**RE: RESOLUTION OF NOTICE OF VIOLATION
KINDER MORGAN, INC.
EPA ID# NMR000025841**

Dear Mr. Martin:

On September 29, 2019, the New Mexico Environment Department ("NMED") sent Kinder Morgan, Inc. ("Kinder Morgan") a Request for Information relating to the December 14, 2018 petroleum spill near Anthony, New Mexico. Based on review of the information obtained in Kinder Morgan's response dated October 25, 2019, NMED issued a Notice of Violation ("NOV") dated July 7, 2020.

NMED has reviewed the relevant document "Kilgore Lateral Excavation Completion Report" dated March 31, 2022, and the submittal of hazardous waste fees received July 21, 2020. Based on that review, NMED has determined that the violations cited in the NOV have been adequately addressed and that no further action relative to the NOV on the part of Kinder Morgan is required. Any action taken in response to this letter does not relieve Kinder Morgan, Inc. of its obligation to comply with any and all other applicable laws and regulations.
