deberá presentar ante el Secretario de Audiencias, en la dirección indicada a continuación, una Comparecencia a más tardar el 24 de agosto de 2026. Una Declaración o Aviso de Intención de Presentar Testimonio Técnico presentada oportunamente y que esté completa se considerará una Comparecencia si la persona que presenta dicha declaración no ha presentado previamente una Comparecencia por separado.

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

La falta de presentación, en tiempo y forma, de una Declaración de Intención o de una Notificación de Comparecencia que cumpla sustancialmente con estos requisitos impedirá que la persona adquiera la condición de parte, pero no le impedirá presentar testimonios no técnicos —ya sean escritos u orales— ni formular comentarios de interés público general.

Declaración de Intención de Presentar Testimonio Técnico:
Toda persona que tenga la intención de presentar pruebas técnicas o testimonio técnico durante la audiencia pública deberá presentar ante el Secretario de Audiencias una Declaración o Aviso de Intención ("NOI") de Presentar Testimonio Técnico a más tardar el 24 de agosto de 2026, y deberá enviar una copia electrónica de dicho documento a todas las demás partes. El NOI deberá presentarse ante el Secretario de Audiencias en el siguiente correo electrónico:

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
Luis.lopez@env.nm.gov

Administrative Record NSR 10833_002981

La Declaración de Intención de Presentar Testimonio Técnico (NOI) deberá: (i) identificar a la persona que presenta la declaración; (ii) indicar si la persona que presenta la declaración apoya u objeta el Proyecto de Permiso, la Solicitud o la Petición; (iii) identificar a cada testigo, incluyendo su nombre, dirección, afiliación(es), y antecedentes educativos y laborales; (iv) estimar la duración del testimonio directo de cada testigo; (v) identificar todos los anexos que forman parte del Expediente Oficial y, para los anexos que no formen parte del Expediente Oficial, adjuntar una copia; (vi) enumerar o poner a disposición todos los materiales técnicos en los que se basó cada testigo al formular la declaración de hechos u opiniones técnicas contenidas en su testimonio directo; (vii) adjuntar una narrativa completa del testimonio directo de cada testigo, indicando cualquier opinión que dicho testigo ofrecerá y una explicación de la base de dichas opiniones; y (viii) cumplir con las disposiciones de la Sección 20.1.2.200 del Código Administrativo de Nuevo México (NMAC) y con la Orden Enmendada de Programación. Salvo que el Funcionario de Audiencias ordene lo contrario, las Declaraciones de Intención de Presentar Testimonio Técnico de Refutación, si las hubiera, deberán presentarse a más tardar el 3 de septiembre de 2026 y deberán cumplir con los mismos requisitos establecidos anteriormente para las NOI previas.

La falta de presentación oportuna y completa de una NOI impedirá que una persona presente las pruebas técnicas o el testimonio técnico que pretenda ofrecer. Todos los anexos deberán estar debidamente identificados para ser aceptados, incluyendo el nombre de la parte y el número del anexo en la parte superior o inferior del mismo, y deberán incluir páginas numeradas consecutivamente.

Procedimientos de la Audiencia de Permiso:
La audiencia pública, así como todas las actividades previas y posteriores a la audiencia, se llevarán a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente (20.1.4 NMAC), la Ley y las normas y reglamentos aplicables a los permisos de construcción. Los Procedimientos de Permisos pueden consultarse electrónicamente en https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 o comunicándose con el Secretario de Audiencias. Las normas sobre permisos de construcción (20.2.72 NMAC) pueden consultarse electrónicamente en:
https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Aviso de No Discriminación:
El NMED no discrimina por motivos de raza, color, origen nacional, discapacidad, edad o sexo en la administración de sus programas o actividades, según lo exigen las leyes y reglamentos aplicables. El NMED es responsable de coordinar los esfuerzos de cumplimiento y de recibir consultas relacionadas con los requisitos de no discriminación implementados conforme al Título 40 del Código de Reglamentos Federales (C.F.R.), Parte 7, incluyendo el Título VI de la Ley de Derechos Civiles de 1964, según enmendada; la Sección 504 de la Ley de Rehabilitación de 1973; la Ley contra la Discriminación por Edad de 1975; el Título IX de las Enmiendas Educativas de 1972; y la Sección 13 de las Enmiendas a la Ley Federal de Control de la Contaminación del Agua de 1972. Si tiene alguna pregunta sobre este aviso o sobre cualquiera de los programas, políticas o procedimientos de no discriminación del NMED, o si considera que ha sido objeto de discriminación en relación con un programa o actividad del NMED, puede comunicarse con: Coordinador de No Discriminación, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. También puede visitar nuestro sitio web en https://www.env.nm.gov/non-employee-discrimination-complaint-page/ para obtener información sobre cómo y dónde presentar una queja por discriminación.

Notice of Hearing – English and Spanish

Administrative Record NSR 10833_002985

STATE OF NEW MEXICO
BEFORE THE SECRETARY OF ENVIRONMENT

IN THE MATTER OF:
THE APPLICATION OF YUCCA GROWTH INFRASTRUCTURE, LLC FOR AN AIR QUALITY PERMIT, NO. NSR 10883

AQB 26-57(P)

AMENDED NOTICE OF PUBLIC HEARING

The New Mexico Environment Department ("Department" or "NMED") announces a hybrid public hearing to take evidence on the application for an air quality construction permit for a facility located in Doña Ana County pursuant to the New Mexico Air Quality Control Act, NMSA 1978 Sections 74-2-1 through 74-2-17 ("Act"), and regulations within Part 20.2.72 NMAC. The permit application to be considered in this hearing pertains to the YGI Microgrid as submitted by Yucca Growth Infrastructure, LLC ("Yucca").

This Amended Notice of Public Hearing is provided pursuant to the Hearing Officer's July 29, 2026, Amended Scheduling Order and the provisions of 20.1.4.200 NMAC. Additionally, this Amended Notice of Public Hearing supersedes and serves to retract the initial the Notice of Public Hearing. The English language version of which was published in the Albuquerque Journal on July 17, 2026, and Las Cruces Sun on July 17, 2026, and the Spanish language version was published in the Las Cruces Sun on July 17, 2026, and in the Albuquerque Journal on July 18, 2026.

A copy of the Amended Scheduling Order, as well as all other filings in this matter may be obtained on the Department's website at the following location: go to https://www.env.nm.gov/opf/docketed-matters/; scroll to and select "Environment Department Cabinet Secretary"; then scroll to and select "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid."

Brief Description of Permit Application:
Yucca has submitted a New Source Review permit application No. NSR 10883 to construct the YGI Microgrid which would consist of Bloom Energy Solid Oxide Fuel Cells ("SOFC") to generate 2,462 MW to power a nearby data center. Yucca's application requests that the YGI Microgrid be permitted to operate as Title V major source under the Act and Part 20.2.72 NMAC, and that it may operate continuously (8,760 hours per year). The YGI Microgrid is a new facility that intends to be located at latitude and longitude decimal degrees: 31.8183, -106.6792 Datum: WGS 84. To aid in locating this facility, the approximate location is 3.6 miles South of Santa Teresa in Doña Ana County, NM.

An electronic version of the permit application, its revisions, the Department's Draft Permit, the Department's Statement of Basis, as well as other previous materials and notices may be reviewed on the Department's website at the following location: go to https://www.env.nm.gov/public-notices/; scroll to and select Doña Ana County; then find and select the header labeled "Yucca Growth Infrastructure, LLC — YGI Microgrid." If an individual is unable to obtain a copy of the draft permit at the above website or is seeking additional information, they may contact:

Julia Kuhn
Permits Section

Applicant Contact Information:
Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Hearing Date, Time, and Location:
The hearing will begin at 9:00 a.m. on September 14, 2026, and will be conducted on consecutive days as needed or continued upon order of the Hearing Officer. The hearing will be conducted both virtually via Webex (see the link posted online in the Department's Calendar at https://www.env.nm.gov/events-calendar/) and in person at the following physical location in Sunland Park in Doña Ana County, New Mexico: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. The hearing will have Spanish interpreters available on Webex.

Providing Non-Technical or General Public Comment:
The Hearing Officer will accept non-technical or general public comment in writing prior to the beginning of the hearing or in writing or verbally while the hearing record is open. Members of the public who wish to provide non-technical or general comment are encouraged to submit their comments in writing by using NMED's Public Comment Portal, including relevant evidence, data, views, arguments, written statements in lieu of oral testimony at the hearing, or public comment. Access the Public Comment Portal via a link on the Department's docketed matters web page www.env.nm.gov/opf/docketed-matters/. Look under the Environment Department Cabinet Secretary dropdown for "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". The direct link to the Public Comment Portal is http://nmed.commentinput.com.

Verbal non-technical testimony or general comment will be accepted at the hearing while the record is open. Pursuant to the Amended Scheduling Order individuals intending to provide non-

technical verbal testimony or general public comment will be sworn in and allowed to submit comments throughout the first day of the hearing on September 14, 2026, and at various times throughout the hearing. Members of the public will have up to three (3) minutes to offer verbal non-technical testimony or general comment per individual, unless otherwise ordered by the Hearing Officer. The hearing will be conducted in accordance with the Environment Department Permitting Procedures, 20.1.4 NMAC, the procedures in Air Quality Construction Permits, 20.2.72 NMAC, and other applicable hearing procedures.

Entry of Appearance:
Any person who wishes to be a party in this proceeding must file with the Hearing Clerk at the address below an Entry of Appearance on or before August 24, 2026. A timely and complete Statement or Notice of Intent to Present Technical Testimony shall be considered an Entry of Appearance if the person filing such statement has not previously filed a separate Entry of Appearance.

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

A person's failure to file a timely Statement of Intent or Entry of Appearance substantially complying with these requirements shall preclude the person from becoming a party but shall not preclude a person from presenting written or oral non-technical testimony or general public comments.

Statement of Intent to Present Technical Testimony:
Any person who intends to present technical evidence or technical testimony at the public hearing must file a Statement or Notice of Intent ("NOI") to Present Technical Testimony with the Hearing Clerk on or before August 24, 2026, and serve an electronic copy of the foregoing on all other parties. The NOI must be filed with the Hearing Clerk at the following email:

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
Luis.lopez@env.nm.gov

The NOI to Present Technical Testimony shall: (i) identify the person filing the statement; (ii) state whether the person filing the statement supports or opposes the Draft Permit, Application, or Petition; (iii) identify each witness, including name, address, affiliation(s), and educational and

work background; (iv) estimate the length of the direct testimony of each witness; (v) identify all exhibits which are part of the Record Proper and, for exhibits not part of the Record Proper, attach a copy; (vi) list or make available all technical materials relied upon by each witness in making the statement of technical fact or opinion contained in his or her direct testimony; (vii) attach a complete narrative of the direct testimony of each witness, stating any opinion(s) to be offered by such witness, and an explanation of the basis for such opinion(s); and (vii) comport with provisions 20.1.2.200 NMAC and the Amended Scheduling Order. Unless otherwise ordered by the Hearing Officer, NOIs to Present Rebuttal Technical Testimony, if any, shall be filed on or before September 3, 2026, and comport with the same requirements as the preceding NOIs as described above.

Failure to file a timely and complete NOI will preclude a person from presenting technical evidence or testimony sought to be offered. All exhibits must be properly marked to be accepted, including the party name and exhibit number on the top or bottom of the exhibit, and include consecutively numbered pages.

Permit Hearing Procedures:
The public hearing, as well as all pre-hearing and post-hearing activity, will be conducted in accordance with the Permit Procedures of the Environment Department (20.1.4 NMAC), the Act, and applicable construction permit rules and regulations. The Permit Procedures may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 or by contacting the Hearing Clerk. The construction permit rules (20.2.72 NMAC) may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Notice of Non-Discrimination:
NMED does not discriminate on the basis of race, color, national origin, disability, age or sex in the administration of its programs or activities, as required by applicable laws and regulations. NMED is responsible for coordination of compliance efforts and receipt of inquiries concerning non-discrimination requirements implemented by 40 C.F.R. Part 7, including Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, and Section 13 of the Federal Water Pollution Control Act Amendments of 1972. If you have any questions about this notice or any of NMED's non-discrimination programs, policies or procedures, or if you believe that you have been discriminated against with respect to a NMED program or activity, you may contact: Non-Discrimination Coordinator, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. You may also visit our website at https://www.env.nm.gov/non-employee-discrimination-complaint-page/ to learn how and where to file a complaint of discrimination.

ESTADO DE NUEVO MÉXICO
ANTE EL SECRETARIO DE MEDIO AMBIENTE

EN EL ASUNTO DE:
LA SOLICITUD DE YUCCA GROWTH INFRASTRUCTURE, LLC PARA UN PERMISO DE CALIDAD DEL AIRE, NO. NSR 10883

AQB 26-57(P)

AVISO ENMENDADO DE AUDIENCIA PÚBLICA

El Departamento de Medio Ambiente de Nuevo México ("Departamento" o "NMED") anuncia una audiencia pública híbrida para recibir pruebas sobre la solicitud de un permiso de construcción de calidad del aire para una instalación ubicada en el condado de Doña Ana, de conformidad con la Ley de Control de la Calidad del Aire de Nuevo México, NMSA 1978, Secciones 74-2-1 a 74-2-17 (la "Ley"), y los reglamentos contenidos en la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC). La solicitud de permiso que será considerada en esta audiencia corresponde al Microgrid de YGI, presentada por Yucca Growth Infrastructure, LLC ("Yucca").

Este Aviso Enmendado de Audiencia Pública se emite de conformidad con la Orden Enmendada de Programación del Funcionario de Audiencias, de fecha 29 de julio de 2026, y con las disposiciones de la Sección 20.1.4.200 del Código Administrativo de Nuevo México (NMAC). Asimismo, este Aviso Enmendado de Audiencia Pública sustituye y deja sin efecto el Aviso de Audiencia Pública inicial. La versión en inglés de dicho aviso fue publicada en el Albuquerque Journal el 17 de julio de 2026 y en el Las Cruces Sun el 17 de julio de 2026; la versión en español fue publicada en el Las Cruces Sun el 17 de julio de 2026 y en el Albuquerque Journal el 18 de julio de 2026.

Se puede obtener una copia de la Orden Enmendada de Programación, así como de todos los demás documentos presentados en este asunto, en el sitio web del Departamento, en la siguiente dirección https://www.env.nm.gov/opf/docketed-matters/; Desplácese hacia abajo y seleccione "Environment Department Cabinet Secretary"; luego desplácese hacia abajo y seleccione "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid".

Breve Descripción de la Solicitud de Permiso:
Yucca ha presentado la solicitud de permiso de Revisión de Nuevas Fuentes (New Source Review) N.º NSR 10883 para construir el YGI Microgrid, el cual estará compuesto por celdas de combustible de óxido sólido Bloom Energy (Solid Oxide Fuel Cells, "SOFC") para generar 2,462 MW de energía destinada a abastecer un centro de datos cercano. La solicitud de Yucca pide que el YGI Microgrid sea autorizado para operar como una fuente mayor del Título V, de conformidad con la Ley y la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC), y que pueda operar de manera continua (8,760 horas al año). El YGI Microgrid es una instalación nueva que se proyecta ubicar en las siguientes coordenadas geográficas (grados decimales de latitud y longitud): 31.8183, -106.6792, Datum: WGS 84. Para facilitar la ubicación de esta instalación, se

indica que estará aproximadamente a 3.6 millas al sur de Santa Teresa, en el condado de Doña Ana, Nuevo México.

Una versión electrónica de la solicitud de permiso, sus revisiones, el Proyecto de Permiso del Departamento, la Declaración de Fundamentos del Departamento, así como otros materiales y avisos previamente emitidos, puede consultarse en el sitio web del Departamento, en la siguiente dirección: https://www.env.nm.gov/public-notices/; Desplácese hacia abajo y seleccione Doña Ana County; luego busque y seleccione el encabezado titulado "Yucca Growth Infrastructure, LLC — YGI Microgrid". Si alguna persona no puede obtener una copia del proyecto de permiso en el sitio web indicado anteriormente o desea información adicional, puede comunicarse con:

Información de Contacto del Solicitante:
Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Fecha, Hora y Lugar de la Audiencia:
La audiencia comenzará a las 9:00 a. m. del 14 de septiembre de 2026 y se llevará a cabo en días consecutivos, según sea necesario, o podrá continuarse por orden del Funcionario de Audiencias. La audiencia se celebrará de forma híbrida, tanto de manera virtual a través de Webex (consulte el enlace publicado en el calendario del Departamento en https://www.env.nm.gov/events-calendar/) y de manera presencial en el siguiente lugar físico en Sunland Park, condado de Doña Ana, Nuevo México: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. La audiencia contará con intérpretes de español disponibles a través de Webex.

Presentación de Comentarios No Técnicos o del Público en General:
El Funcionario de Audiencias aceptará comentarios no técnicos o del público en general por escrito antes del inicio de la audiencia, así como por escrito o verbalmente mientras el expediente de la audiencia permanezca abierto. Se recomienda a los miembros del público que deseen presentar comentarios no técnicos o de carácter general que los envíen por escrito mediante el Portal de Comentarios Públicos del NMED, incluyendo las pruebas, datos, opiniones, argumentos o declaraciones escritas pertinentes en lugar de testimonio oral durante la audiencia, o bien como comentario público. Se puede acceder al Portal de Comentarios Públicos mediante el enlace disponible en la página web del Departamento correspondiente a los asuntos incluidos en el expediente www.env.nm.gov/opf/docketed-matters/. Busque en el menú desplegable del Secretario del Gabinete del Departamento de Medio Ambiente ("Environment Department Cabinet Secretary") "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". El enlace directo al Portal de Comentarios Públicos es http://nmed.commentinput.com.

Administrative Record NSR 10833_002991

El testimonio verbal no técnico o los comentarios generales del público serán aceptados durante la audiencia mientras el expediente permanezca abierto. De conformidad con la Orden Enmendada de Programación, las personas que tengan la intención de proporcionar testimonio verbal no técnico o comentarios generales del público serán juramentadas y se les permitirá presentar comentarios durante todo el primer día de la audiencia, el 14 de septiembre de 2026, así como en diversos momentos durante el desarrollo de la audiencia. Los miembros del público tendrán hasta tres (3) minutos para ofrecer testimonio verbal no técnico o comentarios generales por persona, a menos que el Funcionario de Audiencias ordene lo contrario. La audiencia se llevará a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente, 20.1.4 NMAC, los procedimientos aplicables a los Permisos de Construcción de Calidad del Aire, 20.2.72 NMAC, y otros procedimientos de audiencia aplicables.

Comparecencia:
Toda persona que desee ser parte en este procedimiento deberá presentar ante el Secretario de Audiencias, en la dirección indicada a continuación, una Comparecencia a más tardar el 24 de agosto de 2026. Una Declaración o Aviso de Intención de Presentar Testimonio Técnico presentada oportunamente y que esté completa se considerará una Comparecencia si la persona que presenta dicha declaración no ha presentado previamente una Comparecencia por separado.

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

La falta de presentación, en tiempo y forma, de una Declaración de Intención o de una Notificación de Comparecencia que cumpla sustancialmente con estos requisitos impedirá que la persona adquiera la condición de parte, pero no le impedirá presentar testimonios no técnicos —ya sean escritos u orales— ni formular comentarios de interés público general.

Declaración de Intención de Presentar Testimonio Técnico:
Toda persona que tenga la intención de presentar pruebas técnicas o testimonio técnico durante la audiencia pública deberá presentar ante el Secretario de Audiencias una Declaración o Aviso de Intención ("NOI") de Presentar Testimonio Técnico a más tardar el 24 de agosto de 2026, y deberá enviar una copia electrónica de dicho documento a todas las demás partes. El NOI deberá presentarse ante el Secretario de Audiencias en el siguiente correo electrónico:

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
Luis.lopez@env.nm.gov

Administrative Record NSR 10833_002992

La Declaración de Intención de Presentar Testimonio Técnico (NOI) deberá: (i) identificar a la persona que presenta la declaración; (ii) indicar si la persona que presenta la declaración apoya u objeta el Proyecto de Permiso, la Solicitud o la Petición; (iii) identificar a cada testigo, incluyendo su nombre, dirección, afiliación(es), y antecedentes educativos y laborales; (iv) estimar la duración del testimonio directo de cada testigo; (v) identificar todos los anexos que forman parte del Expediente Oficial y, para los anexos que no formen parte del Expediente Oficial, adjuntar una copia; (vi) enumerar o poner a disposición todos los materiales técnicos en los que se basó cada testigo al formular la declaración de hechos u opiniones técnicas contenidas en su testimonio directo; (vii) adjuntar una narrativa completa del testimonio directo de cada testigo, indicando cualquier opinión que dicho testigo ofrecerá y una explicación de la base de dichas opiniones; y (viii) cumplir con las disposiciones de la Sección 20.1.2.200 del Código Administrativo de Nuevo México (NMAC) y con la Orden Enmendada de Programación. Salvo que el Funcionario de Audiencias ordene lo contrario, las Declaraciones de Intención de Presentar Testimonio Técnico de Refutación, si las hubiera, deberán presentarse a más tardar el 3 de septiembre de 2026 y deberán cumplir con los mismos requisitos establecidos anteriormente para las NOI previas.

La falta de presentación oportuna y completa de una NOI impedirá que una persona presente las pruebas técnicas o el testimonio técnico que pretenda ofrecer. Todos los anexos deberán estar debidamente identificados para ser aceptados, incluyendo el nombre de la parte y el número del anexo en la parte superior o inferior del mismo, y deberán incluir páginas numeradas consecutivamente.

Procedimientos de la Audiencia de Permiso:
La audiencia pública, así como todas las actividades previas y posteriores a la audiencia, se llevarán a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente (20.1.4 NMAC), la Ley y las normas y reglamentos aplicables a los permisos de construcción. Los Procedimientos de Permisos pueden consultarse electrónicamente en https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 o comunicándose con el Secretario de Audiencias. Las normas sobre permisos de construcción (20.2.72 NMAC) pueden consultarse electrónicamente en: https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Aviso de No Discriminación:
El NMED no discrimina por motivos de raza, color, origen nacional, discapacidad, edad o sexo en la administración de sus programas o actividades, según lo exigen las leyes y reglamentos aplicables. El NMED es responsable de coordinar los esfuerzos de cumplimiento y de recibir consultas relacionadas con los requisitos de no discriminación implementados conforme al Título 40 del Código de Reglamentos Federales (C.F.R.), Parte 7, incluyendo el Título VI de la Ley de Derechos Civiles de 1964, según enmendada; la Sección 504 de la Ley de Rehabilitación de 1973; la Ley contra la Discriminación por Edad de 1975; el Título IX de las Enmiendas Educativas de 1972; y la Sección 13 de las Enmiendas a la Ley Federal de Control de la Contaminación del Agua de 1972. Si tiene alguna pregunta sobre este aviso o sobre cualquiera de los programas, políticas o procedimientos de no discriminación del NMED, o si considera que ha sido objeto de discriminación en relación con un programa o actividad del NMED, puede comunicarse con: Coordinador de No Discriminación, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. También puede visitar nuestro sitio web en https://www.env.nm.gov/non-employee-discrimination-complaint-page/ para obtener información sobre cómo y dónde presentar una queja por discriminación.

Notice of Hearing – English and Spanish

Administrative Record NSR 10833_002996

STATE OF NEW MEXICO
BEFORE THE SECRETARY OF ENVIRONMENT

IN THE MATTER OF:
THE APPLICATION OF YUCCA GROWTH INFRASTRUCTURE, LLC FOR AN AIR QUALITY PERMIT, NO. NSR 10883

AQB 26-57(P)

AMENDED NOTICE OF PUBLIC HEARING

The New Mexico Environment Department ("Department" or "NMED") announces a hybrid public hearing to take evidence on the application for an air quality construction permit for a facility located in Doña Ana County pursuant to the New Mexico Air Quality Control Act, NMSA 1978 Sections 74-2-1 through 74-2-17 ("Act"), and regulations within Part 20.2.72 NMAC. The permit application to be considered in this hearing pertains to the YGI Microgrid as submitted by Yucca Growth Infrastructure, LLC ("Yucca").

This Amended Notice of Public Hearing is provided pursuant to the Hearing Officer's July 29, 2026, Amended Scheduling Order and the provisions of 20.1.4.200 NMAC. Additionally, this Amended Notice of Public Hearing supersedes and serves to retract the initial the Notice of Public Hearing. The English language version of which was published in the Albuquerque Journal on July 17, 2026, and Las Cruces Sun on July 17, 2026, and the Spanish language version was published in the Las Cruces Sun on July 17, 2026, and in the Albuquerque Journal on July 18, 2026.

A copy of the Amended Scheduling Order, as well as all other filings in this matter may be obtained on the Department's website at the following location: go to https://www.env.nm.gov/opf/docketed-matters/; scroll to and select "Environment Department Cabinet Secretary"; then scroll to and select "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid."

Brief Description of Permit Application:
Yucca has submitted a New Source Review permit application No. NSR 10883 to construct the YGI Microgrid which would consist of Bloom Energy Solid Oxide Fuel Cells ("SOFC") to generate 2,462 MW to power a nearby data center. Yucca's application requests that the YGI Microgrid be permitted to operate as Title V major source under the Act and Part 20.2.72 NMAC, and that it may operate continuously (8,760 hours per year). The YGI Microgrid is a new facility that intends to be located at latitude and longitude decimal degrees: 31.8183, -106.6792 Datum: WGS 84. To aid in locating this facility, the approximate location is 3.6 miles South of Santa Teresa in Doña Ana County, NM.

An electronic version of the permit application, its revisions, the Department's Draft Permit, the Department's Statement of Basis, as well as other previous materials and notices may be reviewed on the Department's website at the following location: go to https://www.env.nm.gov/public-notices/; scroll to and select Doña Ana County; then find and select the header labeled "Yucca Growth Infrastructure, LLC — YGI Microgrid." If an individual is unable to obtain a copy of the draft permit at the above website or is seeking additional information, they may contact:

Julia Kuhn
Permits Section
Air Quality Bureau
New Mexico Environment Department
525 Camino de los Marquez, Suite 1A
Santa Fe, New Mexico 87505-1816

Applicant Contact Information:
Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Hearing Date, Time, and Location:
The hearing will begin at 9:00 a.m. on September 14, 2026, and will be conducted on consecutive days as needed or continued upon order of the Hearing Officer. The hearing will be conducted both virtually via Webex (see the link posted online in the Department's Calendar at https://www.env.nm.gov/events-calendar/) and in person at the following physical location in Sunland Park in Doña Ana County, New Mexico: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. The hearing will have Spanish interpreters available on Webex.

Providing Non-Technical or General Public Comment:
The Hearing Officer will accept non-technical or general public comment in writing prior to the beginning of the hearing or in writing or verbally while the hearing record is open. Members of the public who wish to provide non-technical or general comment are encouraged to submit their comments in writing by using NMED's Public Comment Portal, including relevant evidence, data, views, arguments, written statements in lieu of oral testimony at the hearing, or public comment. Access the Public Comment Portal via a link on the Department's docketed matters web page www.env.nm.gov/opf/docketed-matters/. Look under the Environment Department Cabinet Secretary dropdown for "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". The direct link to the Public Comment Portal is http://nmed.commentinput.com.

Verbal non-technical testimony or general comment will be accepted at the hearing while the record is open. Pursuant to the Amended Scheduling Order individuals intending to provide non-

technical verbal testimony or general public comment will be sworn in and allowed to submit comments throughout the first day of the hearing on September 14, 2026, and at various times throughout the hearing. Members of the public will have up to three (3) minutes to offer verbal non-technical testimony or general comment per individual, unless otherwise ordered by the Hearing Officer. The hearing will be conducted in accordance with the Environment Department Permitting Procedures, 20.1.4 NMAC, the procedures in Air Quality Construction Permits, 20.2.72 NMAC, and other applicable hearing procedures.

Entry of Appearance:
Any person who wishes to be a party in this proceeding must file with the Hearing Clerk at the address below an Entry of Appearance on or before August 24, 2026. A timely and complete Statement or Notice of Intent to Present Technical Testimony shall be considered an Entry of Appearance if the person filing such statement has not previously filed a separate Entry of Appearance.

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

A person's failure to file a timely Statement of Intent or Entry of Appearance substantially complying with these requirements shall preclude the person from becoming a party but shall not preclude a person from presenting written or oral non-technical testimony or general public comments.

Statement of Intent to Present Technical Testimony:
Any person who intends to present technical evidence or technical testimony at the public hearing must file a Statement or Notice of Intent ("NOI") to Present Technical Testimony with the Hearing Clerk on or before August 24, 2026, and serve an electronic copy of the foregoing on all other parties. The NOI must be filed with the Hearing Clerk at the following email:

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
Luis.lopez@env.nm.gov

The NOI to Present Technical Testimony shall: (i) identify the person filing the statement; (ii) state whether the person filing the statement supports or opposes the Draft Permit, Application, or Petition; (iii) identify each witness, including name, address, affiliation(s), and educational and

work background; (iv) estimate the length of the direct testimony of each witness; (v) identify all exhibits which are part of the Record Proper and, for exhibits not part of the Record Proper, attach a copy; (vi) list or make available all technical materials relied upon by each witness in making the statement of technical fact or opinion contained in his or her direct testimony; (vii) attach a complete narrative of the direct testimony of each witness, stating any opinion(s) to be offered by such witness, and an explanation of the basis for such opinion(s); and (vii) comport with provisions 20.1.2.200 NMAC and the Amended Scheduling Order. Unless otherwise ordered by the Hearing Officer, NOIs to Present Rebuttal Technical Testimony, if any, shall be filed on or before September 3, 2026, and comport with the same requirements as the preceding NOIs as described above.

Failure to file a timely and complete NOI will preclude a person from presenting technical evidence or testimony sought to be offered. All exhibits must be properly marked to be accepted, including the party name and exhibit number on the top or bottom of the exhibit, and include consecutively numbered pages.

Permit Hearing Procedures:
The public hearing, as well as all pre-hearing and post-hearing activity, will be conducted in accordance with the Permit Procedures of the Environment Department (20.1.4 NMAC), the Act, and applicable construction permit rules and regulations. The Permit Procedures may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 or by contacting the Hearing Clerk. The construction permit rules (20.2.72 NMAC) may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Notice of Non-Discrimination:
NMED does not discriminate on the basis of race, color, national origin, disability, age or sex in the administration of its programs or activities, as required by applicable laws and regulations. NMED is responsible for coordination of compliance efforts and receipt of inquiries concerning non-discrimination requirements implemented by 40 C.F.R. Part 7, including Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, and Section 13 of the Federal Water Pollution Control Act Amendments of 1972. If you have any questions about this notice or any of NMED's non-discrimination programs, policies or procedures, or if you believe that you have been discriminated against with respect to a NMED program or activity, you may contact: Non-Discrimination Coordinator, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. You may also visit our website at https://www.env.nm.gov/non-employee-discrimination-complaint-page/ to learn how and where to file a complaint of discrimination.

ESTADO DE NUEVO MÉXICO
ANTE EL SECRETARIO DE MEDIO AMBIENTE

EN EL ASUNTO DE:
LA SOLICITUD DE YUCCA GROWTH INFRASTRUCTURE, LLC PARA UN PERMISO DE CALIDAD DEL AIRE, NO. NSR 10883

AQB 26-57(P)

AVISO ENMENDADO DE AUDIENCIA PÚBLICA

El Departamento de Medio Ambiente de Nuevo México ("Departamento" o "NMED") anuncia una audiencia pública híbrida para recibir pruebas sobre la solicitud de un permiso de construcción de calidad del aire para una instalación ubicada en el condado de Doña Ana, de conformidad con la Ley de Control de la Calidad del Aire de Nuevo México, NMSA 1978, Secciones 74-2-1 a 74-2-17 (la "Ley"), y los reglamentos contenidos en la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC). La solicitud de permiso que será considerada en esta audiencia corresponde al Microgrid de YGI, presentada por Yucca Growth Infrastructure, LLC ("Yucca").

Este Aviso Enmendado de Audiencia Pública se emite de conformidad con la Orden Enmendada de Programación del Funcionario de Audiencias, de fecha 29 de julio de 2026, y con las disposiciones de la Sección 20.1.4.200 del Código Administrativo de Nuevo México (NMAC). Asimismo, este Aviso Enmendado de Audiencia Pública sustituye y deja sin efecto el Aviso de Audiencia Pública inicial. La versión en inglés de dicho aviso fue publicada en el Albuquerque Journal el 17 de julio de 2026 y en el Las Cruces Sun el 17 de julio de 2026; la versión en español fue publicada en el Las Cruces Sun el 17 de julio de 2026 y en el Albuquerque Journal el 18 de julio de 2026.

Se puede obtener una copia de la Orden Enmendada de Programación, así como de todos los demás documentos presentados en este asunto, en el sitio web del Departamento, en la siguiente dirección https://www.env.nm.gov/opf/docketed-matters/; Desplácese hacia abajo y seleccione "Environment Department Cabinet Secretary"; luego desplácese hacia abajo y seleccione "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid".

Breve Descripción de la Solicitud de Permiso:
Yucca ha presentado la solicitud de permiso de Revisión de Nuevas Fuentes (New Source Review) N.º NSR 10883 para construir el YGI Microgrid, el cual estará compuesto por celdas de combustible de óxido sólido Bloom Energy (Solid Oxide Fuel Cells, "SOFC") para generar 2,462 MW de energía destinada a abastecer un centro de datos cercano. La solicitud de Yucca pide que el YGI Microgrid sea autorizado para operar como una fuente mayor del Título V, de conformidad con la Ley y la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC), y que pueda operar de manera continua (8,760 horas al año). El YGI Microgrid es una instalación nueva que se proyecta ubicar en las siguientes coordenadas geográficas (grados decimales de latitud y longitud): 31.8183, -106.6792, Datum: WGS 84. Para facilitar la ubicación de esta instalación, se

indica que estará aproximadamente a 3.6 millas al sur de Santa Teresa, en el condado de Doña Ana, Nuevo México.

Una versión electrónica de la solicitud de permiso, sus revisiones, el Proyecto de Permiso del Departamento, la Declaración de Fundamentos del Departamento, así como otros materiales y avisos previamente emitidos, puede consultarse en el sitio web del Departamento, en la siguiente dirección: https://www.env.nm.gov/public-notices/; Desplácese hacia abajo y seleccione Doña Ana County; luego busque y seleccione el encabezado titulado "Yucca Growth Infrastructure, LLC — YGI Microgrid". Si alguna persona no puede obtener una copia del proyecto de permiso en el sitio web indicado anteriormente o desea información adicional, puede comunicarse con:

Julia Kuhn

Información de Contacto del Solicitante:
Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Fecha, Hora y Lugar de la Audiencia:
La audiencia comenzará a las 9:00 a. m. del 14 de septiembre de 2026 y se llevará a cabo en días consecutivos, según sea necesario, o podrá continuarse por orden del Funcionario de Audiencias. La audiencia se celebrará de forma híbrida, tanto de manera virtual a través de Webex (consulte el enlace publicado en el calendario del Departamento en https://www.env.nm.gov/events-calendar/) y de manera presencial en el siguiente lugar físico en Sunland Park, condado de Doña Ana, Nuevo México: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. La audiencia contará con intérpretes de español disponibles a través de Webex.

Presentación de Comentarios No Técnicos o del Público en General:
El Funcionario de Audiencias aceptará comentarios no técnicos o del público en general por escrito antes del inicio de la audiencia, así como por escrito o verbalmente mientras el expediente de la audiencia permanezca abierto. Se recomienda a los miembros del público que deseen presentar comentarios no técnicos o de carácter general que los envíen por escrito mediante el Portal de Comentarios Públicos del NMED, incluyendo las pruebas, datos, opiniones, argumentos o declaraciones escritas pertinentes en lugar de testimonio oral durante la audiencia, o bien como comentario público. Se puede acceder al Portal de Comentarios Públicos mediante el enlace disponible en la página web del Departamento correspondiente a los asuntos incluidos en el expediente www.env.nm.gov/opf/docketed-matters/. Busque en el menú desplegable del Secretario del Gabinete del Departamento de Medio Ambiente ("Environment Department Cabinet Secretary") "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". El enlace directo al Portal de Comentarios Públicos es http://nmed.commentinput.com.

Administrative Record NSR 10833_003002

El testimonio verbal no técnico o los comentarios generales del público serán aceptados durante la audiencia mientras el expediente permanezca abierto. De conformidad con la Orden Enmendada de Programación, las personas que tengan la intención de proporcionar testimonio verbal no técnico o comentarios generales del público serán juramentadas y se les permitirá presentar comentarios durante todo el primer día de la audiencia, el 14 de septiembre de 2026, así como en diversos momentos durante el desarrollo de la audiencia. Los miembros del público tendrán hasta tres (3) minutos para ofrecer testimonio verbal no técnico o comentarios generales por persona, a menos que el Funcionario de Audiencias ordene lo contrario. La audiencia se llevará a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente, 20.1.4 NMAC, los procedimientos aplicables a los Permisos de Construcción de Calidad del Aire, 20.2.72 NMAC, y otros procedimientos de audiencia aplicables.

Comparecencia:
Toda persona que desee ser parte en este procedimiento deberá presentar ante el Secretario de Audiencias, en la dirección indicada a continuación, una Comparecencia a más tardar el 24 de agosto de 2026. Una Declaración o Aviso de Intención de Presentar Testimonio Técnico presentada oportunamente y que esté completa se considerará una Comparecencia si la persona que presenta dicha declaración no ha presentado previamente una Comparecencia por separado.

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

La falta de presentación, en tiempo y forma, de una Declaración de Intención o de una Notificación de Comparecencia que cumpla sustancialmente con estos requisitos impedirá que la persona adquiera la condición de parte, pero no le impedirá presentar testimonios no técnicos —ya sean escritos u orales— ni formular comentarios de interés público general.

Declaración de Intención de Presentar Testimonio Técnico:
Toda persona que tenga la intención de presentar pruebas técnicas o testimonio técnico durante la audiencia pública deberá presentar ante el Secretario de Audiencias una Declaración o Aviso de Intención ("NOI") de Presentar Testimonio Técnico a más tardar el 24 de agosto de 2026, y deberá enviar una copia electrónica de dicho documento a todas las demás partes. El NOI deberá presentarse ante el Secretario de Audiencias en el siguiente correo electrónico:

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
Luis.lopez@env.nm.gov

Administrative Record NSR 10833_003003

La Declaración de Intención de Presentar Testimonio Técnico (NOI) deberá: (i) identificar a la persona que presenta la declaración; (ii) indicar si la persona que presenta la declaración apoya u objeta el Proyecto de Permiso, la Solicitud o la Petición; (iii) identificar a cada testigo, incluyendo su nombre, dirección, afiliación(es), y antecedentes educativos y laborales; (iv) estimar la duración del testimonio directo de cada testigo; (v) identificar todos los anexos que forman parte del Expediente Oficial y, para los anexos que no formen parte del Expediente Oficial, adjuntar una copia; (vi) enumerar o poner a disposición todos los materiales técnicos en los que se basó cada testigo al formular la declaración de hechos u opiniones técnicas contenidas en su testimonio directo; (vii) adjuntar una narrativa completa del testimonio directo de cada testigo, indicando cualquier opinión que dicho testigo ofrecerá y una explicación de la base de dichas opiniones; y (viii) cumplir con las disposiciones de la Sección 20.1.2.200 del Código Administrativo de Nuevo México (NMAC) y con la Orden Enmendada de Programación. Salvo que el Funcionario de Audiencias ordene lo contrario, las Declaraciones de Intención de Presentar Testimonio Técnico de Refutación, si las hubiera, deberán presentarse a más tardar el 3 de septiembre de 2026 y deberán cumplir con los mismos requisitos establecidos anteriormente para las NOI previas.

La falta de presentación oportuna y completa de una NOI impedirá que una persona presente las pruebas técnicas o el testimonio técnico que pretenda ofrecer. Todos los anexos deberán estar debidamente identificados para ser aceptados, incluyendo el nombre de la parte y el número del anexo en la parte superior o inferior del mismo, y deberán incluir páginas numeradas consecutivamente.

Procedimientos de la Audiencia de Permiso:
La audiencia pública, así como todas las actividades previas y posteriores a la audiencia, se llevarán a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente (20.1.4 NMAC), la Ley y las normas y reglamentos aplicables a los permisos de construcción. Los Procedimientos de Permisos pueden consultarse electrónicamente en https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 o comunicándose con el Secretario de Audiencias. Las normas sobre permisos de construcción (20.2.72 NMAC) pueden consultarse electrónicamente en: https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Aviso de No Discriminación:
El NMED no discrimina por motivos de raza, color, origen nacional, discapacidad, edad o sexo en la administración de sus programas o actividades, según lo exigen las leyes y reglamentos aplicables. El NMED es responsable de coordinar los esfuerzos de cumplimiento y de recibir consultas relacionadas con los requisitos de no discriminación implementados conforme al Título 40 del Código de Reglamentos Federales (C.F.R.), Parte 7, incluyendo el Título VI de la Ley de Derechos Civiles de 1964, según enmendada; la Sección 504 de la Ley de Rehabilitación de 1973; la Ley contra la Discriminación por Edad de 1975; el Título IX de las Enmiendas Educativas de 1972; y la Sección 13 de las Enmiendas a la Ley Federal de Control de la Contaminación del Agua de 1972. Si tiene alguna pregunta sobre este aviso o sobre cualquiera de los programas, políticas o procedimientos de no discriminación del NMED, o si considera que ha sido objeto de discriminación en relación con un programa o actividad del NMED, puede comunicarse con: Coordinador de No Discriminación, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. También puede visitar nuestro sitio web en https://www.env.nm.gov/non-employee-discrimination-complaint-page/ para obtener información sobre cómo y dónde presentar una queja por discriminación.

Notice of Hearing – English and Spanish

Administrative Record NSR 10833_003007

STATE OF NEW MEXICO
BEFORE THE SECRETARY OF ENVIRONMENT

IN THE MATTER OF:
THE APPLICATION OF YUCCA GROWTH INFRASTRUCTURE, LLC FOR AN AIR QUALITY PERMIT, NO. NSR 10883

AQB 26-57(P)

AMENDED NOTICE OF PUBLIC HEARING

The New Mexico Environment Department ("Department" or "NMED") announces a hybrid public hearing to take evidence on the application for an air quality construction permit for a facility located in Doña Ana County pursuant to the New Mexico Air Quality Control Act, NMSA 1978 Sections 74-2-1 through 74-2-17 ("Act"), and regulations within Part 20.2.72 NMAC. The permit application to be considered in this hearing pertains to the YGI Microgrid as submitted by Yucca Growth Infrastructure, LLC ("Yucca").

This Amended Notice of Public Hearing is provided pursuant to the Hearing Officer's July 29, 2026, Amended Scheduling Order and the provisions of 20.1.4.200 NMAC. Additionally, this Amended Notice of Public Hearing supersedes and serves to retract the initial the Notice of Public Hearing. The English language version of which was published in the Albuquerque Journal on July 17, 2026, and Las Cruces Sun on July 17, 2026, and the Spanish language version was published in the Las Cruces Sun on July 17, 2026, and in the Albuquerque Journal on July 18, 2026.

A copy of the Amended Scheduling Order, as well as all other filings in this matter may be obtained on the Department's website at the following location: go to https://www.env.nm.gov/opf/docketed-matters/; scroll to and select "Environment Department Cabinet Secretary"; then scroll to and select "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid."

Brief Description of Permit Application:
Yucca has submitted a New Source Review permit application No. NSR 10883 to construct the YGI Microgrid which would consist of Bloom Energy Solid Oxide Fuel Cells ("SOFC") to generate 2,462 MW to power a nearby data center. Yucca's application requests that the YGI Microgrid be permitted to operate as Title V major source under the Act and Part 20.2.72 NMAC, and that it may operate continuously (8,760 hours per year). The YGI Microgrid is a new facility that intends to be located at latitude and longitude decimal degrees: 31.8183, -106.6792 Datum: WGS 84. To aid in locating this facility, the approximate location is 3.6 miles South of Santa Teresa in Doña Ana County, NM.

An electronic version of the permit application, its revisions, the Department's Draft Permit, the Department's Statement of Basis, as well as other previous materials and notices may be reviewed on the Department's website at the following location: go to https://www.env.nm.gov/public-notices/; scroll to and select Doña Ana County; then find and select the header labeled "Yucca Growth Infrastructure, LLC — YGI Microgrid." If an individual is unable to obtain a copy of the draft permit at the above website or is seeking additional information, they may contact:

Julia Kuhn
Permits Section
Air Quality Bureau
New Mexico Environment Department
525 Camino de los Marquez, Suite 1A
Santa Fe, New Mexico 87505-1816
(505) 476-4300

Applicant Contact Information:
Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Hearing Date, Time, and Location:
The hearing will begin at 9:00 a.m. on September 14, 2026, and will be conducted on consecutive days as needed or continued upon order of the Hearing Officer. The hearing will be conducted both virtually via Webex (see the link posted online in the Department's Calendar at https://www.env.nm.gov/events-calendar/) and in person at the following physical location in Sunland Park in Doña Ana County, New Mexico: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. The hearing will have Spanish interpreters available on Webex.

Providing Non-Technical or General Public Comment:
The Hearing Officer will accept non-technical or general public comment in writing prior to the beginning of the hearing or in writing or verbally while the hearing record is open. Members of the public who wish to provide non-technical or general comment are encouraged to submit their comments in writing by using NMED's Public Comment Portal, including relevant evidence, data, views, arguments, written statements in lieu of oral testimony at the hearing, or public comment. Access the Public Comment Portal via a link on the Department's docketed matters web page www.env.nm.gov/opf/docketed-matters/. Look under the Environment Department Cabinet Secretary dropdown for "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". The direct link to the Public Comment Portal is http://nmed.commentinput.com.

Verbal non-technical testimony or general comment will be accepted at the hearing while the record is open. Pursuant to the Amended Scheduling Order individuals intending to provide non-

technical verbal testimony or general public comment will be sworn in and allowed to submit comments throughout the first day of the hearing on September 14, 2026, and at various times throughout the hearing. Members of the public will have up to three (3) minutes to offer verbal non-technical testimony or general comment per individual, unless otherwise ordered by the Hearing Officer. The hearing will be conducted in accordance with the Environment Department Permitting Procedures, 20.1.4 NMAC, the procedures in Air Quality Construction Permits, 20.2.72 NMAC, and other applicable hearing procedures.

Entry of Appearance:
Any person who wishes to be a party in this proceeding must file with the Hearing Clerk at the address below an Entry of Appearance on or before August 24, 2026. A timely and complete Statement or Notice of Intent to Present Technical Testimony shall be considered an Entry of Appearance if the person filing such statement has not previously filed a separate Entry of Appearance.

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

A person's failure to file a timely Statement of Intent or Entry of Appearance substantially complying with these requirements shall preclude the person from becoming a party but shall not preclude a person from presenting written or oral non-technical testimony or general public comments.

Statement of Intent to Present Technical Testimony:
Any person who intends to present technical evidence or technical testimony at the public hearing must file a Statement or Notice of Intent ("NOI") to Present Technical Testimony with the Hearing Clerk on or before August 24, 2026, and serve an electronic copy of the foregoing on all other parties. The NOI must be filed with the Hearing Clerk at the following email:

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
Luis.lopez@env.nm.gov

The NOI to Present Technical Testimony shall: (i) identify the person filing the statement; (ii) state whether the person filing the statement supports or opposes the Draft Permit, Application, or Petition; (iii) identify each witness, including name, address, affiliation(s), and educational and

Administrative Record NSR 10833_003010

work background; (iv) estimate the length of the direct testimony of each witness; (v) identify all exhibits which are part of the Record Proper and, for exhibits not part of the Record Proper, attach a copy; (vi) list or make available all technical materials relied upon by each witness in making the statement of technical fact or opinion contained in his or her direct testimony; (vii) attach a complete narrative of the direct testimony of each witness, stating any opinion(s) to be offered by such witness, and an explanation of the basis for such opinion(s); and (vii) comport with provisions 20.1.2.200 NMAC and the Amended Scheduling Order. Unless otherwise ordered by the Hearing Officer, NOIs to Present Rebuttal Technical Testimony, if any, shall be filed on or before September 3, 2026, and comport with the same requirements as the preceding NOIs as described above.

Failure to file a timely and complete NOI will preclude a person from presenting technical evidence or testimony sought to be offered. All exhibits must be properly marked to be accepted, including the party name and exhibit number on the top or bottom of the exhibit, and include consecutively numbered pages.

Permit Hearing Procedures:
The public hearing, as well as all pre-hearing and post-hearing activity, will be conducted in accordance with the Permit Procedures of the Environment Department (20.1.4 NMAC), the Act, and applicable construction permit rules and regulations. The Permit Procedures may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 or by contacting the Hearing Clerk. The construction permit rules (20.2.72 NMAC) may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Notice of Non-Discrimination:
NMED does not discriminate on the basis of race, color, national origin, disability, age or sex in the administration of its programs or activities, as required by applicable laws and regulations. NMED is responsible for coordination of compliance efforts and receipt of inquiries concerning non-discrimination requirements implemented by 40 C.F.R. Part 7, including Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, and Section 13 of the Federal Water Pollution Control Act Amendments of 1972. If you have any questions about this notice or any of NMED's non-discrimination programs, policies or procedures, or if you believe that you have been discriminated against with respect to a NMED program or activity, you may contact: Non-Discrimination Coordinator, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. You may also visit our website at https://www.env.nm.gov/non-employee-discrimination-complaint-page/ to learn how and where to file a complaint of discrimination.

ESTADO DE NUEVO MÉXICO
ANTE EL SECRETARIO DE MEDIO AMBIENTE

EN EL ASUNTO DE:
LA SOLICITUD DE YUCCA GROWTH INFRASTRUCTURE, LLC PARA UN PERMISO DE CALIDAD DEL AIRE, NO. NSR 10883

AQB 26-57(P)

AVISO ENMENDADO DE AUDIENCIA PÚBLICA

El Departamento de Medio Ambiente de Nuevo México ("Departamento" o "NMED") anuncia una audiencia pública híbrida para recibir pruebas sobre la solicitud de un permiso de construcción de calidad del aire para una instalación ubicada en el condado de Doña Ana, de conformidad con la Ley de Control de la Calidad del Aire de Nuevo México, NMSA 1978, Secciones 74-2-1 a 74-2-17 (la "Ley"), y los reglamentos contenidos en la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC). La solicitud de permiso que será considerada en esta audiencia corresponde al Microgrid de YGI, presentada por Yucca Growth Infrastructure, LLC ("Yucca").

Este Aviso Enmendado de Audiencia Pública se emite de conformidad con la Orden Enmendada de Programación del Funcionario de Audiencias, de fecha 29 de julio de 2026, y con las disposiciones de la Sección 20.1.4.200 del Código Administrativo de Nuevo México (NMAC). Asimismo, este Aviso Enmendado de Audiencia Pública sustituye y deja sin efecto el Aviso de Audiencia Pública inicial. La versión en inglés de dicho aviso fue publicada en el Albuquerque Journal el 17 de julio de 2026 y en el Las Cruces Sun el 17 de julio de 2026; la versión en español fue publicada en el Las Cruces Sun el 17 de julio de 2026 y en el Albuquerque Journal el 18 de julio de 2026.

Se puede obtener una copia de la Orden Enmendada de Programación, así como de todos los demás documentos presentados en este asunto, en el sitio web del Departamento, en la siguiente dirección https://www.env.nm.gov/opf/docketed-matters/; Desplácese hacia abajo y seleccione "Environment Department Cabinet Secretary"; luego desplácese hacia abajo y seleccione "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid".

Breve Descripción de la Solicitud de Permiso:
Yucca ha presentado la solicitud de permiso de Revisión de Nuevas Fuentes (New Source Review) N.º NSR 10883 para construir el YGI Microgrid, el cual estará compuesto por celdas de combustible de óxido sólido Bloom Energy (Solid Oxide Fuel Cells, "SOFC") para generar 2,462 MW de energía destinada a abastecer un centro de datos cercano. La solicitud de Yucca pide que el YGI Microgrid sea autorizado para operar como una fuente mayor del Título V, de conformidad con la Ley y la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC), y que pueda operar de manera continua (8,760 horas al año). El YGI Microgrid es una instalación nueva que se proyecta ubicar en las siguientes coordenadas geográficas (grados decimales de latitud y longitud): 31.8183, -106.6792, Datum: WGS 84. Para facilitar la ubicación de esta instalación, se

indica que estará aproximadamente a 3.6 millas al sur de Santa Teresa, en el condado de Doña Ana, Nuevo México.

Una versión electrónica de la solicitud de permiso, sus revisiones, el Proyecto de Permiso del Departamento, la Declaración de Fundamentos del Departamento, así como otros materiales y avisos previamente emitidos, puede consultarse en el sitio web del Departamento, en la siguiente dirección: https://www.env.nm.gov/public-notices/; Desplácese hacia abajo y seleccione Doña Ana County; luego busque y seleccione el encabezado titulado "Yucca Growth Infrastructure, LLC — YGI Microgrid". Si alguna persona no puede obtener una copia del proyecto de permiso en el sitio web indicado anteriormente o desea información adicional, puede comunicarse con:

Fecha, Hora y Lugar de la Audiencia:
La audiencia comenzará a las 9:00 a. m. del 14 de septiembre de 2026 y se llevará a cabo en días consecutivos, según sea necesario, o podrá continuarse por orden del Funcionario de Audiencias. La audiencia se celebrará de forma híbrida, tanto de manera virtual a través de Webex (consulte el enlace publicado en el calendario del Departamento en https://www.env.nm.gov/events-calendar/) y de manera presencial en el siguiente lugar físico en Sunland Park, condado de Doña Ana, Nuevo México: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. La audiencia contará con intérpretes de español disponibles a través de Webex.

Presentación de Comentarios No Técnicos o del Público en General:
El Funcionario de Audiencias aceptará comentarios no técnicos o del público en general por escrito antes del inicio de la audiencia, así como por escrito o verbalmente mientras el expediente de la audiencia permanezca abierto. Se recomienda a los miembros del público que deseen presentar comentarios no técnicos o de carácter general que los envíen por escrito mediante el Portal de Comentarios Públicos del NMED, incluyendo las pruebas, datos, opiniones, argumentos o declaraciones escritas pertinentes en lugar de testimonio oral durante la audiencia, o bien como comentario público. Se puede acceder al Portal de Comentarios Públicos mediante el enlace disponible en la página web del Departamento correspondiente a los asuntos incluidos en el expediente www.env.nm.gov/opf/docketed-matters/. Busque en el menú desplegable del Secretario del Gabinete del Departamento de Medio Ambiente ("Environment Department Cabinet Secretary") "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". El enlace directo al Portal de Comentarios Públicos es http://nmed.commentinput.com.

Administrative Record NSR 10833_003013

El testimonio verbal no técnico o los comentarios generales del público serán aceptados durante la audiencia mientras el expediente permanezca abierto. De conformidad con la Orden Enmendada de Programación, las personas que tengan la intención de proporcionar testimonio verbal no técnico o comentarios generales del público serán juramentadas y se les permitirá presentar comentarios durante todo el primer día de la audiencia, el 14 de septiembre de 2026, así como en diversos momentos durante el desarrollo de la audiencia. Los miembros del público tendrán hasta tres (3) minutos para ofrecer testimonio verbal no técnico o comentarios generales por persona, a menos que el Funcionario de Audiencias ordene lo contrario. La audiencia se llevará a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente, 20.1.4 NMAC, los procedimientos aplicables a los Permisos de Construcción de Calidad del Aire, 20.2.72 NMAC, y otros procedimientos de audiencia aplicables.

Comparecencia:
Toda persona que desee ser parte en este procedimiento deberá presentar ante el Secretario de Audiencias, en la dirección indicada a continuación, una Comparecencia a más tardar el 24 de agosto de 2026. Una Declaración o Aviso de Intención de Presentar Testimonio Técnico presentada oportunamente y que esté completa se considerará una Comparecencia si la persona que presenta dicha declaración no ha presentado previamente una Comparecencia por separado.

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

La falta de presentación, en tiempo y forma, de una Declaración de Intención o de una Notificación de Comparecencia que cumpla sustancialmente con estos requisitos impedirá que la persona adquiera la condición de parte, pero no le impedirá presentar testimonios no técnicos —ya sean escritos u orales— ni formular comentarios de interés público general.

Declaración de Intención de Presentar Testimonio Técnico:
Toda persona que tenga la intención de presentar pruebas técnicas o testimonio técnico durante la audiencia pública deberá presentar ante el Secretario de Audiencias una Declaración o Aviso de Intención ("NOI") de Presentar Testimonio Técnico a más tardar el 24 de agosto de 2026, y deberá enviar una copia electrónica de dicho documento a todas las demás partes. El NOI deberá presentarse ante el Secretario de Audiencias en el siguiente correo electrónico:

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
Luis.lopez@env.nm.gov

Administrative Record NSR 10833_003014

La Declaración de Intención de Presentar Testimonio Técnico (NOI) deberá: (i) identificar a la persona que presenta la declaración; (ii) indicar si la persona que presenta la declaración apoya u objeta el Proyecto de Permiso, la Solicitud o la Petición; (iii) identificar a cada testigo, incluyendo su nombre, dirección, afiliación(es), y antecedentes educativos y laborales; (iv) estimar la duración del testimonio directo de cada testigo; (v) identificar todos los anexos que forman parte del Expediente Oficial y, para los anexos que no formen parte del Expediente Oficial, adjuntar una copia; (vi) enumerar o poner a disposición todos los materiales técnicos en los que se basó cada testigo al formular la declaración de hechos u opiniones técnicas contenidas en su testimonio directo; (vii) adjuntar una narrativa completa del testimonio directo de cada testigo, indicando cualquier opinión que dicho testigo ofrecerá y una explicación de la base de dichas opiniones; y (viii) cumplir con las disposiciones de la Sección 20.1.2.200 del Código Administrativo de Nuevo México (NMAC) y con la Orden Enmendada de Programación. Salvo que el Funcionario de Audiencias ordene lo contrario, las Declaraciones de Intención de Presentar Testimonio Técnico de Refutación, si las hubiera, deberán presentarse a más tardar el 3 de septiembre de 2026 y deberán cumplir con los mismos requisitos establecidos anteriormente para las NOI previas.

La falta de presentación oportuna y completa de una NOI impedirá que una persona presente las pruebas técnicas o el testimonio técnico que pretenda ofrecer. Todos los anexos deberán estar debidamente identificados para ser aceptados, incluyendo el nombre de la parte y el número del anexo en la parte superior o inferior del mismo, y deberán incluir páginas numeradas consecutivamente.

Procedimientos de la Audiencia de Permiso:
La audiencia pública, así como todas las actividades previas y posteriores a la audiencia, se llevarán a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente (20.1.4 NMAC), la Ley y las normas y reglamentos aplicables a los permisos de construcción. Los Procedimientos de Permisos pueden consultarse electrónicamente en https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 o comunicándose con el Secretario de Audiencias. Las normas sobre permisos de construcción (20.2.72 NMAC) pueden consultarse electrónicamente en:
https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Aviso de No Discriminación:
El NMED no discrimina por motivos de raza, color, origen nacional, discapacidad, edad o sexo en la administración de sus programas o actividades, según lo exigen las leyes y reglamentos aplicables. El NMED es responsable de coordinar los esfuerzos de cumplimiento y de recibir consultas relacionadas con los requisitos de no discriminación implementados conforme al Título 40 del Código de Reglamentos Federales (C.F.R.), Parte 7, incluyendo el Título VI de la Ley de Derechos Civiles de 1964, según enmendada; la Sección 504 de la Ley de Rehabilitación de 1973; la Ley contra la Discriminación por Edad de 1975; el Título IX de las Enmiendas Educativas de 1972; y la Sección 13 de las Enmiendas a la Ley Federal de Control de la Contaminación del Agua de 1972. Si tiene alguna pregunta sobre este aviso o sobre cualquiera de los programas, políticas o procedimientos de no discriminación del NMED, o si considera que ha sido objeto de discriminación en relación con un programa o actividad del NMED, puede comunicarse con: Coordinador de No Discriminación, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Notice of Hearing – English and Spanish

Administrative Record NSR 10833_003018

STATE OF NEW MEXICO
BEFORE THE SECRETARY OF ENVIRONMENT

IN THE MATTER OF:
THE APPLICATION OF YUCCA GROWTH INFRASTRUCTURE, LLC FOR AN AIR QUALITY PERMIT, NO. NSR 10883

AQB 26-57(P)

AMENDED NOTICE OF PUBLIC HEARING

The New Mexico Environment Department ("Department" or "NMED") announces a hybrid public hearing to take evidence on the application for an air quality construction permit for a facility located in Doña Ana County pursuant to the New Mexico Air Quality Control Act, NMSA 1978 Sections 74-2-1 through 74-2-17 ("Act"), and regulations within Part 20.2.72 NMAC. The permit application to be considered in this hearing pertains to the YGI Microgrid as submitted by Yucca Growth Infrastructure, LLC ("Yucca").

This Amended Notice of Public Hearing is provided pursuant to the Hearing Officer's July 29, 2026, Amended Scheduling Order and the provisions of 20.1.4.200 NMAC. Additionally, this Amended Notice of Public Hearing supersedes and serves to retract the initial the Notice of Public Hearing. The English language version of which was published in the Albuquerque Journal on July 17, 2026, and Las Cruces Sun on July 17, 2026, and the Spanish language version was published in the Las Cruces Sun on July 17, 2026, and in the Albuquerque Journal on July 18, 2026.

A copy of the Amended Scheduling Order, as well as all other filings in this matter may be obtained on the Department's website at the following location: go to https://www.env.nm.gov/opf/docketed-matters/; scroll to and select "Environment Department Cabinet Secretary"; then scroll to and select "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid."

Brief Description of Permit Application:
Yucca has submitted a New Source Review permit application No. NSR 10883 to construct the YGI Microgrid which would consist of Bloom Energy Solid Oxide Fuel Cells ("SOFC") to generate 2,462 MW to power a nearby data center. Yucca's application requests that the YGI Microgrid be permitted to operate as Title V major source under the Act and Part 20.2.72 NMAC, and that it may operate continuously (8,760 hours per year). The YGI Microgrid is a new facility that intends to be located at latitude and longitude decimal degrees: 31.8183, -106.6792 Datum: WGS 84. To aid in locating this facility, the approximate location is 3.6 miles South of Santa Teresa in Doña Ana County, NM.

An electronic version of the permit application, its revisions, the Department's Draft Permit, the Department's Statement of Basis, as well as other previous materials and notices may be reviewed on the Department's website at the following location: go to https://www.env.nm.gov/public-notices/; scroll to and select Doña Ana County; then find and select the header labeled "Yucca Growth Infrastructure, LLC — YGI Microgrid." If an individual is unable to obtain a copy of the draft permit at the above website or is seeking additional information, they may contact:

Julia Kuhn

Applicant Contact Information:
Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Hearing Date, Time, and Location:
The hearing will begin at 9:00 a.m. on September 14, 2026, and will be conducted on consecutive days as needed or continued upon order of the Hearing Officer. The hearing will be conducted both virtually via Webex (see the link posted online in the Department's Calendar at https://www.env.nm.gov/events-calendar/) and in person at the following physical location in Sunland Park in Doña Ana County, New Mexico: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. The hearing will have Spanish interpreters available on Webex.

Providing Non-Technical or General Public Comment:
The Hearing Officer will accept non-technical or general public comment in writing prior to the beginning of the hearing or in writing or verbally while the hearing record is open. Members of the public who wish to provide non-technical or general comment are encouraged to submit their comments in writing by using NMED's Public Comment Portal, including relevant evidence, data, views, arguments, written statements in lieu of oral testimony at the hearing, or public comment. Access the Public Comment Portal via a link on the Department's docketed matters web page www.env.nm.gov/opf/docketed-matters/. Look under the Environment Department Cabinet Secretary dropdown for "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". The direct link to the Public Comment Portal is http://nmed.commentinput.com.

Verbal non-technical testimony or general comment will be accepted at the hearing while the record is open. Pursuant to the Amended Scheduling Order individuals intending to provide non-

technical verbal testimony or general public comment will be sworn in and allowed to submit comments throughout the first day of the hearing on September 14, 2026, and at various times throughout the hearing. Members of the public will have up to three (3) minutes to offer verbal non-technical testimony or general comment per individual, unless otherwise ordered by the Hearing Officer. The hearing will be conducted in accordance with the Environment Department Permitting Procedures, 20.1.4 NMAC, the procedures in Air Quality Construction Permits, 20.2.72 NMAC, and other applicable hearing procedures.

Entry of Appearance:
Any person who wishes to be a party in this proceeding must file with the Hearing Clerk at the address below an Entry of Appearance on or before August 24, 2026. A timely and complete Statement or Notice of Intent to Present Technical Testimony shall be considered an Entry of Appearance if the person filing such statement has not previously filed a separate Entry of Appearance.

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
1190 St. France Drive
P.O. Box 5469
Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

A person's failure to file a timely Statement of Intent or Entry of Appearance substantially complying with these requirements shall preclude the person from becoming a party but shall not preclude a person from presenting written or oral non-technical testimony or general public comments.

Statement of Intent to Present Technical Testimony:
Any person who intends to present technical evidence or technical testimony at the public hearing must file a Statement or Notice of Intent ("NOI") to Present Technical Testimony with the Hearing Clerk on or before August 24, 2026, and serve an electronic copy of the foregoing on all other parties. The NOI must be filed with the Hearing Clerk at the following email:

Luis Lopez
Hearing Clerk
Office of Public Facilitation
New Mexico Environment Department
Luis.lopez@env.nm.gov

The NOI to Present Technical Testimony shall: (i) identify the person filing the statement; (ii) state whether the person filing the statement supports or opposes the Draft Permit, Application, or Petition; (iii) identify each witness, including name, address, affiliation(s), and educational and

work background; (iv) estimate the length of the direct testimony of each witness; (v) identify all exhibits which are part of the Record Proper and, for exhibits not part of the Record Proper, attach a copy; (vi) list or make available all technical materials relied upon by each witness in making the statement of technical fact or opinion contained in his or her direct testimony; (vii) attach a complete narrative of the direct testimony of each witness, stating any opinion(s) to be offered by such witness, and an explanation of the basis for such opinion(s); and (vii) comport with provisions 20.1.2.200 NMAC and the Amended Scheduling Order. Unless otherwise ordered by the Hearing Officer, NOIs to Present Rebuttal Technical Testimony, if any, shall be filed on or before September 3, 2026, and comport with the same requirements as the preceding NOIs as described above.

Failure to file a timely and complete NOI will preclude a person from presenting technical evidence or testimony sought to be offered. All exhibits must be properly marked to be accepted, including the party name and exhibit number on the top or bottom of the exhibit, and include consecutively numbered pages.

Permit Hearing Procedures:
The public hearing, as well as all pre-hearing and post-hearing activity, will be conducted in accordance with the Permit Procedures of the Environment Department (20.1.4 NMAC), the Act, and applicable construction permit rules and regulations. The Permit Procedures may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 or by contacting the Hearing Clerk. The construction permit rules (20.2.72 NMAC) may be accessed electronically at https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Notice of Non-Discrimination:
NMED does not discriminate on the basis of race, color, national origin, disability, age or sex in the administration of its programs or activities, as required by applicable laws and regulations. NMED is responsible for coordination of compliance efforts and receipt of inquiries concerning non-discrimination requirements implemented by 40 C.F.R. Part 7, including Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, and Section 13 of the Federal Water Pollution Control Act Amendments of 1972. If you have any questions about this notice or any of NMED's non-discrimination programs, policies or procedures, or if you believe that you have been discriminated against with respect to a NMED program or activity, you may contact: Non-Discrimination Coordinator, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. You may also visit our website at https://www.env.nm.gov/non-employee-discrimination-complaint-page/ to learn how and where to file a complaint of discrimination.

ESTADO DE NUEVO MÉXICO
ANTE EL SECRETARIO DE MEDIO AMBIENTE

EN EL ASUNTO DE:
LA SOLICITUD DE YUCCA GROWTH INFRASTRUCTURE, LLC PARA UN PERMISO DE CALIDAD DEL AIRE, NO. NSR 10883

AQB 26-57(P)

AVISO ENMENDADO DE AUDIENCIA PÚBLICA

El Departamento de Medio Ambiente de Nuevo México ("Departamento" o "NMED") anuncia una audiencia pública híbrida para recibir pruebas sobre la solicitud de un permiso de construcción de calidad del aire para una instalación ubicada en el condado de Doña Ana, de conformidad con la Ley de Control de la Calidad del Aire de Nuevo México, NMSA 1978, Secciones 74-2-1 a 74-2-17 (la "Ley"), y los reglamentos contenidos en la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC). La solicitud de permiso que será considerada en esta audiencia corresponde al Microgrid de YGI, presentada por Yucca Growth Infrastructure, LLC ("Yucca").

Este Aviso Enmendado de Audiencia Pública se emite de conformidad con la Orden Enmendada de Programación del Funcionario de Audiencias, de fecha 29 de julio de 2026, y con las disposiciones de la Sección 20.1.4.200 del Código Administrativo de Nuevo México (NMAC). Asimismo, este Aviso Enmendado de Audiencia Pública sustituye y deja sin efecto el Aviso de Audiencia Pública inicial. La versión en inglés de dicho aviso fue publicada en el Albuquerque Journal el 17 de julio de 2026 y en el Las Cruces Sun el 17 de julio de 2026; la versión en español fue publicada en el Las Cruces Sun el 17 de julio de 2026 y en el Albuquerque Journal el 18 de julio de 2026.

Se puede obtener una copia de la Orden Enmendada de Programación, así como de todos los demás documentos presentados en este asunto, en el sitio web del Departamento, en la siguiente dirección https://www.env.nm.gov/opf/docketed-matters/; Desplácese hacia abajo y seleccione "Environment Department Cabinet Secretary"; luego desplácese hacia abajo y seleccione "AQB 26-57(P): Yucca Growth Infrastructure, LLC – YGI Microgrid".

Breve Descripción de la Solicitud de Permiso:
Yucca ha presentado la solicitud de permiso de Revisión de Nuevas Fuentes (New Source Review) N.º NSR 10883 para construir el YGI Microgrid, el cual estará compuesto por celdas de combustible de óxido sólido Bloom Energy (Solid Oxide Fuel Cells, "SOFC") para generar 2,462 MW de energía destinada a abastecer un centro de datos cercano. La solicitud de Yucca pide que el YGI Microgrid sea autorizado para operar como una fuente mayor del Título V, de conformidad con la Ley y la Parte 20.2.72 del Código Administrativo de Nuevo México (NMAC), y que pueda operar de manera continua (8,760 horas al año). El YGI Microgrid es una instalación nueva que se proyecta ubicar en las siguientes coordenadas geográficas (grados decimales de latitud y longitud): 31.8183, -106.6792, Datum: WGS 84. Para facilitar la ubicación de esta instalación, se

indica que estará aproximadamente a 3.6 millas al sur de Santa Teresa, en el condado de Doña Ana, Nuevo México.

Una versión electrónica de la solicitud de permiso, sus revisiones, el Proyecto de Permiso del Departamento, la Declaración de Fundamentos del Departamento, así como otros materiales y avisos previamente emitidos, puede consultarse en el sitio web del Departamento, en la siguiente dirección: https://www.env.nm.gov/public-notices/; Desplácese hacia abajo y seleccione Doña Ana County; luego busque y seleccione el encabezado titulado "Yucca Growth Infrastructure, LLC — YGI Microgrid". Si alguna persona no puede obtener una copia del proyecto de permiso en el sitio web indicado anteriormente o desea información adicional, puede comunicarse con:

Yucca Growth Infrastructure, LLC
600 Congress Ave, Suite 15041, Austin, TX 78701
(336) 339-2363
notices@borderplexdigital.com

Fecha, Hora y Lugar de la Audiencia:
La audiencia comenzará a las 9:00 a. m. del 14 de septiembre de 2026 y se llevará a cabo en días consecutivos, según sea necesario, o podrá continuarse por orden del Funcionario de Audiencias. La audiencia se celebrará de forma híbrida, tanto de manera virtual a través de Webex (consulte el enlace publicado en el calendario del Departamento en https://www.env.nm.gov/events-calendar/) y de manera presencial en el siguiente lugar físico en Sunland Park, condado de Doña Ana, Nuevo México: Sunland Park Multi-Generational Center, 4700 McNutt Road, Sunland Park, New Mexico 88063. La audiencia contará con intérpretes de español disponibles a través de Webex.

Presentación de Comentarios No Técnicos o del Público en General:
El Funcionario de Audiencias aceptará comentarios no técnicos o del público en general por escrito antes del inicio de la audiencia, así como por escrito o verbalmente mientras el expediente de la audiencia permanezca abierto. Se recomienda a los miembros del público que deseen presentar comentarios no técnicos o de carácter general que los envíen por escrito mediante el Portal de Comentarios Públicos del NMED, incluyendo las pruebas, datos, opiniones, argumentos o declaraciones escritas pertinentes en lugar de testimonio oral durante la audiencia, o bien como comentario público. Se puede acceder al Portal de Comentarios Públicos mediante el enlace disponible en la página web del Departamento correspondiente a los asuntos incluidos en el expediente www.env.nm.gov/opf/docketed-matters/. Busque en el menú desplegable del Secretario del Gabinete del Departamento de Medio Ambiente ("Environment Department Cabinet Secretary") "AQB 26-57(P): Yucca Growth Infrastructure, LLC — YGI Microgrid". El enlace directo al Portal de Comentarios Públicos es http://nmed.commentinput.com.

Administrative Record NSR 10833_003024

El testimonio verbal no técnico o los comentarios generales del público serán aceptados durante la audiencia mientras el expediente permanezca abierto. De conformidad con la Orden Enmendada de Programación, las personas que tengan la intención de proporcionar testimonio verbal no técnico o comentarios generales del público serán juramentadas y se les permitirá presentar comentarios durante todo el primer día de la audiencia, el 14 de septiembre de 2026, así como en diversos momentos durante el desarrollo de la audiencia. Los miembros del público tendrán hasta tres (3) minutos para ofrecer testimonio verbal no técnico o comentarios generales por persona, a menos que el Funcionario de Audiencias ordene lo contrario. La audiencia se llevará a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente, 20.1.4 NMAC, los procedimientos aplicables a los Permisos de Construcción de Calidad del Aire, 20.2.72 NMAC, y otros procedimientos de audiencia aplicables.

Comparecencia:
Toda persona que desee ser parte en este procedimiento deberá presentar ante el Secretario de Audiencias, en la dirección indicada a continuación, una Comparecencia a más tardar el 24 de agosto de 2026. Una Declaración o Aviso de Intención de Presentar Testimonio Técnico presentada oportunamente y que esté completa se considerará una Comparecencia si la persona que presenta dicha declaración no ha presentado previamente una Comparecencia por separado.

Santa Fe, New Mexico 87502
Luis.lopez@env.nm.gov

La falta de presentación, en tiempo y forma, de una Declaración de Intención o de una Notificación de Comparecencia que cumpla sustancialmente con estos requisitos impedirá que la persona adquiera la condición de parte, pero no le impedirá presentar testimonios no técnicos —ya sean escritos u orales— ni formular comentarios de interés público general.

Declaración de Intención de Presentar Testimonio Técnico:
Toda persona que tenga la intención de presentar pruebas técnicas o testimonio técnico durante la audiencia pública deberá presentar ante el Secretario de Audiencias una Declaración o Aviso de Intención ("NOI") de Presentar Testimonio Técnico a más tardar el 24 de agosto de 2026, y deberá enviar una copia electrónica de dicho documento a todas las demás partes. El NOI deberá presentarse ante el Secretario de Audiencias en el siguiente correo electrónico:

Luis Lopez
Secretario de Audiencia
Oficina de Facilitación Pública
Departamento de Ambiente de Nuevo México
Luis.lopez@env.nm.gov

Administrative Record NSR 10833_003025

La Declaración de Intención de Presentar Testimonio Técnico (NOI) deberá: (i) identificar a la persona que presenta la declaración; (ii) indicar si la persona que presenta la declaración apoya u objeta el Proyecto de Permiso, la Solicitud o la Petición; (iii) identificar a cada testigo, incluyendo su nombre, dirección, afiliación(es), y antecedentes educativos y laborales; (iv) estimar la duración del testimonio directo de cada testigo; (v) identificar todos los anexos que forman parte del Expediente Oficial y, para los anexos que no formen parte del Expediente Oficial, adjuntar una copia; (vi) enumerar o poner a disposición todos los materiales técnicos en los que se basó cada testigo al formular la declaración de hechos u opiniones técnicas contenidas en su testimonio directo; (vii) adjuntar una narrativa completa del testimonio directo de cada testigo, indicando cualquier opinión que dicho testigo ofrecerá y una explicación de la base de dichas opiniones; y (viii) cumplir con las disposiciones de la Sección 20.1.2.200 del Código Administrativo de Nuevo México (NMAC) y con la Orden Enmendada de Programación. Salvo que el Funcionario de Audiencias ordene lo contrario, las Declaraciones de Intención de Presentar Testimonio Técnico de Refutación, si las hubiera, deberán presentarse a más tardar el 3 de septiembre de 2026 y deberán cumplir con los mismos requisitos establecidos anteriormente para las NOI previas.

La falta de presentación oportuna y completa de una NOI impedirá que una persona presente las pruebas técnicas o el testimonio técnico que pretenda ofrecer. Todos los anexos deberán estar debidamente identificados para ser aceptados, incluyendo el nombre de la parte y el número del anexo en la parte superior o inferior del mismo, y deberán incluir páginas numeradas consecutivamente.

Procedimientos de la Audiencia de Permiso:
La audiencia pública, así como todas las actividades previas y posteriores a la audiencia, se llevarán a cabo de conformidad con los Procedimientos de Permisos del Departamento de Medio Ambiente (20.1.4 NMAC), la Ley y las normas y reglamentos aplicables a los permisos de construcción. Los Procedimientos de Permisos pueden consultarse electrónicamente en https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c1p4 o comunicándose con el Secretario de Audiencias. Las normas sobre permisos de construcción (20.2.72 NMAC) pueden consultarse electrónicamente en: https://nmonesource.com/nmos/nmac/en/item/18058/index.do#t20c2p72.

Aviso de No Discriminación:
El NMED no discrimina por motivos de raza, color, origen nacional, discapacidad, edad o sexo en la administración de sus programas o actividades, según lo exigen las leyes y reglamentos aplicables. El NMED es responsable de coordinar los esfuerzos de cumplimiento y de recibir consultas relacionadas con los requisitos de no discriminación implementados conforme al Título 40 del Código de Reglamentos Federales (C.F.R.), Parte 7, incluyendo el Título VI de la Ley de Derechos Civiles de 1964, según enmendada; la Sección 504 de la Ley de Rehabilitación de 1973; la Ley contra la Discriminación por Edad de 1975; el Título IX de las Enmiendas Educativas de 1972; y la Sección 13 de las Enmiendas a la Ley Federal de Control de la Contaminación del Agua de 1972. Si tiene alguna pregunta sobre este aviso o sobre cualquiera de los programas, políticas o procedimientos de no discriminación del NMED, o si considera que ha sido objeto de discriminación en relación con un programa o actividad del NMED, puede comunicarse con: Coordinador de No Discriminación, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. También puede visitar nuestro sitio web en https://www.env.nm.gov/non-employee-discrimination-complaint-page/ para obtener información sobre cómo y dónde presentar una queja por discriminación.

Name: Will Hume Address: State: New Mexico Email: wahume@gmail.com Yucca Growth Infrastructure, LLC-YGI Microgrid Air Quality Construction Permit Application New Mexico doesn't have the water resources to support these kinds of projects, and we definitely don't need to be offering 30 year tax breaks to companies that can afford to spend $165 BILLION on a single project. That means the rest of us are subsidizing them, and we really don't have the tax basis in this state to absorb that kind of shortage. Prioritize the people who live here more than the oligarchs!	noreply@smartcor	noreply@smartcomment.co	SMTP	wahume@gmail.com	wahume@gmail.com	SMTP	Normal	Normal

	organization. Exercise caution prior to clicking on links or opening attachments. NMED Reviewer Julia Kuhn, I am writing to recommend strongly the denial of YGI's application to build a power plant to server Project Jupiter. YGI has not included all relevant information about Bloom Energy's dismal track record. Bloom's "solid oxide" fuel cells are *not* clean energy; rather; they generate carbon monoxide and other poisons; further, Doña Ana County is already plagued by environmental pollution. Please grant the public another sixty days to review and comment on the application; if the application is not rejected, it is necessary to have a public hearing in a bilingual, hybrid in-person and live video format. This hearing must be held in Santa Teresa so that all stakeholders may attend. Thank you for your consideration.

[EXTERNAL] DENY Y	NMED Reviewer Julia Kuhn, Hi, my name is Bianca Marino and I am submitting this comment to share my opposition to the Yucca Growth Infrastructure, LLC-YGI Microgrid Air Quality Construction Permit Application. Please deny this application for the following reasons: *YGI's application should be denied by NMED because YGI failed to include all relevant information about Bloom Energy's problematic history. *Bloom Energy's Fuel Cells are not clean energy – no matter what YGI says. These fuel cells generate significant NOX, CO, and VOCs, all of which contribute to negative health impacts, as well as hazardous solid waste that cannot be ignored by NMED. *Permitting any microgrid facility will result in a clear example of environmental racism and NMED is required to ensure no group of people organization. Exercise caution prior to clicking on links or opening attachments.	Bianca Marino	noreply@adv.actionnetwork.	SMTP	Kuhn, Julia, ENV	/o=ExchangeLabs/ou=Exchange	EX	Normal	Normal

Name: Nina Crawford Address: 3300 Wyoming Blvd Ne Apt 13d City: Albuquerque State: New Mexico ZIP Code: 87111 Email: ninarenz@gmail.com Yucca Growth Infrastructure, LLC-YGI Microgrid Air Quality Construction Permit Application Project Jupiter is not an asset to NM. Look at other cities and states that have these data centers added to their communities. They are known to strain the power grid (even with "their own power supply") causing rate increases. In a state that can barely handle the rent increases, an energy rate increase would be devastating. Some cities that have installed these data center are putting water bans on people and plants.	noreply@smartcor	noreply@smartcomment.co	SMTP	ninarenz@gmail.com	ninarenz@gmail.com	SMTP	Normal	Normal

Yucca Growth Infrastructure, LLC-YGI Microgrid Air Quality Construction Permit Application

I am asking for the rejection of the application to permit excessive water use for data centers. Thank you for this consideration.

Yucca Growth Infrastructure, LLC-YGI Microgrid Air Quality Construction Permit Application

Most of my family lives in New Mexico and I care so deeply for this state. With the know environment effects of data centers please do not allow it to happen in an area already struggling with drought. You would be saving so many communities by saying no to this proposal. Thank you.

[EXTERNAL] Public C	organization. Exercise caution prior to clicking on links or opening attachments. NMED Reviewer Julia Kuhn, As a New Mexico resident who cares about clean air and water, I oppose the Yucca Growth Infrastructure, LLC-YGI Microgrid Air Quality Construction Permit Application. Bloom Energy's Fuel Cells are not truly clean energy. The fuel cells generate NOX, CO, and VOCs, as well as hazardous solid waste. Moreover, there is vast and obvious public opposition to Project Jupiter. New Mexicans want our precious water used for life, not AI. We want to breathe clean air and benefit from renewable energy, not act as a sacrifice zone for private profit. Please reject YGI's application. [EXTERNAL] Yucca (	organization. Exercise caution prior to clicking on links or opening attachments. NMED Reviewer Julia Kuhn, I am submitting this comment to share my opposition to the Yucca Growth Infrastructure, LLC-YGI Microgrid Air Quality Construction Permit Application. Please deny this application for the following reasons: *YGI's application should be denied by NMED because YGI failed to include all relevant information about Bloom Energy's problematic history. *Bloom Energy's Fuel Cells are not clean energy – no matter what YGI says. These fuel cells generate significant NOX, CO, and VOCs, all of which contribute to negative health impacts, as well as hazardous solid waste that cannot be ignored by NMED. *Permitting any microgrid facility will result in a clear example of environmental racism and NMED is required to ensure no group of people	noreply@smartcor	noreply@smartcomment.co	SMTP	Jon.karin7@gmail.com	Jon.karin7@gmail.com	SMTP	Normal	Normal

Yucca Growth Infrastructure, LLC-YGI Microgrid Air Quality Construction Permit Application

Project Jupiter would threaten the limited water supply New Mexico communities have, every year we get less and less snowfall, the río grande dries up earlier, this is possibly the worst place to choose to build a data center. People need the water, not data centers.

Reply from NMED o	Recently you reached out to the Office of Governor Lujan Grisham regarding Project Jupiter, also known as Acoma LLC's East Microgrid and West Microgrid. The Governor has forwarded your concern to the New Mexico Environment Department (NMED.) Thank you for expressing your concern for the environment and the wellbeing of our beautiful state. Acoma, LLC has withdrawn their applications for the East Microgrid and West Microgrid as of 4/27/26. A new application for a proposed facility at the same site as Acoma, LLC's previously proposed East Microgrid was received on 4/27/26 for Yucca Growth Infrastructure, LLC's YGI Microgrid. The application in English and Spanish can be found at our Public Notices website <https://www.env.nm.gov/public-notices/> . Please scroll down and expand the "Doña Ana County" header and look for "Yucca Growth Infrastructure, LLC – YGI Microgrid." [EXTERNAL] Public C	often get email from jeanniefunke@gmail.com. Learn why this is important <https://aka.ms/LearnAboutSenderIdentification> CAUTION: This email originated outside of our organization. Exercise caution prior to clicking on links or opening attachments. Dear Air Quality Bureau, NMED, I submit this comment in strong opposition to Air Quality Construction Permit Applications 10732 (East Microgrid) and 10734 (West Microgrid) proposed by Acoma, LLC in southern Doña Ana County to power Project Jupiter. These applications are unlawfully and deceptively designed to evade public health protections and, if approved, would result in significant air pollution and destructive climate impacts that will harm all New Mexicans. NMED must reject both applications outright, and require Acoma LLC to submit a single, accurate permit that fully accounts for the Project's true pollution impacts because: 1. The Project Is a Single Pollution Source and Must Be Permitted as One	Jeanmarie Funke	jeanniefunke@gmail.com	SMTP	aqb-acoma-microgrids	/o=ExchangeLabs/ou=Exchange	EX	Normal	Normal

Exercise caution prior to clicking on links or opening attachments. Dear Air Quality Bureau, NMED, I submit this comment in strong opposition to Air Quality Construction Permit Applications 10732 (East Microgrid) and 10734 (West Microgrid) proposed by Acoma, LLC in southern Doña Ana County to power Project Jupiter. These applications are unlawfully and deceptively designed to evade public health protections and, if approved, would result in significant air pollution and destructive climate impacts that will harm all New Mexicans. NMED must reject both applications outright, and require Acoma LLC to submit a single, accurate permit that fully accounts for the Project's true pollution impacts because:

Name: Lucy Birkhead Address: State: New Mexico Email: Nm.doula.lucy@gmail.com Yucca Growth Infrastructure, LLC-YGI Microgrid Air Quality Construction Permit Application This latest change by the minds behind Project Jupiter is still very much NOT what the people of New Mexico want. Switching to fuel cell technology does not change the outcome for our state and its people. Poor air quality and toxic waste which ruins our dwindling water supply is the future for us if we allow Project Jupiter to gain a foothold in our precious Land of Enchantment. Make the right choice and be the voice of the people. We need a moratorium on data centers in NM!	noreply@smartcor	noreply@smartcomment.co	SMTP	Nm.doula.lucy@gmail.com	Nm.doula.lucy@gmail.com	SMTP	Normal	Normal

Learn why this is important <https://aka.ms/LearnAboutSenderIdentification> CAUTION: This email originated outside of our organization. Exercise caution prior to clicking on links or opening attachments. Dear Air Quality Bureau, NMED, I submit this comment in strong opposition to Air Quality Construction Permit Applications 10732 (East Microgrid) and 10734 (West Microgrid) proposed by Acoma, LLC in southern Doña Ana County to power Project Jupiter. These applications are unlawfully and deceptively designed to evade public health protections and, if approved, would result in significant air pollution and destructive climate impacts that will harm all New Mexicans. NMED must reject both applications outright, and require Acoma LLC to submit a single, accurate permit that fully accounts for the Project's true pollution impacts because:	Elora Daniels	noreply@adv.actionnetwork. Please deny this application for the following reasons: YGI's application should be denied by NMED because YGI is not acting in good faith to the people of New Mexico. They failed to include all relevant information about Bloom Energy's problematic history. Bloom Energy's Fuel Cells are not clean energy – no matter what YGI says. These fuel cells generate significant NOX, CO, and VOCs, all of which contribute to negative health impacts, as well as hazardous solid waste that cannot be ignored by NMED. This is waste that not only you and I need to deal with, but also our future generations too.	Nicholas Griego	noreply@adv.actionnetwork. Dear Air Quality Bureau, NMED, I urge the NMED to deny Air Quality Construction Permit Application 10883 for the Yucca Growth Infrastructure (YGI) Microgrid in southern Doña Ana County. Granting a permit to emit over 10 million metric tons of CO2 annually violates NMED's mission to protect public health and prevent air quality deterioration, disproportionately harming BIPOC and low-income communities. The application relies on an unproven, unregulatable, and inadequately tested design: * Unprecedented, Unproven Scale: YGI proposes using 2,275 Bloom Energy Solid Oxide Fuel Cells (SOFC). Though several projects have been announced with much fanfare, the largest	Josh Johnson	nvrsmrbmx@gmail.com	SMTP	aqb-yucca-microgrid	/o=ExchangeLabs/ou=Exchange EX	Normal	Normal

Dear Air Quality Bureau, NMED, I urge the NMED to deny Air Quality Construction Permit Application 10883 for the Yucca Growth Infrastructure (YGI) Microgrid in southern Doña Ana County. Granting a permit to emit over 10 million metric tons of CO2 annually violates NMED's mission to protect public health and prevent air quality deterioration, disproportionately harming BIPOC and low-income communities. The application relies on an unproven, unregulatable, and inadequately tested design: * Unprecedented, Unproven Scale: YGI proposes using 2,275 Bloom Energy Solid Oxide Fuel Cells (SOFC). Though several projects have been announced with much fanfare, the largest	Michele Sleighel	michelesleighel@gmail.com	SMTP	aqb-yucca-microgrid	/o=ExchangeLabs/ou=Exchange	EX	Normal	Normal

[EXTERNAL] My Pub	often get email from rachewin@gmail.com. Learn why this is important <https://aka.ms/LearnAboutSenderIdentification> CAUTION: This email originated outside of our organization. Exercise caution prior to clicking on links or opening attachments. Dear Air Quality Bureau, NMED, I am writing to urge the New Mexico Environment Department to deny Air Quality Construction Permit Application 10883 for the Yucca Growth Infrastructure (YGI) Microgrid in southern Doña Ana County. Approving a facility that will dump over 10 million metric tons of CO2 into the air every year flies directly in the face of NMED's core mission to protect public health and prevent air quality degradation. It will also disproportionately harm the local BIPOC and low-income communities who always seem to bear the brunt of these heavy industrial projects. The application itself relies on a highly experimental design that is unproven and practically impossible to regulate:	Rachel Winston	rachewin@gmail.com	SMTP	aqb-yucca-microgrid	/o=ExchangeLabs/ou=Exchange	EX	Normal	Normal

Dear Air Quality Bureau, NMED, I urge the NMED to deny Air Quality Construction Permit Application 10883 for the Yucca Growth Infrastructure (YGI) Microgrid in southern Doña Ana County. Granting a permit to emit over 10 million metric tons of CO2 annually violates NMED's mission to protect public health and prevent air quality deterioration, disproportionately harming BIPOC and low-income communities. The application relies on an unproven, unregulatable, and inadequately tested design: * Unprecedented, Unproven Scale: YGI proposes using 2,275 Bloom Energy Solid Oxide Fuel Cells
