**RE: ADMINISTRATIVE COMPLETENESS AND FEE ASSESSMENT
CLASS 1 PERMIT MODIFICATION
LOS ALAMOS NATIONAL LABORATORY
EPA ID# NM 0890010515
LANL-15-017**

Dear Mr. McMillan and Ms. Lebak:

The New Mexico Environment Department (Department) has received a *Class 1 Permit Modification Request* (PMR) requesting approval to update Figure 45 in Permit Attachment N and Figure G.26-1 in Attachment G.26 of the Hazardous Waste Facility Permit (Permit) for Los Alamos National Laboratory (LANL), dated May 5, 2015, and referenced by ENV-DO-15-0103 and LA-UR-15-22567, from the United States Department of Energy and Los Alamos National Security, LLC (collectively the Permittees). The Department has reviewed the submittal and hereby approves the request and deems it administratively complete.

The modifications identified above were put into effect as requested by the Permittees under the conditions specified in 20.4.1.900 NMAC (incorporating 40 CFR §270.42(a)(1)). NMED recently incorporated these Class 1 modifications into the LANL Permit.

The New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.201.B(2)(b) NMAC require the assessment of fees. The fee invoice for the Class 1 Permit Modification Request dated May 5, 2015, is attached to this letter. Payment is normally due within sixty (60) calendar days from the date that you receive the invoice in accordance with 20.4.2.301.C NMAC. However, because NMED submitted an assessment of supplemental

permit fees to the Permittees for State fiscal year 2015, and the Permittees transmitted payment of these fees, the fee invoice has been effectively paid under these supplemental fees.

If you have any questions regarding this correspondence, please contact Tim Hall of my staff at 505-222-9555 or at timothy.hall@state.nm.us.

Sincerely,

John E. Kieling
Chief
Hazardous Waste Bureau
