**Subject:** Support for open burning at LANL

Mr. John E. Kieling  
Program Manager New Mexico Environment Department Hazardous Waste Bureau  
2905 Rodeo Park Drive East, Building 1  
Santa Fe, New Mexico 87505

Dear Sir,

I am writing to support open burning of high-explosives at Los Alamos National Laboratory. I believe that the form letters/emails against open burning contain factual errors and indicate a lack of understanding of the hazards of transporting high-explosives as an alternative.

Sincerely,

Dr. Stephanie Frankle
