

Legal Notice
For
Air Quality Operating Permit
for Monument Gas Plant of Versado Gas Processors, LLC

Versado Gas Processors, LLC at PO Box 1909; Eunice, NM 88231 has submitted an air quality operating permit application to the New Mexico Environment Department (NMED) for an air quality operating permit for its Monument Gas Plant. The owner of this plant is Versado Gas Processors, LLC. The exact location of the facility is at latitude and longitude decimal degrees: 32.6105, -103.312139 Datum: WGS84. To aid in locating this facility, the approximate location is 2.8 mi W of Monument in Lea County, NM. This application file has been assigned an Operating Permit Number P110R4 and TEMPO Agency Interest ID No. 610.

Previously, the facility received an air quality construction permit and is in operation.

The main purpose of the facility is to process natural gas through inlet separation, dehydration, acid gas removal, and separation of methane from natural gas liquids.

This permit renewal incorporates NSR Permit 0110-M12, which replaced 2 hot oil heaters, added a sour water tank, and updated fugitive emissions for the facility.

This operating permit application is for a permit renewal. Per 20.2.70.401.C.(4) NMAC, this permitting action involves renew the current Title V permit, P110-R3M1.

The emissions, established in NSR Permit 0110-M12 and brought forward into this permit, are as follows. Parentheses note changes in emissions from previous operating permit – P110-R3M1. Emissions are expressed in tons per year (tpy). Nitrogen Oxides (NO_x) at 980.42 tpy (-32.38); Carbon Monoxide (CO) at 210.37 tpy (-80.43); Volatile Organic Compounds (VOC) at 114.95 tpy (-15.85); Sulfur Dioxide (SO₂) at 10.79 tpy (-362.11); Particulate Matter 10 microns or less (PM₁₀) at 27.66 tpy (-0.04), and Particulate Matter 2.5 microns or less (PM_{2.5}) at 15.22 tpy (+0.02); and greenhouse gas (CO₂e) (>) 75,000 tpy.

The NMED has conducted a preliminary review of the information submitted with the permit application. This review included evaluation of the emission rates and applicable requirements to determine compliance.

The NMED has made a preliminary determination that this facility will comply with the requirements of Title 20, New Mexico Administrative Code (NMAC), Chapter 2, Parts 1, 7, 50, 61, 70, 71, 72, 73, 74, 75, 77, and 82; 40 CFR 60 Subparts A, Dc, Kb, GG, KKK, and OOOOa; 40 CFR 63 Subparts A, DDDDD, and ZZZZ; 40 CFR 64; and the New Mexico Air Quality Control Act. Therefore, the preliminary intent of NMED is to issue the air quality operating permit after the 30-day public comment period and the 45-day EPA review.

Interested persons may obtain the draft operating permit, submit written comments, or request a public hearing on Operating Permit Number P110 by contacting Julia Kuhn at the New Mexico Environment Department, Air Quality Bureau, 525 Camino de los Marquez Suite 1, Santa Fe, NM 87505-1816, or by email at Julia.Kuhn@env.nm.gov. Comments may also be submitted electronically via the NMED public comment portal online at: <https://nmed.commentinput.com/comment/search>.

Written requests for public hearing must state the nature of the issues proposed to be raised in the hearing. Comments must be based on the requirements of the applicable state and federal air quality regulations and

the Clean Air Act. Comments or hearing requests must be received within 30 days after the public notice is published.

The permit application is currently available for review on the AQB Public Notices of Permitting Actions website www.env.nm.gov/public-notices. The Department contact in Santa Fe is Julia Kuhn at 505-629-2893.

Atención

Este es un aviso de la oficina de Calidad del Aire del Departamento del Medio Ambiente de Nuevo México, acerca de las emisiones producidas por un establecimiento en esta área. Si usted desea información en español, por favor comuníquese con esa oficina al teléfono (505)-629-2893.

Notice of Non-Discrimination

NMED does not discriminate based on race, color, national origin, disability, age or sex in the administration of its programs or activities, as required by applicable laws and regulations. NMED is responsible for coordination of compliance efforts and receipt of inquiries concerning non-discrimination requirements implemented by 40 C.F.R. Part 5 and 7, including Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, and Section 13 of the Federal Water Pollution Control Act Amendments of 1972. If you have any questions about this notice or any of NMED's non-discrimination programs, policies or procedures, or if you believe that you have been discriminated against with respect to a NMED program or activity, you may contact: Non-Discrimination Coordinator, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, nd.coordinator@env.nm.gov. You may also visit our website at <https://www.env.nm.gov/non-employee-discrimination-complaint-page/> to learn how and where to file a complaint of discrimination.

Delete the following instructions below from the final public notice.

Email templates are in the current shared directory in the Permit Section TV Forms Folder. The following is not the list of TV affected programs which are all states, local air pollution control programs, and Indian Tribes and Pueblos within 50 miles of the source. The affected program list is generated in the affected program letter (called affected parties) from tempo letter builder.

Web Editors will copy and paste from this section to create the Public Notice page posting, the Public Comment Portal posting, and the Event Calendar posting.

-Start Date – Newspaper publication starts the formal comment period. You can use the date the notice is expected to be published from the emails about reviewing the notice proofs.

-End Date is 30 days from start date, unless the 30th day is a Saturday/Sunday/Holiday – then the end date is extended to the next business day. (If publication is delayed from the start date you provided, notify Web Editor of new end date and the Comment Portal and Calendar Event will be extended to that new end date.)

- Copy & paste the section into the body of an email (or include as RTF or DOCX file, but not PDF).

- Attach PDFs of the documents post. (Usually Application (no copy of check), Notice, PIP if ready. App may have been posted previously if there was public interest)

- Send HIGH IMPORTANCE email to Web Editor(s).

- You will be notified when the three postings are ready for accuracy review & capture for the Admin Record.

NMED Event Calendar Post (Trumba) – Spans start day to end day

- Title: 30-day Public Comment Period: Versado Gas Processors, LLC-Monument Gas Plant Air Quality Operating Permit Application P110R4
- Via Web
-  Start Date to End Date
- All Day
- None
- Contact: Julia Kuhn, 505-629-2893, Julia.Kuhn@state.nm.us.
